City of Portland
Portland Disability Advisory Committee
Agenda
July 12, 2017

- Introductions and sign in
- Minutes of the last meeting
- Updates on the application process for Committee membership and the closed captioning ordinance
- Guest speakers: Tindale Oliver engineers. Questions for discussion:
 - Have people come across physical barriers at City-owned facilities (parks, buildings, etc.)?
 - Have folks experienced lack of access to a City program or service due to their ability?
 - Have people submitted formal requests for a correction? What was the process used?
 - Is everyone aware of how to make a request for an accommodation?
 - Can people point out examples of successful accessibility in the City that can be used as models?
 - Which City-owned facilities and/or services are most utilized by members of the group?
 - Which City-owned facilities and/or services would be more utilized if made more accessible?
 - What is the preferred mode of transportation to get to City-owned facilities that you frequent?
- Next meeting: August 2, 2017 at 11 am
- New business
- Adjournment
