

**Remote Finance Committee
Meeting Agenda
Thursday, May 15, 2025
5:00 PM**

MEMBERS
Councilor April Fournier, Chair
Councilor Benjamin Grant
Councilor Wesley Pelletier
Mayor Mark Dion (Ex-Officio)

Remote via ZOOM

PUBLIC COMMENT INFORMATION

To submit written public comment on an agenda item for which public comment is being accepted, email finance@portlandmaine.gov. Submissions must be received by 12:00 pm the day before the Finance Committee meeting to guarantee their inclusion in the agenda packet. All submissions must include the commenter's name and legal address. To help ensure your comment is submitted for the correct item, please include the name of the agenda item (see below).

ZOOM MEETING INFORMATION

This meeting will take place remotely using Zoom. This meeting will be held remotely pursuant to the Remote Meeting Policy adopted by the Portland City Council. Allow your computer to install the free Zoom app to get the best meeting experience. If you are not able to attend live, a recording will be available in the Agenda Center following the meeting. For agenda items where public comment is scheduled, you will need to use the "raise your hand" feature. To raise your hand via the telephone, please hit *9. You will be unmuted by the host when it is time for public comment.

1. Introductions

2. Review of the FY26 City Manager's Recommended Budget - PUBLIC HEARING AND VOTE

On Monday, April 14th the City Council referred the City Manager's Recommended Budget to the Finance Committee. On Tuesday, April 15th, Tuesday, April 29th, Thursday, May 1st, and Thursday May 8th the Finance Committee performed a detailed review. The review included two Public Hearings to date. At tonight's meeting, the City's CFO along with additional Department Heads will present results to all remaining questions and answers that were not addressed at prior meetings. Draft City Council budget orders will be added to the backup materials.

A Public Hearing and vote will be held on the FY26 City Manager's Recommended Budget and associated orders.

3. Review of Future Meeting Dates

- a. Monday, May 19th - Public Hearing on FY26 Finance Committee Recommended Budget at Full City Council Meeting - 5:00PM in City Council chambers
- b. Monday, June 2nd - SCHEDULED Second Read and Vote on FY26 Finance Committee Recommended Budget at Full City Council Meeting - 5:00PM in City Council chambers. **NOTE - BASED ON STATE OF MAINE BUDGET TIMELINE, THE BUDGET SECOND READ AND ALL ASSOCIATED ORDERS ARE EXPECTED TO BE POSTPONED TO THE JUNE 23RD CITY COUNCIL MEETING**
- c. June Finance Committee Date TBD:
 - i. State Budget Updates
 - ii. American Rescue Plan Act Funds - Spending and Reporting Updates
 - iii. Payment in Lieu of Taxes Policy - Continuation of 2024 Progress

See <https://www.portlandmaine.gov/668/Finance-Committee> for updates on which Departments will be presenting on each night, as they are confirmed.

4. Adjournment

City of Portland, Maine

City Manager's Recommended Budget

FY26 Budget

July 1, 2025 – June 30, 2026

City of Portland | Executive Department

Danielle P. West, *City Manager*

To: Mayor Dion and Members of the Portland City Council

CC: City of Portland Leadership Team and City Staff

From: Danielle P. West, City Manager

Date: April 14, 2025

Re: City Manager's FY26 Recommended Budget

Pursuant to Article VI, Section 5(e) and Article VII, Sections 5 and 6 of the City of Portland Charter, I am hereby submitting the City Manager's Recommended \$365.6 million Fiscal Year 2026 (FY26) Municipal Operating Budget. This has been a very challenging budget to formulate given the many competing pressures, cost increases, and heightened funding uncertainty at the state and federal levels. With that said, we have done our best to deliver a balanced budget that is within City Council guidance.

When we gave the FY26 budget preview in January, our Finance Director alerted us that once again we face many budget challenges, many of which are outside of our control. Over the last several months we have had discussions with the Council and Finance Committee to set shared expectations for the upcoming budget year and attempt to address these challenges. In January, the Council set guidance on seeking to limit any potential tax rate increase to 7% or less. The majority of the Council also noted they did not want to see significant cuts to core municipal services.

Due to the significant challenges facing the City, many of them State and Federal revenue related, the year-over-year tax levy increase was nearly 21% at the beginning of our budget process. This number reflected relatively flat Department budget requests, an estimated loss of \$12M in State and Federal funding, contractually obligated wage increases across eight bargaining units as recently approved by Council, rising health insurance costs, and the use of significant fund balance to balance the budget and reduce the tax levy in fiscal year 2025.

As we began our work to balance the budget and bring it in line with Council guidance, we were looking at a \$19M budget gap. Unfortunately, this gap widened significantly as we got further along in our process and saw additional developments in Augusta and Washington, DC. The biggest driver being revenue losses attributed to several proposals at the state level that seek to reduce reimbursements for General Assistance (GA) program expenses. Should those proposals go into effect, the City would face a loss of at least \$5.9M, pushing our budget gap to \$25.5M. We also learned that we will no longer be receiving a roughly \$3M federal FEMA grant that was used to support two of our shelters, pushing the budget gap to more than \$28M. Lastly, when we added in the increase in costs (related to food) needed to run the 166 Riverside shelter after withdrawal of the current provider, the total budget gap had grown to \$29.5M.

There has been an effort of the last several years to push more of the costs of compliance with the State's mandated GA program back onto municipalities. Over just three budget years, while the City has significantly increased our capacity to help those in need, the State GA reimbursement has dropped significantly. In fact, in FY23 the City received \$30.3M of State reimbursement of costs. In FY24 that figure dropped to just \$23M. For FY25 (to date), the City has received just \$6.8M of a budgeted \$17M of State GA cost reimbursement. And in the FY26 City Manager's Recommended budget we are including just under \$7M of total estimated reimbursement - an over \$23M drop in just three years.

Given these challenges, and uncertainty the City is facing with funding to cover shelter expenses, there are several policy options that the Finance Committee and Council will need to consider in more detail

in order to address the cost shifts to the Portland taxpayers. These include a proposed operational change to our Family and 166 Riverside Shelters, the use of opioid settlement funds within our annual operating budgets, and/or a combination of these options.

First, due to recent declining numbers at the 166 Shelter and as a result of rising costs and the lease expiration we are facing at the buildings we currently lease to house our current Family Shelter units, the first option for consideration would involve moving the Family Shelter operations to the 166 Riverside property. This would require the consent of the 166 property owner and lessor, Developer's Collaborative, and involve a decommissioning of the 166 Riverside property as a shelter for single asylum seekers (similar to what we have done in the past with our guests staying in motels), a re-fit of the interior of the 166 Riverside property to function for families, and a transition of the families to the re-fit space at 166 Riverside. This also presents the opportunity to reallocate many shelter staff to help fill vacancies in other areas. This would achieve an annual net cost savings of at least \$1.3M.

The next option would involve staff investigating eligible uses of our opioid settlement monies (currently \$1.5M received to date with approximately \$300,000 annually for the next several fiscal years) and re-programming them to fund City programs and services currently included in the FY26 budget that meet the eligibility requirements established in the settlement agreement.

Lastly, the Finance Committee and Council would need to consider choosing to move forward with implementing both of the above options for a total potential cost savings that could exceed \$2M. We look forward to discussing all of these options further during the budget review process.

It is important to note that we will also continue to work with our lobbyists, the State Delegation, and the City's Legislative Committee to address and challenge the proposals in Augusta that seek to alter GA reimbursement funding. Because while Portland takes its state mandated GA obligation very seriously, data shows that we serve more people from across the State, and out of the State, than people who are from Portland. We can appreciate that the State of Maine may want to make changes to the way the state-mandated GA program is operated and funded, but we contend that it should not be unfairly financially supported by Portland's taxpayers when we are providing services on behalf of the entire state. At a time when the City is also facing the loss of a significant amount of federal funding, it is critical that we not lose crucial state funding as well.

Another major budget challenge that we were faced with during this budget process included an 18.4% estimated increase in health insurance costs which the City pays on behalf of our employees. This consists of a nearly 15% overall cost of services increase, with the remainder due to increasing employee head counts as we fill vacancies and hire new staff from our expanded sheltering operations.

While we still continue to face challenges from staff vacancies, we have seen some improvement in the last year. Currently, our vacancy number has been hovering at or around 150. Although these vacancies still present a significant operational challenge, they also reflect some personnel savings in each department. Consequently, we have included a vacancy savings line in each Departmental budget in order to reflect these savings.

Overall, it has been incredibly difficult to close the budget gap described above. This is despite our best efforts to make revisions to Department requested budget proposals, set aside many requests, account for savings from staff vacancies, increase revenue projections, recommend fee increases, and include the use of fund balance to help balance the budget. The tax levy as recommended before use of fund balance is \$124,230,182 or a 15.1% increase from FY25.

In order to meet all of the components of the Council guidance, no tax levy increase greater than 7% and no cuts to municipal services, the budget I'm bringing forward recommends the use of \$8.8M in Fund Balance to reduce the FY26 tax levy down to \$115,430,182. Of course, this figure can be adjusted even further if the Finance Committee and the Council choose to move forward with any of the policy options mentioned above.

The impact of this increase on an average homeowner is difficult to measure due to FY26 being a revaluation year. The tax rate is expected to drop significantly due to property values being brought up to market value. However, **using pre-revaluation property values**, and a three year average of additional property growth/new construction within the city, the potential increase to the City side of the mill rate is 40 cents. Assuming a median property valued at \$400,000, this would be an additional \$160 in annual property taxes for a median homeowner. It is important to note that taxpayers should **not** use their new property values and this new estimated tax rate when attempting to calculate estimated liability for FY26 – the new property values citywide will result in a corresponding reduction to the tax rate.

FY26 DEPARTMENTS AND BUDGET HIGHLIGHTS OF NOTE

Health & Human Services (HHS): Our HHS department includes four major divisions: Social Services, HHS Admin, Public Health, and the Barron Center. As we noted above, our Social Services division faces many budget challenges due to proposed changes in GA funding as well as the loss of federal funding.

The Public Health budget has been impacted by cuts to U.S. Centers for Disease Control and Prevention grants as our Public Health division is a recipient of pass through grants from MaineCDC.

The Barron Center budget has made significant progress towards their FY25 patient census goal of 125 and has again increased their target patient census for FY26. As a result, the City has budgeted for an increase in revenue that must be supported by a higher FTE count.

City Council: The increase in the Council budget is due to the estimated \$50,000 cost of a community survey. The goal is to engage residents, businesses, and other stakeholders in identifying their needs and priorities. A community survey will help advance some of the Council's recently-stated annual goals, including community engagement and equity, and would also help inform future program and budget decisions.

