The Mission of the Portland Parks Commission is to advocate for the enhancement and stewardship of our parks and open spaces. Review and propose projects that impact parks and open spaces and recommend action. Foster collaboration among park users and the City. Promotes public access and enjoyment. Advocate for public and private funding for parks and open spaces. Enjoy Portland for Life.

I. Green Space Gathering

a. This year's panelists will be discussing homelessness in our parks and the challenges that come with accommodating all park users.

City of Portland Commissions are not required to take public comment under FOAA and our Ordinance is silent regarding the duties of the Commission. The Commission has the discretion to not allow or allow public comment during its meetings, including the authority to limit the duration of comments. Since the Commission makes recommendations to the City Council, public comment is available at that level.
