Update re: new ordinance. Rachel presented a synopsis of the background of the new ordinance to bring Keith up to date. The February 10, 2025 City Council workshop was postponed by the City Council until the next workshop on March 10, 2025 – no action was taken. If the City Council has an ordinance ready to put to vote after the March 10, 2025 workshop, the new ordinance could be in effect at the earliest in mid-May. If the City Council does not put forward an ordinance after the March 10, 2025 workshop, it may be months before the new board is in

place. The next PCRS meeting is scheduled for March 12, 2025, and Rachel should have an update during that meeting.

Reverend Lewis explained that he joined the meeting so that the subcommittee could complete its case review and that he needed to leave the meeting, which, in turn, negated the required number for a quorum.

No public comment was offered.

Gino announced that he will not be seeking a second term on the subcommittee when his three-year term ends in March of 2025.

Reverend Lewis also announced that after two three-year terms on the subcommittee, he is not renewing for a third term.

6:40 Motion was made by Gino and seconded by Joey to adjourn. Passage 4-0.