Executive: The Executive budget houses the City Manager's office, the Communications & Digital Services Office, as well as the City's Sustainability Office. A significant portion of the increases in this Department are related to the City's participation in the net energy billing program where we are funding development of solar energy projects across the State in exchange for energy credits on our electric bills. Staff from Sustainability works with a third party to ensure the projects are operating and yielding bill credits as intended.

Parks, Recreation & Facilities: The Parks, Recreation and Facilities budget includes several new positions which are partially or fully revenue offset including: an Event Venue Manager for the James A Banks Expo Center campus, an additional Booking Coordinator for events at City venues including weddings at Ocean Gateway, an additional Parks Project Manager to the significant increase in large projects being managed by the Department, and an additional Parks Ranger that was added in FY25 due to the increased need for opioid related outreach within our City parks and trails.

Assessor: The increase in this budget is due to the City-wide revaluation effort and the additional contractual services and staffing needs over the next year. The Department anticipates significant retirements over the next several years and we are attempting to build capacity and continuity in a field that has seen a decline in new entrants over the last decade.

Dispatch: This 20% increase is primarily due to the anticipated wage cost increase for dispatchers as set to be approved by the Council on 4/14. The budget is also rising due to increased software costs and minor equipment replacement costs within our dispatch center.

Portland Public Library: This Portland Public Library (PPL) has a 5% increase in funding, surpassing the \$5M mark in City support for the first time. Funding to PPL has increased over 25% in the last five fiscal years, up from just over \$4M in FY22. Over that same time period the City has also provided significant financial support for PPL capital projects via CIP and ARPA funding allocations.

FY25 RECAP

Despite continued staff vacancies across City departments, our staff did amazing things in FY25 with the resources they had available. I am continually amazed and proud of all the work they do on a daily basis. Below are some key highlights from several departments.

During calendar year 2024, the City provided more than 550 shelter beds every night, serving 2,015 individuals for a combined total of 187,791 bed nights (equivalent to 514 years of homelessness). Importantly, the City transitioned from the use of motels as temporary shelters and focused on supporting individuals through more comprehensive shelter at the HSC, Family, and 166 shelters. These shelters focused on comprehensive wrap around services to help individuals move into permanent housing and access the healthcare and other supportive services needed. Through general assistance and prevention programming 1,309 individuals at risk of homelessness were able to retain their housing and move towards economic stability. Through our social service programs, 544 individuals were able to transition from homelessness into housing.

Over the past year, the Public Health Division continued its efforts to provide essential services, strengthen community health and safety, and respond to the evolving public health needs of the community. Staff distributed 19,072 Naloxone doses and 34,000 other harm reduction supplies directly to clients and through organizational partners across Cumberland and York counties. The availability of naloxone has been a driving factor in Maine's declining overdose fatalities, clients reported 235 community overdose reversals (Naloxone was administered by someone other than a first responder, resulting in a non-fatality) and Portland Police Department tracking indicates a 55% decrease in overdose fatalities. Staff are proud of the work to reduce overdose deaths and reduce the risks of drug use. Additionally, 5,910 referrals were made to connect clients with medical care, case management, substance use treatment, and recovery services. Through our clinical programs, 4,851 patients were seen, including: Immunizations (2,852), Screening, Prioritization, and Urgent Referral (SPUR) (715), Inactive TB Treatment (65), Portland Community Free Clinic (156), Maternal & Child Health (420), and STD Clinic (642). Patients are not necessarily unique as some see multiple services. This equates to 3,998 patient visits at 39 Forest Avenue and through postpartum home visits. Outreach workers assisted 1,189 clients with acquiring essential needs: primary care enrollment, public health insurance/benefits, transportation, housing/shelter, and reproductive/maternal/child health services. The Preparedness and Disease Prevention programs facilitated classes and training to reach 1,947 young people and 999 adults equipping them with knowledge and resources to prevent negative health outcomes related to tobacco/substance use, lead exposure, food choices, and emergencies.

The Barron Center, committed to being the preferred nursing provider for long-term and/or rehabilitative care, achieved a prestigious 5-star rating from the Centers for Medicare & Medicaid Services. In the 2024 calendar year, they served 165 unique guests with a combined 36,826 bed nights (~equivalent to 101 years). Chipping away at the staffing declines that occurred during the Covid pandemic, the Barron Center managed to increase and maintain their staffing levels enough to increase their occupancy by 27.9% in 2024.

The Office of Elder Affairs achieved significant success in 2024 with their new outreach nursing program, specifically designed for low-income seniors who don't qualify for other in-home care, reaching 36 patients with home nursing visits and over 500 seniors through blood pressure clinics. Their annual snow shoveling program continued to make a substantial impact, connecting 142 volunteers with 118 senior households to ensure safe, accessible paths and driveways, thereby supporting continued independence at home. Finally, through their adult day programming, Elder Affairs facilitated 20,000 hours of daytime care for 63 seniors, many with cognitive and physical health conditions, offering essential respite for their caregivers.

For our Planning & Urban Development Department, 2024 included a significant amount of both development review and long range planning activity. With regard to new housing within the city, 464 housing units were approved, 268 (58%) of which were dedicated affordable units. 2024 also saw 582 units of prior year housing approvals completed and occupied.

Significant approvals shepherded through the planning review process in 2024 included 186 Woodford Street (83 affordable housing units), 70 East Oxford Street (55 affordable housing units), 331 Cumberland Avenue (60 affordable housing units including childcare facility), 482 Congress Street (adaptive reuse of former office space into 38 housing units), 509 Forest Avenue (adaptive reuse of former office space into 38 housing units), and 100 West Commercial Street (45,000 square foot marine vessel warehouse and maintenance facility).

Long-range planning, transportation, and policy initiatives included the completion and adoption of ReCode—the City’s first comprehensive rewrite of the land use code and zoning map in over 50 years. Other major efforts included launching the Reimagining Franklin Street initiative, completing the Forest Avenue redesign study to improve safety and multimodal accessibility, and finalizing design for the Union Branch pathway project, which is set to begin construction in 2025. The department also secured a \$50,000 Housing Opportunity Grant to study the impact of the City’s housing policies, initiated updates to the City’s Complete Streets Policy, and began a re-evaluation of the existing Hotel Inclusionary Zoning requirements to explore potential revisions.

Historic Preservation saw the addition of two new National Register nominations: The Fort McKinley Torpedo Storehouse on Great Diamond Island and the Dayburn Casino on Peaks Island. Historic Preservation also received \$30,000 in CLG grant funding to support the Lincoln Park Restoration project. In addition, 130 new housing units were approved within historic districts, including 12 units at 64 Pine Street and 30 units at 42 Atlantic Street. The division also launched an update to the Historic Resource Design Manual.

Portland’s small businesses are the backbone of our economy, contributing to the City’s authenticity and character. More than 80 percent of the businesses in Portland have less than 10 employees. Portland’s local businesses have faced challenges in recent years stemming from systemic impacts from the pandemic, as well as broader macroeconomic factors such as inflation and a tight labor market. The Portland Development Corporation (PDC), staffed by the Housing and Economic Development Department (HEDD), supports Portland’s businesses with a variety of grant and loan programs that encourage job creation, business retention and expansion, and sustained economic development. In FY2025, the PDC approved over \$100,000 in grant funding to Portland businesses. These included “Job Creation” grants that provide \$10,000 in grant funding each to ten Portland businesses that create new jobs for low and moderate income individuals. These grants were awarded to businesses operating in service-related industries, including restaurants, childcare, and fitness. The PDC also approved six commercial loans to date in FY2025 totaling \$539,000. These loans are critical to local businesses that are not yet bankable or that have a financing gap. In FY2025, the PDC added a new loan product that charges a fixed monthly fee instead of interest. This new loan product is designed for customers who, for religious reasons, do not pay or accept interest.

American Rescue Plan Act (ARPA) funds allocated by the City Council to the child care approved use category are also being utilized to offer grants to aspiring daycare providers and existing centers to open or expand, adding much-needed daycare slot openings to Portland. To date, more than 100 new slots for care have been documented. ARPA funding is also supporting the Childcare Voucher Collaborative, a program that provides scholarships to low-income families to help with the costs of childcare while they are temporarily ineligible for the State of Maine’s Child Care Affordability Program (CCAP).

HEDD also administers the Brownfields Program, which provides funding for assessment and cleanup of environmentally contaminated properties to facilitate redevelopment. The City’s Brownfields Assessment Fund and Revolving Loan Fund are important tools available to support land revitalization in Portland. In recent years, the City received a new round of Brownfields Grant Funding from the United States Environmental Protection Agency (EPA) for assessment work in the amount of \$500,000, and \$3 million in grant funds to recapitalize the City Brownfields Revolving Loan/Grant Fund for clean-up work. These funds have been, and will continue to be, used to assess and remediate contamination at several sites in the city, catalyzing projects that benefit Portland’s residents and

businesses. This past year, the City provided \$2.6 million in loans and grants to Avesta for environmental remediation of their property at 89 Elm Street, enabling the development of approximately 200 units of affordable housing. The City recently requested supplemental funding from the EPA to recapitalize its remediation funding so that the City can continue catalyzing development in Portland.

Housing availability and affordability continue to be a focus of the Council's Housing and Economic Development Committee (HEDC) and City officials. The HEDC recently recommended to the City Council approval of the 2025 Affordable Housing Development and TIF Application, drafted by HEDD staff. The City Council will be asked to approve this at its April 28, 2025 meeting, making available an estimated \$858,048 for investment in affordable housing, together with access to the City's Affordable Housing Tax Increment Financing Program. Housing and Community Development staff continue to process applications for funding to assist in the creation of workforce housing. In 2024, the City Council approved the use of over \$2.7 million for projects that, when completed, will create 203 new units of affordable housing. Staff is currently evaluating a new application requesting Affordable Housing Tax Increment Financing, which, if approved, would create eight new units of workforce homeownership housing. Additional applications are anticipated once the 2025 application is approved. Several projects financed by the City in previous years have recently been completed and are now occupied by tenants, including two projects on Winter Street completed by Community Housing of Maine, the Equinox and Winter Landing.

The HEDD also is a steward of the waterfront as the City is a major contributor to its economic vitality with ownership of the Portland Fish Pier, Portland Ocean Terminal/Maine State Pier, and Ocean Gateway. As part of the Confined Aquatic Disposal (CAD) Cell project, an economic impact study was done in 2020 which detailed revenue and employment from 95 identified marine businesses that generate \$650,000,000 in revenue and employ 2,250. Construction of the CAD Cell was completed in March 2025, followed by dredging the City's Maine State Pier and Ocean Gateway, and private pier at Turners Island. This will be followed with dredging for private and public pier owners beginning later this winter.

The Office of Economic Opportunity (OEO), housed within the HEDD, works directly with marginalized communities to provide economic opportunities and essential resources that empower them to thrive. The office acts as a connector, bringing together community organizations, businesses, and government agencies to tackle key issues of economic opportunity. In 2024, OEO launched a new and expanded Natural Helpers Program with 25 state and local partners. Twelve individuals, each representing a different organization, dedicated over 60 hours of service over four months. Together, they directly impacted 150 people, educated 225 individuals on available resources, assisted 17 with housing needs, connected 24 community members to better job opportunities, and helped 34 individuals access healthcare and mental health services. In recognition of their efforts, they graduated with a Mayoral Certificate of Honor from Mayor Dion. The 2025 cohort of the Natural Helpers program is currently halfway through its four-month fellowship, with 13 new participants enrolled. This program follows national best practices aimed at making government services and programs more inclusive. It is built on a partnership between the City and community leaders to help connect minority communities to the resources they need, supporting them in achieving a stable and sustainable lifestyle in Portland.

The Office of Economic Opportunity also offers several public-facing programs designed to support the community. These include the Legal Aid Clinic, one of the few resources in Portland offering low bono or pro bono legal services. This clinic helps individuals, especially those from underrepresented or low-income backgrounds, access affordable legal representation, which can otherwise be difficult to obtain. The ESOL Collaborative brings together eight English language learners (ELL) practitioners from across Southern Maine. These practitioners offer English classes through various programs, including adult education and grassroots organizations like Root Cellar and In Her Presence, helping individuals improve their language skills and better integrate into the community. The Shop Around the World Initiative supports and promotes Portland's ethnic and minority-owned businesses by showcasing them at the Woodford's Corner Farmers Market. This initiative helps these businesses gain

visibility and connect with the broader community, offering them exposure they might not otherwise receive. Additionally, OEO recently received a grant from the John T. Gorman Foundation to expand and launch a new version of the Portland Professional Connectors Program, in partnership with the Portland Regional Chamber of Commerce. This program aims to provide workforce support and soft skills training to over 200 Portland residents, helping them build the skills necessary for career success.

Our Permitting and Inspections Department continues to see its workload increase. In FY24, we saw averages of more than 100 permits applied for each week, more than 250 inspections performed each week, more rental units added to the City, and business licenses continuing to be applied for in vacant storefronts. Those averages have continued through the first half of FY25. In the second half of the year, a new State Building Code was adopted and any permit applied for after April 7, 2025 will need to be compliant with the new code.

In FY24, permitting staff processed 5,432 building permits applications, and the City's five Building Inspectors performed 8,383 inspections. The Business Licensing office is consistently busy with new businesses and renewal business license applications. In FY24, staff issued 1,565 business licenses and performed 1,347 Health Inspections. That office also issued 92 Marijuana Licenses and performed 306 Marijuana Inspections.

In the Housing Safety Office, this division is required to collect data on more than 20,000 units, staff the Rent Board, and investigate illegal rent increases. This work is in addition to the safety inspections we conduct on rental units in Portland. The City's Housing Safety Inspectors performed 3,557 inspections in FY24. The Rent Control Office was staffed halfway through FY24. In the first half of the fiscal year, the Housing Safety Inspectors performed 109 inspections on reported Rent Control Violations. In the second half, the Rent Control Staff performed 2,415 unit inspections. These account for 44 complaints and 2,371 proactive inspections. The office issued Long Term licenses for 19,217 units. They also issued 904 Short-Term Rental unit licenses.

The Portland International Jetport continued its strong passenger growth in 2024 serving an all-time record 2.4 million total passengers, which was up 9.8% over the prior year. This was driven by seven all-time record months for passenger volumes, including six consecutive months from May - October 2024 during Maine's busy tourism season. The Jetport is currently served by eight airlines. These include year-round service from American, Breeze, Delta, Frontier, JetBlue, Southwest, and United; and seasonal service from Sun Country. Additionally, Avelo Airlines has announced it will commence seasonal service from the Jetport in May 2025. The Maine State Aviation System Plan was released in December 2024 and noted the Jetport provides an economic benefit to the state of \$1.175 billion, supporting over 10,000 jobs, and providing state and local tax revenues of \$86.5 million.

The Jetport continued its long standing industry recognition for exceptional customer service receiving the Airports Council International's Best Airport of Two to Five Million Passengers, Most Dedicated Staff in North America, and Easiest Airport Journey in North America. These recognitions wouldn't be possible without the strong support of Jetport projects by the City Council in 2024. The City Council appropriated local Jetport and federal aviation grant funds exceeding \$34 million in 2024 in support of important airfield safety, passenger accessibility, and building maintenance projects.

In FY25, the Sustainability Office conducted two successful rounds of Electrify Everything! Programming. DIY Electrify!, which launched in the spring of 2024, concluded on December 31. Its purpose was to provide incentives to low and moderate Portland residents with \$250 rebates toward the purchase of weatherization supplies or small electric appliances in order to reduce the use of fossil fuels and improve indoor air quality, especially in small apartments with poor ventilation. We were pleased to provide rebates to 191 residents, 74% of which were people who live in an apartment. We are currently in the midst of the second round of our popular Electrify Bikes! program, which covers 60% of the cost of an ebike for income eligible residents. By the end of June 2025, we anticipate helping an additional 35 residents get on a safe, locally purchased e-bike that will allow them to move about the city without driving a car.

During the past year we expanded the Sustainable Neighborhood program in order to help residents across the city build stronger connections with their neighbors. Research shows that neighborhoods where community members know each other fare better during a crisis and recover more quickly from storms and disasters. In September 2024, we created neighborhood block party kits and neighborhood clean up kits to provide two low barrier ways for residents to collaborate with each other. Residents who want to host a block party can borrow a kit that contains fun games, name tags, sidewalk chalk, amongst other things. The Sustainability Office helps the residents get a permit, if required, and helps promote the party to the neighborhood. Between Labor Day and mid-November, we supported 12 neighborhood block parties. If a resident wants to host a neighborhood clean up, we lend them a kit with supplies such as trash grabbers, bags, and gloves. If desired, we help the resident spread the word to neighbors about the pick up event. Upon completion, we coordinate with Public Works to collect the trash. We supported 10 neighborhood clean ups last fall. The Sustainability Office also coordinated a series of events to build raised beds in community gardens. In collaboration with Cultivating Community, we hosted four separate events that attracted more than 150 volunteers.

Later this spring we will launch our Neighborhood Micro-Grant program that will provide residents with a grant of up to \$400 to do a neighborhood based project that involves neighbors in a community action. This could be installing pollinator gardens, helping each other weatherize their homes, or building raised garden beds. We will provide some ideas, but residents will be encouraged to devise projects that are meaningful to them and their neighbors.

The winter storms in January 2024 helped focus the community on the impacts that climate change will have on Portland. We have placed a strong emphasis on educating City staff and community members about climate hazards and vulnerabilities. Internally, we convened the Resilience Working Group, which is an interdepartmental team with representatives from most City Departments who gather to discuss City infrastructure and ways to improve its resilience in the face of sea level rise and other natural hazards. This group will continue to meet in the upcoming year and lay the groundwork for a risk based asset management tool that will help us assess the vulnerability of City-owned assets such as roads, buildings, piers, and stormwater structures. To help the public better understand climate resilience we have met with numerous groups and held workshops with Portland Public School students, Leadership Portland, civic groups, and waterfront stakeholders. This work will continue in the upcoming year to lay the groundwork for the development of a community resilience plan in a subsequent year.

Furthering our commitment to our environment and open spaces, our Parks, Recreation and Facilities Department budget supports many community and Council priorities, from maintaining 67 parks and 30 city and school playgrounds, to the planting of 200 trees annually. The budget supports beautification and enjoyment of the city through the Parks Division, which oversees planting of perennial plants, tulip beds, urban meadows and orchards, oversight of eight miles of multi-use bike paths, and basic maintenance of our 67 parks and open spaces spread over 1,400 acres. The budget supports the Portland Youth Corps, which engages youth of diverse backgrounds in career exploration, service in our parks, and outdoor adventure. The budget also supports Recreational activities for the community such as the Before and After School Program with 1,000 participants, a youth basketball league with 500 participants, a Senior Adult program with over 500 participants, three city pools, and the Riverside Golf Course. Our Public Assembly Division runs our city venues and cultural institutions such as Merrill Auditorium, The James A. Banks, Sr. Portland Expo, Troubh Ice Arena, and Ocean Gateway. Our Custodial Division cleans all City buildings, and cleans our public park toilets daily. And our Cemetery Division budget supports maintenance and operation of 13 City cemeteries, including 11 historic cemeteries that are largely full, and Evergreen Cemetery and Forest City Cemetery which are still active and offer families a beautiful location to bury and remember loved ones.

CONCLUSION

I would like to thank Finance Director Brendan O'Connell and the Finance Department staff, Assistant City Managers Greg Jordan and Dena Libner, Human Resources Director Anne Torregrossa, and

389 Congress Street, Portland, Maine 04101 | 207-874-8689 | citymanager@portlandmaine.gov

Communications Director Jessica Grondin for their assistance in developing this budget recommendation and presentation, as well as the hard work and diligence of all of the Department Directors and their staff in developing their budget requests.

I'd also like to thank all City employees for all the work they've done in helping us address some extremely complex issues over this last year, as well as the exemplary municipal services they continue to provide each and every day. I'm proud of how we all worked together to keep our community strong.

Finally, I'd like to thank the Council for advising us on your priorities and working collaboratively as we prepared and now review this recommended budget and discuss various policy options mentioned above in more detail in the weeks ahead.

Sincerely,

Danielle P. West
City Manager

CITY OF PORTLAND, MAINE

**ORDER AUTHORIZING THE CITY MANAGER TO ENTER INTO CERTAIN
AGREEMENTS TO IMPLEMENT THE FISCAL YEAR 2026 HUMAN RESOURCES
AND CERTAIN FRINGE BENEFITS BUDGETS**

WHEREAS, each year, the City of Portland enters into agreements to obtain services that the Human Resources Department requires to administer various City programs and benefits, which benefits and programs are provided for in the City budget; and

WHEREAS, the Human Resources administrative budget includes funds for services such as professional coaching and training; physical fitness testing and written examinations as required by the Employment Subcommittee of the Civil Service Commission; and similar professional services; and

WHEREAS, the Human Resources benefit budget includes contracted services for claims administration for its health plan, administration of other benefits, administration of the City's wellness program, benefits brokerage and consulting services, and similar services necessary to administer the City's health and benefits programs; and

WHEREAS, the Human Resources workers' compensation budget includes contracted services for claims administration, drug and alcohol testing, safety related consulting services, and similar services necessary to implement the City's workers' compensation, drug testing, and safety programs;

NOW, THEREFORE, BE IT ORDERED, that the City Manager is hereby authorized to enter into such agreements as necessary to implement the programs provided for the Human Resources budgets.

**ORDER APPROVING THE FISCAL YEAR 2026
SELF-INSURED LIABILITY PROGRAM**

ORDERED, that pursuant to Article VII, Sec. 15 of the Portland City Charter there is hereby established a Cumulative Reserve Fund for the purpose of enabling the City to pay losses under its self-insurance program or incurred under any deductible insurance policies, which fund shall continue from year to year and shall not lapse as provided in Article VII, Sec. 7 of the Charter; and

BE IT FURTHER ORDERED, that pursuant to 14 M.R.S. Sec. 8116, the City Council of the City of Portland hereby states that the City of Portland has self-insured (to the extent set forth herein) against the obligations and liabilities imposed by the Maine Tort Claims Act (hereinafter the "Act"):

1. The Council has, and may from time to time, set aside funds in an account identified as "Liability" to be added to funds previously appropriated and held in reserve, all of which funds have been designed to enable the City to meet the obligations imposed by the Act; and to implement its self-insurance program, including but not limited to, the costs of administration of the program, investigation of claims, and of defense of claims against the City, its officers and employees;
2. The limit of liability assumed by the City is the \$400,000 required by the Act, as it may be amended from time to time, notwithstanding the fact that its appropriation or reserve may exceed the statutory limit of liability;
3. The scope of coverage is limited to those areas for which governmental immunity has been expressly waived by 14 M.R.S.A. Sec. 8104-A, as limited by 14 M.R.S.A. Sec. 8104-B, and 14 M.R.S.A. Sec. 8111. Liability coverage shall not be deemed a waiver of any immunities or limitation of damages available under the Maine Tort Claims Act, other Maine statutory law, judicial precedent, or common law; and
4. The fund shall be administered by the City Manager and Corporation Counsel who shall settle all claims and pay all judgments for which the City may be legally liable under the Act or under the law of any jurisdiction to which the City, its officers or employees may be subject.

FROM: Brendan T. O'Connell - Finance Director
DATE: May 12, 2025
SUBJECT: **FY26 Budget Frequently Asked Questions and Answers**

During the past several months and budget cycles the City has fielded many questions from residents of the City and members of the City Council in regards to the annual budget process. Many of these questions have come up repeatedly via phone, email and in person over the years. This memo is intended to summarize responses to many of the frequently asked questions ("FAQ"). This document will be updated as the FY26 budget process progresses with responses to any new frequently asked questions from the Finance Committee, City Council and public.

Question 1: What is the breakdown of the tax rate between City and School operations? Is it 50/50 between the City and Schools? (updated 5/12/25)

The overall City of Portland approved tax rate for FY25 is \$15.01 and the breakdown is not 50/50. The City tax rate was \$6.57 (43.8% of approved tax rate), the County tax rate was \$0.56 (3.7% of approved tax rate) and the Portland Public Schools tax rate was \$7.88 (52.5% of approved tax rate). Although the FY26 tax rate will not be available until midsummer 2025, the proposed tax levies from the City Manager's Recommended budget and the Portland Public Schools Board Approved budget can be used to estimate the breakdown between the City, School and County (see below). The breakdown is remaining largely unchanged for FY26 as proposed:

FY26 City Manager's Recommended Tax Levy - \$106,347,736 (43.83% of total)
FY26 Cumberland County Tax Levy - \$9,082,446 (3.74% of total)
FY26 Portland Public Schools Recommended Tax Levy - \$127,225,979 (52.43% of total)

Question 2: The City received significant Federal COVID relief funding (American Rescue Plan Act Funds) which was required to be appropriated by 12/31/24 and is required to be fully spent by 12/31/26. Can you provide an update on these deadlines? (updated 5/12/25)

The City has remained in full compliance with all American Rescue Plan Act (ARPA) obligation and spending deadlines. 100% of our funds (\$46,290,652.00) were obligated via contract and reported as such within the US Treasury Reporting Portal as of 12/31/24. Just under \$40M of the City's ARPA

allocation had been spent as of the December 31, 2024 reporting deadline. The remaining \$6.3M of funds are scheduled to be spent over the next 12-15 months, and the Finance Committee will receive a complete update by project at their first summer 2025 meeting.

Question 3: Can you provide additional information regarding impacts of changes to the combined tax rate / mill rate? For example, what amount of increase to the tax levy (in dollars) is equivalent to a 1% increase? (updated 5/12/25)

The FY25 combined mill rate for the City is \$15.01 based on a total tax levy of \$227,318,310. Based on these FY25 figures, and FY25 estimated local assessed valuation of 15,145,000,000:

- For every \$151,145 of increase to the tax levy the tax rate would increase by \$0.01.
- For every \$2,273,189 of tax levy increase the tax rate would increase by 1%

Question 4: The State of Maine equalized valuation for Portland is over \$18B but the local assessed value in FY25 was only \$15B. What is the difference between these values and how do they impact my taxes? (updated 5/12/25)

The State Equalized Valuation (SEV) is used as the basis to apportion the county tax, state-municipal revenue sharing, road assistance (highway block grants), general assistance grants and, the largest piece, state aid for education. It is also used by some utilities, such as the Portland Water District in its assessment of wastewater fees to municipalities.

State aid is vital to our municipal finances. The formula used to calculate the various municipal shares of state aid employ a variety of variables, including valuation of taxable property. For the state aid to be distributed equitably, the variables used in the formulas must be consistent; that is, the valuation figures must reflect the same percentage of market value for every municipality. Municipalities are required to assess at no less than 70% of true and just market value for property tax purposes, but within that constraint there is great variability. Through the process known as State Equalized Valuation, Maine Revenue Services develops annually an equalized value of every organized municipality and the unorganized territory. The finished product reflects the 100% taxable value for the municipality but does not represent the actual valuation used within the municipality which can vary widely between different municipalities.

- The City has not appealed or challenged the State Equalized Valuation. We agree with their analysis and their final value and would have a difficult time proving they are incorrect.
- The current State Equalized Valuation is based on actual property sales on an approximately 1-2 year lag. Sales prices have risen continuously over the last several years so we know our SEV will continue to rise. Our 2025 State Equalized Valuation was \$18,568,850,000 - and assuming these figures are 1-2 years old, we know current market values are even higher.

- The reason the City used the \$15B+ in its estimated FY25 projection is because this was our estimate at the time the budget was compiled of the amount of actual value that local taxes would be levied against. The State's Equalized Value is not used to levy local property taxes, it is a lagging indicator of what the actual 100% valuation should be. There is a wide difference between the two and this is one reason why we are performing our current revaluation.
- While the State "certifies" their equalized value, this is only an aggregate total based on a sales ratio study of market data from the preceding 18-24 months. The State does not apportion or allocate individual uniform values to the 24,000+ parcels that make up the City of Portland.
- Our revaluation process will update the local assessed values in a manner that is fair and equitable to all property owners. For more information on the current City revaluation, please visit our [Revaluation](#) page

Further information on SEV can be found:

[Maine Revenue Services](#)

[Rule 201 - Rules of Procedures Used to Develop State Valuation](#)

Question 5: What external organizations receive funding as part of the annual operating budget?

The organizations listed below receive significant annual funding as part of the annual operating budget. We have added detail of each organization and the amount of expenditure below. The list does not include organizations which are under contract for provision of core services within our City Departments (aka vendors).

[Cumberland County](#) has assessed an FY26 tax of \$9,082,446 to the City of Portland. The City has very limited control over the amount that is assessed by the County and receives very few services in return. County tax represents approximately 8% of the overall municipal portion of the tax rate and is shown separately within the City budget overall.

[The Portland Public Library](#) is being recommended for funding of \$5,136,495 in FY26. The Portland Public Library is a component unit of the City. A component unit is a legally separate entity for which a primary government is financially accountable. It serves as a unit of accounting definition, ensuring comprehensive financial reporting. The Portland Public Library funding represents approximately 4.4% of the overall municipal portion of the tax rate and is shown separately within the City budget overall.

[Greater Portland METRO](#): On October 24, 2024, Metro's Board of Directors unanimously approved the 2025 budget and municipal assessments. The City has 30 days to reject the METRO budget, but this does not typically occur since the City has 5 seats on the METRO Board. Acceptance of the annual METRO budget and local assessment by the City is achieved either through formal council action (or no action at all. METRO will receive an assessment of \$2,999,507 in FY26 and their Regional Transportation Program is budgeted for an additional \$70,000. The METRO Assessment is shown separately within the City budget overall.

[Creative Portland](#) receives \$200,000 within the Housing and Economic Development budget (funded via a contribution from the Downtown area wide TIF). When the Downtown TIF was approved, Creative

Portland was included as an eligible expense. [In 2023 the City Council passed a set of amendments](#) to the Downtown TIF that increased the potential annual maximum Creative Portland funding to \$200,000. The Creative Portland funding is included within Housing and Economic Development.

The **Memberships/Contributions Department** within the City's overall budget houses many smaller contributions to other organizations within our **Contributions** budget line. The following organizations receive funding within the Contributions budget:

[Greater Portland Council of Governments \(GPCOG\)](#) is budgeted for dues of \$148,000 and an additional local match request of \$40,000 for a total of \$188,000 in FY26 budgeted funding. The City has 1 member on GPCOG's 12 member Executive Committee. Membership is not required and the City could withdraw at any time. However, continued membership is being recommended as part of the FY26 budget.

[Portland Media Center](#) is being recommended for funding of \$187,000 in FY26. This amount has increased each year since FY22 when PMC funding was at approximately \$112k annually.

[Portland Harbor Commission](#) is being recommended for funding of \$87,550 in FY26. The Portland Harbor Commission consists of five representatives charged with the responsibility of regulating navigation and commerce within Portland Harbor. The Commission's authority results from various private and special laws passed by the Maine Legislature. The Commission includes two members appointed by the City of Portland, two members appointed by the City of South Portland, and one member appointed by the Governor representing the State of Maine. The \$87,550 represents 50% of the requested municipal contributions - an additional \$87,550 was requested from South Portland for FY26.

[Maine Municipal Association:](#) The contributions budget also includes the City's membership dues of \$93,500 for the Maine Municipal Association (MMA). MMA provides incredible value to the City across a broad variety of areas including insurance, workers compensation, risk management, legal services, State and Federal advocacy, trainings, and more.

[Peaks Island Council:](#) The Peaks Island Council, as established in Article IV of Chapter 9 of City Code, may make recommendations of funds designated or appropriated by the City or received from other sources for transportation or parking initiatives or other purposes. Their annual request is received and approved by the Council within a standalone order each fiscal year, funding for a variety of island support items. The funding for FY26 is remaining flat at \$45,000.

Question 6: Can staff provide details on how fundraising works in relation to the City's operating budget? Are there limitations on what items can be supplemented by fundraising? (updated 5/1/2022)

The City's spending of operating budget funds is authorized by an overall appropriation resolve passed during the City budget process. For programs supported either fully or partially via donations, the City

budgets for the full amount of program expenditures within the appropriation resolve and also includes an estimate of the offsetting revenues in the resolve. City staff would be required to come back to City Council with an additional appropriation order if additional expenditures were required above and beyond what was already approved in the appropriation resolve. For example, if the City's overall operating budget was \$1M, and the City needed to launch a new \$50,000 program (supported by donations) midway through FY22 pushing total spending to \$1.05M the City Manager would bring a new appropriation order to Council asking the Council to appropriate the additional \$50,000 in donations, raising the overall appropriation to \$1,050,000.

None of the programs currently being suggested for fundraising (in HHS, Parks & Recreation) have any restrictions that staff is currently aware of, but we would do further research before launching any specific new campaigns for any specific program or item.

Question 7: The City has a strong fund balance policy which aligns with municipal government best practices of maintaining at least two months (16.66%) of general fund expenditures in unassigned fund balance. Will the use of the recommended \$8.8M of unassigned fund balance in the FY26 budget jeopardize compliance with our fund balance policy? (added 5/12/25)

Unassigned fund balance is most accurately measured at the end of each fiscal year after annual operating results have been finalized and a set of financial statements have been audited. As of 6/30/24, the City had an unassigned fund balance of approximately 19% of FY24 general fund expenditures (a surplus above the 16.6% policy of just over \$10M). Furthermore, the City budgeted for use of \$4.2M of fund balance in FY25 which is NOT expected to be needed due to other revenues outperforming budgeted estimates. This \$4.2M will increase unassigned fund balance as of 6/30/25. Finally, current year operating expenditures are trending towards at least 2% lower than budget, further increasing the unassigned fund balance expected at 6/30/25. Even after accounting for other anticipated City Council needs (CIP and various other anticipated uses of fund balance) staff expects the unassigned fund balance to be at or above policy of 16.66% as of 6/30/25.

Question 8: What property tax relief programs are available to City residents? What are the income limitations on the Property Tax Stabilization Program and the Portland Senior Tax Equity Program (P-STEP)? (updated 4/26/23)

The City has a Tax Relief web page (<https://www.portlandmaine.gov/259/Tax-Relief>) dedicated to our various property tax relief programs. Many of the programs we offer are only permitted by State law and we must follow the rules they provided for allowable municipal programs (listed below):

- PROPERTY TAX STABILIZATION PROGRAM FOR SENIOR CITIZENS
- MAINE PROPERTY TAX DEFERRAL PROGRAM
- PORTLAND SENIOR TAX EQUITY PROGRAM (P-STEP)
- MAINE HOMESTEAD EXEMPTION PROGRAM

- BUSINESS EQUIPMENT TAX REIMBURSEMENT (BETR)
- BUSINESS EQUIPMENT TAX EXEMPTION (BETE)
- MAINE INDIVIDUAL INCOME TAX - PROPERTY TAX FAIRNESS CREDIT
- BLIND EXEMPTION
- VETERANS EXEMPTION
- SURVIVING SPOUSE, MINOR CHILD OR WIDOWED PARENT OF A VETERAN
- CURRENT LAND USE PROGRAMS (Farmland, Open Space, Tree Growth, and Working Waterfront)

We recommend referring to the City's Tax Relief web pages (and applicable State web pages) for details around qualification criteria and income limitations on each program. However, as of 4/26/23 there were no income limitations within the **State of Maine Property Tax Stabilization program for Senior Citizens**. For the **Portland Senior Tax Equity Program (P-STEP)** applicants must have received a Maine Property Tax Fairness Credit in the year of the P-STEP application. An excerpt from the form detailing income limitations on the 2022 State Form PFTC is below:

Who is eligible?

You may qualify for a **refundable Property Tax Fairness Credit** up to \$1,000 (\$1,500 if you are 65 years of age or older) if you meet all of the following:

- You were a Maine resident during any part of the tax year;
- You owned or rented a home in Maine during any part of the tax year and lived in that home as your principal residence during the year;
- Your total income during 2022 was less than the amount shown in the table below for your filing status and the number of qualifying children and dependents you claim:

If your Filing Status is:	AND Form 1040ME, line 13a is:		
	0	OR 1	OR more than 1
	Your income must be less than:		
Single	\$55,000	\$55,000	\$55,000
Head of Household	\$70,000	\$70,000	\$86,250
Married filing Jointly or Qualifying Widow(er)	\$70,000	\$86,250	\$86,250

- You paid property tax on your home (principal residence) in Maine during the tax year that is greater than 4% of your total income **or** you paid rent on your home (principal residence) in Maine during the tax year that is greater than 26.67% of your total income. **Note** that the amount of property tax or rent you can include may be limited. See line 7 on Schedule PTFC/STFC.

You may qualify for a **refundable Sales Tax Fairness Credit** up to \$240, depending on the number of qualifying children and dependents on Form 1040ME, line 13a, if you meet all of the following:

- You were a Maine resident during any part of the tax year;
- Your total income during 2022 was not more than \$27,850 if filing single; \$44,050 if filing head of household; or, \$54,700 if married filing jointly or qualifying widow(er).

See the line 13 instructions below for more information.

Question 9: Are we able to create a discounted parking program for low to moderate income downtown workers? Either lower meter rates or lower City garage rates? (added 5/4/23)

We have not seen anything in any other municipalities regarding discounted meters for downtown workers. However the City has the benefit of owning several downtown garages and we have an existing **Park and Work** program. The purpose of the Park and Work program, since its inception about 30 years ago, has been to provide access to discounted parking for low to moderate income employees, or to unpaid volunteers. Portland Downtown's Park & Work Program, administered in partnership with the City of Portland, offers half-priced, hourly parking in the city-owned Spring Street & Elm Street garages to low-to-moderate-income employees and unpaid volunteers. It is designed to ease the financial burden of parking expenses.

Effective January 2025, key program changes include:

- Increased income eligibility from 50% to 80% of the Area Median Income (AMI),
- An extended parking time limit from six hours to nine hours, and
- The introduction of QR codes, which can be scanned upon exiting participating garages.

Each QR code costs \$6, providing 3 hours of parking at \$2 per hour, compared to the standard rate of \$4. Eligible workers can use up to three QR codes at once, allowing them to park for up to 9 hours a day at half price, for a total of \$18. QR codes are available for purchase through Portland Downtown during regular business hours – please email info@portlandmaine.com for assistance.

Please visit the [Portland Downtown Park & Work](#) program page here for more information

Understanding that discounting parking when it is at a premium does not make the most sense economically, Portland Downtown continues to partner with the City of Portland and other transportation partners on a multi-modal transportation marketing campaign to inform the public of options other than driving a car and parking downtown. Once here, it is very easy to walk, bike, bus, etc. in downtown, so we're excited to explore and share options.

Question 10: How many full time employee vacancies are in each department and how have these vacancies been factored into the FY26 budget? (added 5/12/25)

HR has been working hard to create and maintain a vacancy report. The first chart below shows the progress the City has made in filling vacancies over the course of FY25. The data below is as of March 31, 2025 and we have decreased vacancies down to just 170.31 as of that date from a high of 205.82 back at the start of the fiscal year.

A breakdown of vacancies by Department is listed below:

DEPARTMENT	JULY 2024		APRIL 2024	
CITY CLERK	1.00	12.20%	0	0.00%
CITY MANAGER'S OFFICE	1.00	7.69%	2	15.38%
ASSESSORS	1.00	14.42%	0	0.00%
FINANCE	2.00	6.99%	0	0.00%
LEGAL	1.00	11.11%	1	11.11%
HUMAN RESOURCES	2.50	16.13%	2	12.90%
PARKING	0.20	0.67%	1.25	3.90%
ECONOMIC DEVELOPMENT	0.00	0.00%	0	0.00%
POLICE	31.00	16.23%	31	15.71%
FIRE	0.00	0.00%	3	1.22%
DISPATCH	13.00	35.14%	14	37.84%
PLANNING	1.00	5.88%	0	0.00%
PERMITTING & INSPECTIONS	1.00	2.50%	1	2.50%
JETPORT	5.00	8.06%	7	11.29%
IT	1.00	5.26%	3	15.00%

PUBLIC WORKS	23.00	12.96%	15	8.45%
PARKS, REC & FACILITIES	19.98	12.27%	14.4	8.71%
HEALTH & HUMAN SERVICES	65.42	24.33%	51.87	19.08%
BARRON CENTER	33.95	16.75%	29.1	13.52%

Prior to the FY26 City Manager's Recommended Budget, no estimate for vacancy/turnover savings had been factored into each budget. Departments requested 100% of the funding needed to fully fund 100% of their positions all year long. For FY26, the City utilized multi-year trends to analyze whether each Department historically had true savings as a result of position vacancies. In excess of \$1.3M was identified across all City Departments. However, in several instances (parts of Public Safety, Public Works, and Parks & Rec) having vacant positions results in higher costs to the City due to the need to fill scheduled shifts at overtime rates (i.e. remaining employees who have already worked a full week being paid to fill vacant shifts at 1.5x their regular rate of pay). In these instances, vacancy savings were not applied. In other instances, there is revenue loss related to staff vacancies (the Barron Center is the best example of this) and vacancy savings were not applied.

FY26 City Manager's Recommended Budget

Presentation to Finance Committee - April 15, 2024

Budgeting 101 - Definitions

The City of Portland **Budget** is a fiscal plan setting out anticipated revenues and expenditures for accomplishing City services over the course of our fiscal year (which runs each July 1st through June 30th). Setting an annual operating budget is required by the [City Charter](#).

The City budget includes both the **general fund** and several **enterprise** funds.

Budgeting 101 - Definitions

The **general fund** is the largest of the City's funds and includes funding for basic municipal services such as public safety, health and human services, and public works. The general fund is supported by property taxes and a variety of other sources including excise taxes, licenses and permits, State of Maine revenue sharing and general assistance reimbursement, charges for services from City Departments and more.

The FY26 City Manager's Recommended general fund operating budget is \$285.1M

Budgeting 101 - Definitions

The **enterprise funds** are self supporting funds that rely on their own revenues to support their expenditures. They do not utilize any property tax revenue to support their operations. The City currently has four enterprise funds totaling \$76.6M:

- Jetport Enterprise Fund (\$37.8M)
- Sewer Enterprise Fund (\$34.9M)
- Stormwater Enterprise Fund (\$7.4M)
- Fish Pier Enterprise Fund (\$418k*)

* Fish Pier Enterprise fund will include Portland Fish Exchange (PFE) for FY26 - PFE budget pending Fish Pier Authority approval

Tax Levy vs Tax Rate

TAX LEVY: The City Council sets the tax levy during budget approval, not the tax rate. The City **tax levy** is the amount of property taxes required to be collected from Portland property taxpayers to fund municipal operations.

TAX RATE (aka MILL RATE): The City Assessor uses the property tax levy approved by the City Council and divides it by the total taxable valuation of the City to come up with the final tax rate (also known as the mill rate or the millage rate) per \$1000 of assessed value. The tax commitment and rate setting process usually does not occur until midsummer. Tax rates shown during the budget process are ESTIMATES.

Tax Rate: Difficult to Predict, Especially for FY26

The **tax levy increase** is typically HIGHER than the **tax rate increase**. As new property is built in the City, a larger base of taxpayers shares the overall cost of the tax levy, thereby reducing the individual tax burden.

Tax Rate: Difficult to Predict, Especially for FY26

The FY26 tax rate is not set until the final tax commitment during in the summer of each year.

Currently, there is a City-wide revaluation effort underway. This will change the base values for all homes across the City and will have a corresponding reduction to the property tax rate as assessed values are equalized to market values.

Factors that will impact a property taxpayers bill in FY26: the change in property tax levy (7%), the valuation increase on a property taxpayers home (varies by property), and the total City-wide valuation increase. If a taxpayer's property value rises at a lower percentage than the overall average for the City, their share of property tax will be lower than it was prior to the revaluation.

Revaluation: Does not Change Tax Levy

One important thing to note - although the revaluation is expected to result in a City-wide increase in home values, **IT DOES NOT RAISE ADDITIONAL PROPERTY TAX REVENUE.** It simply distributes the existing approved tax levy more equitably across all property taxpayers. Although assessed valuations will rise, there will be a corresponding reduction the tax rate, resulting in the same amount of overall tax levy to be collected.

The revaluation WILL change the median home value, and Finance does not yet have an estimate of what the new median and average home values will be after completion of the revaluation. However, I'm including data from 2024 on the following slide.

Budgeting 101 - Median Assessed Home Value

We typically present the impact of each budget proposal on the **median** homeowner in Portland. What does this mean?

The **median** is the value separating the higher half of a data sample, a population, or a probability distribution, from the lower half. In simple terms, it may be thought of as the "middle" value of a data set. For example, in the data set {1, 3, 3, 6, 7, 8, 9}, the median is 6, the fourth number in the sample. The median is a commonly used measure of the properties of a data set in statistics and probability theory.

The **median home value** is the median assessed value of single family homes in Portland (including residential condominiums but removing separate parcel boat slips and separate parcel parking spaces) was \$371,900 and the average was \$420,328 as of Jan 2024.

City of Portland Budgeting 101 - Revenues

The City of Portland budget is funded by a variety of revenue sources. Portland's budget is one of the most diverse budgets in New England and is approximately 60% funded by non-property tax revenue sources.

The FY26 budget includes total revenues of \$285.1M, total estimated non-property tax revenues of \$165.5M, and a required municipal property tax levy of \$115.4M.

It is worth noting that our estimated non-property tax revenues DECREASED for the first time in a long time from FY25 to FY26, due in part to the very large projected decrease in intergovernmental (State/Federal) revenues.

City Manager's
Recommended Budget
"Blue Book" Summary:
What is included for FY26?

- Transmittal Letter from City Manager
- FY26 Comparative Budget Plan
- FY26 Non-Tax Revenue by Department
- FY26 Tax Levy by Budget Category
- FY26 Staffing FTE Change

City of Portland Budgeting 101 - Revenues

City General Fund Revenues

	FY25	FY26	FY26 CM Rec / FY25 \$ +/()
31 Property Taxes	\$107,915,686	\$115,430,182	\$7,514,496
31 Other Local Taxes	2,320,022	4,228,477	1,908,455
32 Licenses & Permits	7,430,794	8,619,540	1,188,746
33 Intergovernmental Revenue	33,937,410	21,959,353	(11,978,057)
34 Charges for Services	43,475,199	48,177,619	4,702,420
35 Fines, Forfeits and Penalties	2,396,804	2,587,135	190,331
36 Use of Money and Property	17,230,269	18,291,950	1,061,681
39 Other Sources	57,520,587	57,003,510	(517,077)
Fund Balance Use / (Restoration)	4,200,000	8,800,000	4,600,000
Total General Fund Revenues	\$276,426,771	\$285,097,766	\$8,670,995

City of Portland Budgeting 101 - Revenues

31 - Property Taxes - This is the total amount of property taxes required to be collected to support municipal operations

31 - Other Local Taxes - This category includes Excise Tax revenue and a revenue offset due to required Tax Increment Financing (TIF) payments and districts.

32 - Licenses and Permits - Business license revenue, permitting & inspections revenue, limited other Department permits etc.

33 - Intergovernmental Revenue - State & Federal revenue including State of Maine revenue sharing, general assistance reimbursement, grant revenues and more.

City of Portland Budgeting 101 - Revenues

34 - Charges for Services - Where you will find majority of Department revenues via charge for services they provide (examples include Parks & Rec program fees, berthing fees, and HHS clinic fees etc).

35 - Fines Forfeit Penalties - This category includes parking tickets and boots, code violation fees including restaurant inspection violations and more.

36 - Use of Money and Property - Parking meter income, parking garages income, rental income, interest income.

39 - Other Sources - Debt service reimbursement and other reimbursements from enterprise funds, employee contributions for benefits and various other misc.

City of Portland Budgeting 101 - Fund Balance

Fund Balance Use / Restoration - Although we typically reserve fund balance use for one time expenditures (such as those included within the Capital Improvement Plan budget), we have in recent years begun using fund balance to close budget gaps.

Fund balance is only recommended for use when we have a **surplus** fund balance (i.e. a balance above our stated fund balance policy thresholds) and typically in situations where the use of fund balance is not expected to continue for multiple fiscal years.

The amount of fund balance being currently recommended for use within the FY26 City Manager's Recommended Budget is \$8.8M. Some additional options have been provided for committee consideration to reduce this amount further.

State Reimbursement of City General
Assistance Compliance Costs
FY 2023 to Present (in millions)

FY26 Budget Challenge #1A: State of Maine Limiting Emergency Housing Assistance to 3 months

- Governor Mills Budget: Appears to propose cutting off emergency rental assistance after just 3 months, **putting 592 households in Portland at risk of eviction from their housing.**
- This change could result in the City having to address this cost shift in its annual budget, and it may also result in landlords no longer wanting to work with cities/towns knowing they can only receive a guarantee of 3 months of assistance.
- The State of Maine has indicated this will be a \$10M annual savings to their budget if enacted. The impact to Portland is estimated to be \$3M or more.

FY26 Budget Challenge #1A: State of Maine Limiting Emergency Housing Assistance to 3 months

- Currently the City requests State reimbursement for actual eligible congregate sheltering costs incurred (up to \$87/night at the Homeless Services Center). Many shared costs (food, utilities etc) and guests with assets are already ineligible for any reimbursement from State.
- The State is proposing a MAXIMUM per bed night reimbursement of \$30.80 per bed night (70% of \$44/night). This puts our provision of 212,795 nights of municipally operated shelter at risk of service reductions and could represent a loss of up to \$3M in funding.
- It is important to note that City staff have been working to reduce GA costs over the last several years and have been very successful in providing more cost effective service. Despite major increases in service levels and number of shelter bed nights needed, the City has reduced budgeted costs by over \$30M since FY23 while increasing our capacity to shelter those in the region.

Questions & Answers

FY26 Budget and Development Plan

Portland Downtown stimulates a thriving, vibrant & sustainable downtown community

FY25 Highlights

- Monument Square Tree Cam
- Mission 3/65
- 2/07 Day + Governor Proclamation
- Increased success in our cadet program
- Graffiti fighting partnership with Audet Enterprises
- Partnered with Milestone HOME Team & CommonSpace
- Public Restroom in Congress Square
- Crosswalk Activation, con't
- Park(ing) Day
- Downtown Worker Appreciation Day
- Merry Madness
- Increased Seating Downtown
- Increased Planters
- No Parking on Monument Square

Fiscal Year 2026

- FY26 increase is largely for Ambassador service
- Supplemental Services staff increase
- Continued funding for various social service partners
- Continued cadet program
- Continuing our new mural program
- Funding for public restroom

Notes on FY26 Budget

- Enhanced Space Activation Work
- Continued events calendar
- Visitor Information Booth will also include Ambassadors
- Continued social service partnership
- Continued graffiti efforts, now managed by Ambassadors
- Continued focus on empty spaces in Arts District

FY26 Development Plan

- Strengthen outreach & relationship building
- Grow advocacy efforts
- Continue to expand mural program
- Further engage downtown residential community
- Monument Square efforts continue - Market & produce (?)
- Public Restroom efforts continue
- Age-Friendly Business efforts continue
- Grow Placemaking efforts

Strategic Plan Guiding Principles

- Portland Downtown is a community builder
- Portland Downtown is a key advocate for the downtown community
- Portland Downtown is a strong partner & collaborator
- Portland Downtown strives to be increasingly environmentally sustainable
- Portland Downtown believes in organizational sustainability

Addressing the Change in our Community

Increased Challenges

Increase in Needle Waste

- this has made the community concerned & feedback from tourists is negative

Increase in trash

- trash isn't picked up after apx 1pm.
- Current Public Works team spends MUCH more time addressing this, thus unable to do other things that were once "supplemental"

Echoing Urban Place Management & Best Practices for Street Teams

Two major national suppliers
Hire Local/Local job creation

- **Understanding of Recruitment, Screening and Hiring**
- **Great training, specific to Portland Downtown's Ambassador work**
- **Employee Support**
- **Quality Assurance**
- **Great Customer Communication**

ENVIRONMENTAL MAINTENANCE

- Litter collection (manual)
- Graffiti removal
- Weed abatement
- Special projects (painting, mulching, etc.)
- Landscaping (planting, watering, pruning)

SAFETY

- Patrol on foot, bike or vehicle
- Proactively engage and deter low level quality of life behaviors (panhandling, loitering, illegal vending, etc.)
- Engage unhoused persons to connect them with services
- Use technology to document engagements with persons and incidents
- Interact with businesses to share district and safety information
- Serve as a resource to and share information with local law enforcement
- Continually engage the public to create positive experiences

Outreach

- **Identify those in need, directs them to services and agencies to meet their needs**
- **Work toward establishing a mutual respect so as to reduce the public nuisance perception of homelessness**
- **Establish relationships with the city, county, and state agencies that are in place to respond to the needs of the homeless and neediest of your community**
- **Use technology to document engagements with persons**

OPERATIONS

DEPLOYMENT

Carefully orchestrate all details of daily operations to maximize the investment into staff and equipment.

OPERATIONS MANAGER

The operations manager is responsible for applying the best practice operating model locally and serves as the “quarterback” of day-to-day operations and service strategy.

EQUIPMENT

Equipment is selected to improve efficiency and further the visibility of the organization. Your investment into equipment is only useful if it's part of daily deployment. Strong maintenance procedures put in place to extend the life expectancy of equipment.

TRAINING

24 Hours of New Hire Training

Monthly Safety Talks

Bi-weekly Training

Active Shooter

Warm Weather Awareness

Management Courses

Leadership Development

HR Huddles

Annual Connect & Share

Hospitality Habits

CULTURE

► CREATING A CULTURE

- Work should be fun and interesting. Our philosophy when working with employees is to "treat employees as we want to be treated."

► BENEFITS

- Benefits are essential to retaining employees. All employees receive quality health and dental insurance, paid vacations, life insurance, 401 K, and birthday pay.

► REWARDS & RECOGNITION

- Rewards and recognition program to reinforce great performances on a weekly, monthly and annual basis.

Page 117

Telling the story

- Board Ready Reports
- Incident & Maintenance Reports
- Stats Tracking & Variances
- Business Contact Database
- Mapping (walk paths/heat/incidents)
- Supervisor Module + Quality Assurance
- Persons of Interest

Innovation & Creativity

BEST PRACTICES

CONTINUAL PROGRAM EVOLUTION

Fiscal Year 2026 Budget

Sarah Moore

Executive Director

**PORTLAND
PUBLIC
LIBRARY**

Portland Public Library (PPL) & the City of Portland

- PPL is a **component unit** of the City of Portland
 - Component Unit – a legally separate organization for which the City is financially accountable
- The library is **not a government entity**
- PPL is a **nonprofit corporation** founded in 1867.
 - The library is **exempt from income taxes** as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- PPL has a **Board of Trustees** which is **not appointed** by the City Council.
- PPL is **financially dependent upon the City**.
 - The City owns all the **land and buildings** in which the library operates public facilities.
 - The City provides **support services** to the library.
 - The City provides significant **financial support** to the library.
 - The City's financial statements would be incomplete without the inclusion of the library as a discretely presented component unit.

The Importance of Libraries

- **Trusted & shared** resource
- **Cultural** Center
- **Community** space
- Pillar for **Intellectual Freedom** and **Freedom of Speech**
- Create opportunities for **lifelong learning & growth**

PPL is the **heart** of Portland

FY 2024 – *The Other Numbers*

Photo from public programing at PPL Riverton Branch
2024

- **4,782** new borrowers
- **1,321** programs hosted
- **22,924** program attendees
- **36,143** questions answered
- **593,346** items circulated
- **35,764** public computer sessions

PPL Supports the City

• Portland Public Schools

- Safe space for PHS students with access to computers
- Dedicated Staff support teen developmental growth
- Host King Middle School for their 8th grade Four Freedoms program
- School visits from the Bookmobile
- Organize and promote summer reading, supporting literacy throughout the summer months
- Riverton Branch acts as the school library for Talbot Elementary School

• Portland Residents

- Enrichment activities for all ages
- Trusted source for information and resources
- Community Hub and Cultural Center
- Rotating art exhibits

• Vulnerable Populations

- Since January 2025 – Reversed 9 overdoses, made 27 connections to Spurwink, and identified 15 people in crisis for Maine Behavioral Health
- PPL acts as a warming shelter and cooling center
- Provide a comprehensive directory of local resources
- Collaborates with the City's Homeless Services Center

Every Dollar **Maximized**

For every \$1 contributed to PPL by the City of Portland in 2024, residents in Portland received more than \$2.92 in value*

In 2024, PPL

- Assisted 2,122 **asylum seekers** with through our partnership with Hope Acts
- Visited 889 **seniors** through our Outreach program
- Engaged 1,277 **caregivers & babies** in early-literacy activities
- Offered 631 **free passes** to local museums, parks, and cultural sites
- Visited 5,688 **Portland students** with the Bookmobile
- Welcomed 401,430 **visitors** across all locations
- Enabled 27,028 free **wifi connections**
- Connected citizen investors to 14,620 **Value Line records**
- Delivered 24,056 **Consumer Reports** to our patrons
- Facilitated 3,689 **language learning sessions** through Mango Languages

*Calculated using FY2024 statistics and New York Library Association's Library Use Value Calculator <https://www.nyla.org/library-use-value-calculator-widget>

PORTLAND INTERNATIONAL JETPORT

As Maine's flagship commercial service airport, Portland International Jetport (PWM) serves the state's largest city and its surrounding metropolitan area. This towered Airport has modern, environmentally sustainable facilities, including an expanded terminal building, which houses the state's largest geothermal heating and cooling system. PWM offers a full array of amenities and services to accommodate the needs of travelers, including terminal concessions, rental cars, parking, and restaurants.

In 2022, PWM had 982,834 enplanements and 54,880 aircraft operations, making it the busiest airport in Maine. PWM is serviced by a diverse mix of air carriers, including American Airlines, Breeze Airways, JetBlue, Delta, Frontier Airlines, Southwest, Sun Country, and United. These airlines offer flights to 14 cities plus additional destinations on a seasonal basis.

Economic Benefits

PWM plays a vital role in driving economic activity locally and in the state at large. The Airport supports a broad array of businesses and services, including car rental agencies, concessionaires, Airport operations staff, and security personnel. PWM also benefits from its strategic location as a gateway to the city of Portland and its surrounding areas. The Airport's robust passenger traffic and connections to various destinations attract visitors, businesses, and industries, stimulating economic growth, tourism, and commerce in Maine.

In 2022, the economic impact for Portland International Jetport totaled \$1.18 billion, supporting 10,007 jobs, and contributing \$86.52 million in State and local taxes.

Economic Impact for Portland International	
Item	2022
Grand Total Dollar Impacts	\$1,175,466,500
Grand Total Income Impacts	\$479,495,300
Grand Total Employment Impacts	10,007 Jobs
Estimated State and Local Taxes	\$86,521,600

DEFINITIONS OF FY23 ORG CATEGORY SUMMARY EXPENDITURE REPORT COLUMNS

FY22 REVISED APPRO = Actual amount of the FY22 approved appropriation as approved by the City Council.

FY22 TOTAL PROJECTION = Projected total amount of expenditure in the current budget year as submitted by Departments in January 2022.

FY23 MGR RECOMM – The amount of FY23 budget request recommended by the City Manager to the City Council in April 2022 after performing detailed budget reviews with each Department.

INCR / (DECR) FY23 / FY22 – A comparison of the FY22 Revised Appro Column with the FY23 Mgr Recomm column showing the budget year to budget year increase that would result (in dollars) if the FY23 City Manager's Recommended budget was approved.

APPRO % CHG FY23 / FY22 - A comparison of the FY22 Revised Appro Column with the FY23 Mgr Recomm column showing the budget year to budget year percentage increase that would result if the FY23 City Manager's Recommended budget was approved.

DEFINITIONS OF FY22 ORG CATEGORY SUMMARY EXPENDITURE REPORT COLUMNS

FY21 APPRV'D APPRO = Actual amount of the FY21 approved appropriation as approved by the City Council.

FY21 TOTAL PROJECTION = Projected total amount of expenditure in the current budget year as submitted by Departments in January 2021.

FY22 MGR RECOMM – The amount of FY22 budget request recommended by the City Manager to the City Council in April 2021 after performing detailed budget reviews with each Department.

INCR / (DECR) FY22 / FY21 – A comparison of the FY21 Apprv'd Appro Column with the FY22 Mgr Recomm column showing the budget year to budget year increase that would result (in dollars) if the FY22 City Manager's Recommended budget was approved.

APPRO % CHG FY22 / FY21 - A comparison of the FY21 Apprv'd Appro Column with the FY22 Mgr Recomm column showing the budget year to budget year percentage increase that would result if the FY22 City Manager's Recommended budget was approved.

FY2021 COUNTY OF CUMBERLAND-**Using 2021 Final Valuation**

The tax distribution schedule describes the amount of tax required from each municipality based on their equalized valuation to provide the revenue necessary for county operations. Previous year information is provided for comparison purposes. The tax calculation table at the bottom of the schedule shows the factors of expenditures revenues, and surplus used to calculate the amount of county property tax assessed on the real and personal property in each municipality.

The State of Maine Valuation for 2021 shows overall County increase of **Valuation Growth**

**Peaks Island Council
FY 2022 Budget Request
As Approved for Submission
February 24, 2021**

As approved at its meeting on February 24, 2021, the Peaks Island Council requests the Portland City Council to allocate the following funds to the Peaks Island Council FY2021 Parking and Transportation Fund in the amount of \$40,000.00 in accordance with the following items:

Item A: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines to purchase bicycle tickets for a **summer bike ticket program** on Peaks Island. The total is not to exceed \$500.00.

Jon Jennings, Portland City Manager

Date

Item B: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines to purchase tickets for needs-based Peaks Island residents. To receive **Needs-Based tickets**, recipients must fit defined criteria developed by the Peaks Island Council. The total is not to exceed \$3,000.00

Jon Jennings, Portland City Manager

Date

Item C: The Peaks Island Council requests the City Manager or his designee to transfer to the Portland School Department \$4,500.00 to cover the cost of extending Portland School Department issued 10-month Casco Bay Lines **passes for Peaks Island public middle and high schools students** to 12-month passes.

Jon Jennings, Portland City Manager

Date

Item D: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines for Island resident **college students**: for up to 3 monthly stickers per student @ \$82.45/sticker, not to exceed \$450.00 . For the purposes of PIC transportation support, a college student shall be defined as a full-time island resident carrying a full-time course load (12 credits) at a Portland-area institution of higher education.

Jon Jennings, Portland City Manager

Date

Item E: The Peaks Island Council requests the City Manager or his designee to issue vouchers in the amount of \$84 per voucher per student to the parents of **children attending private schools** off-island. Criteria for determination of residency will be directed through the Island/Neighborhood Administrator's Office. Total cost allocated is \$400.00 .

Jon Jennings, Portland City Manager

Date

Item F: ITS: a.k.a., Island "Taxi" The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$20,984.00 to the **Island Transportation System** for continued support of the only transportation service available to residents.

Jon Jennings, Portland City Manager

Date

Item G: The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$5,300.00 to **Peaks Island Tax & Energy Assistance (PITEA)** for the express purposes of assisting eligible island residents with heating costs. Applications for eligibility approved by Peaks Island Clergy, and monies are paid by PITEA directly to the fuel company.

Jon Jennings, Portland City Manager

Date

Item H: The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$860.00 to the **Peaks Island Environmental Team (PEAT)** for the purposes of printing visitor-education materials.

Jon Jennings, Portland City Manager

Date

Item I: The Peaks Island Council requests the City Manager, or his designee to provide an allocation of \$2006.00 to the Peaks Island Council for **Administrative Expenses**.

Jon Jennings, Portland City Manager

Date

Item J: The Peaks Island Council requests that the City Manager or his designee provide an allocation of \$2000.00 to the **Fifth Maine Museum** for the replacement of windows to prevent heat loss and further water damage to the nearly 200 year-old building.

Jon Jennings, Portland City Manager

Date

CITY OF PORTLAND
Executive Department
Jon P. Jennings, City Manager

April 8, 2019

To Mayor Strimling and Members of the Portland City Council:

Pursuant to Article VI, Section 5(e) and Article VII, Sections 5 and 6 of the City of Portland Charter, I am hereby submitting the City Manager's Recommended \$263.4 million FY20 Municipal Operating Budget.

As you know, my budget submission is typically shaped by guidance from Council goals along with my operational priorities. This year, however, because there were not final Council goals to guide us, and because we were facing a number of difficult operational decisions in order to remain fiscally responsible, you will see this budget submission is essentially status quo. We had many cost increases outside of our control which exceeded the regular rate of inflation / the Consumer Price Index, but I felt strongly that our budget overall should align closely to those metrics, even if it meant making very tough budget decisions. If I had recommended everything requested by our City departments this budget would reflect an 11.1% tax rate increase. However, I cut \$7.4 million from departmental requests in order to come in with a budget with less than a three percent tax rate increase. Should there be any additional priorities the Council wants to address, I felt it most appropriate for those decisions to be made by the Council before being added to the final budget.

Over my nearly four years as City Manager, I continue to be extremely proud of all we've accomplished and the progress we've made in terms of making municipal government more innovative, efficient, inclusive, and transparent. We've made good progress in addressing critical infrastructure needs that had been neglected for too long and we continue to fund as many of these projects as we can. We've continued our focus on right-sizing municipal services and improving our processes not only because it is good customer service, but because I believe the efficiencies we achieve will afford us the opportunity to tackle our long-range plans.

There's no doubt that Portland continues to be a healthy, vibrant city with diverse sectors driving its economy. We are a major center for commerce, finance, arts and entertainment, food and drink, healthcare, Information Technology, the marine industry, post-secondary education, and tourism. Our world renowned and award-winning food and drink sector economy received another high honor this year when Bon Appetit magazine named Portland the 2018 Restaurant City of the Year. While this firmly roots our city on the national food map and was cause for celebration, we're working hard at the staff level to make sure Portland is known as more than just a foodie city. One example of this is when INRIX, a global leader in mobility analytics and connected car services, selected Portland to pilot its highly autonomous vehicle mapping program. I believe that Portland can benefit from leveraging our technology and start up scene to make us an attractive city for companies to pilot additional products and services. We look forward to collaborating further with Start Up Maine this year as their annual conference will focus on the role civic tech can play in our economy.

The growth our city has seen has been very beneficial in many ways, although it's not without its challenges. While growth is a good problem for a city to have, it means our valuation has continued to rise, lowering our state revenue share and increasing our county tax.

FY19 Recap

Our Planning and Inspections Departments issued Certificates of Occupancy to approximately 317 additional units of new housing in calendar year 2018 and a total of more than 1,263 units in the last five years combined. Beyond this, more than 139 units of new housing across the city are currently in the development pipeline. At the same time, our inclusionary zoning ordinance has helped make that new development equitable, by requiring all projects larger than 10 units provide a set aside of 10% of the units for workforce housing or make a financial contribution to the Housing Trust Fund. Since the ordinance went into effect, there have been five additional projects completed or under construction, adding an additional 18 workforce homes with many more in the pipeline.

During 2018, the Planning Board approved eight Inclusionary Zoning projects with a total of 29 workforce units of rental, condo and single-family housing. The Housing Trust fund balance is currently \$1,275,820.08, with \$556,500 being collected to date. Additional funding is expected as current projects under development are completed.

Commercial development has continued at or above levels not experienced in the city in the last hundred years. In response, we've continued to update our land use regulations to help advance our economy sustainably. Highlights include:

- The Recode effort to rewrite the Zoning Code is underway with the goal of simplifying and clarifying the City's regulations for all development. In addition, work has begun on rewriting both the sign regulations and the site plan ordinance. Concurrently, the Technical Manual was recently updated to include specifications for LED street lights and improved exterior lighting for cost effective and efficient lighting.
- Portland's Impact Fee system was adopted in 2018, which assesses fees on all development based upon the anticipated infrastructure needs to serve new development. It applies to any new building or building addition that results in net new residential units, non-residential square footage, hotel rooms, or water meters.
- Another major policy initiative adopted this year is the Hotel IZ conditional use. The ordinance requires either the creation of affordable housing units or a contribution to the Housing Trust Fund for the development of new hotel rooms.

In support of our small business community, the Portland Development Corporation invested approximately \$1,082,000 in FY18 in 19 businesses and economic development projects, which leveraged more than \$5 million in private sector funds associated with creating 26 jobs and retaining 62 jobs. Fiscal year 2018 loan activity included a public to private investment ratio of 1:7. And just a few weeks ago we found out we are receiving the U.S. Conference of Mayor's 2019 Partner America Small Business Friendly Community Award. Portland has demonstrated its commitment and support of small business by creating a business friendly environment for businesses to grow and prosper.

Our transportation hub of air, rail, cruise, and shipping continues to be a vital economic driver, connecting Portland to the world. For the 2018 season, the Port of Portland had substantial growth again with 119 cruise ships and a passenger count that exceeded 170,000 and 68,000 crew. The Jetport, which once again won the customer experience award for North America among airports with fewer than 2 million passengers, is the fastest growing airport in New England with a record setting 2.1 million passengers coming through last year. On top of that, they added new direct service to Denver, Tampa, Ft. Myers and Raleigh-Durham and expanded routes to New York City, Chicago, and several destinations in Florida.

While there are many needs to balance with this growth, it is clear that Portland is an attractive place to live, work, and play.

We also continue to provide key health and human services for our people. The Office of Elder Affairs responded to approximately 750 requests from Portland senior citizens in need of services and information, and is working to implement multiple goals outlined in Portland's Age-Friendly Community initiative, in partnership with the AARP Maine. The office operates two adult day health programs at the Barron Center, licensed to accommodate 45 clients, and also provides transitional housing and support services for older victims of domestic abuse through the *Martha's Cottage Project*, in collaboration with the Elder Abuse Institute of Maine.

The Social Services' Helping Individuals Regain Employment (HIRE) Program continues to help General Assistance recipients get out of poverty and into self sufficiency by removing barriers to employment. From January 2018 through December 2018, we completed 367 intakes helping 279 eligible adults secure employment, 13 individuals successfully obtain disability benefits, 231 individuals connect to ESL classes, 15 individuals enroll in vocational rehabilitation services, assisted 46 individuals secure employment authorization, and 27 individuals enroll in certificate training programs that led to job placements.

Our emergency shelter services continue to serve unprecedented levels on a nightly basis. In spite of this, our staff works extremely hard to find permanent housing solutions for our most vulnerable populations. The Oxford Street Shelter placed 249 total clients, 29 of whom were long-term stayers, into permanent housing. The 249 clients equaled a total of 43,729 bed nights. The Family Shelter served 183 families totaling 664 individuals. Of the 183 families, 160 secured permanent housing (87%) with only two families returning for a second stay.

As I alluded to earlier, we're focused on working to make our community an innovation hub, a place where data and technology are used to improve people's lives and make interactions with city government more efficient. As part of those efforts, we've converted all of our City's streetlights to LED technology and deployed intelligent traffic signals at Morrill's Corner to improve the flow of vehicles through the intersection thereby reducing traffic congestion and the length of time vehicles idle at the signals. Preliminary reports show a 23% reduction in travel times through this intersection. We're now in the process of installing this technology at additional intersections along Forest Avenue to further improve traffic flow, and we'll be installing it along Franklin and Commercial Streets. The more we are able to use this technology along our busiest transportation nodes, the more the signals speak to each other and improve traffic flow. We're also utilizing environmental sensors to monitor air quality through a pilot project with Google.

As we look to complete our implementation of Tyler Technologies' software this year, we'll be creating an internal data governance team so we can take a look at the data we have and collect to make sure we're using it strategically to inform our decision making processes. I believe these decisions will lead to greater efficiencies in our municipal operations, allowing us to achieve savings that we can reinvest toward our long-range goals. It's our goal to then share this data with the public through an open data portal so we can better tell Portland's story through the use of data.

BUDGET GOALS & REALITIES

The goal of this budget was to bring forward a recommendation that allows us to continue moving forward on the progress we've made, but in a fiscally responsible way. Our staff goals for FY20 revolve around efficiency and innovation so we can further improve city services while reducing costs, emphasizing customer service, and fulfilling our commitment to getting things done on a timely basis. We must continue to take care of our infrastructure needs that were set aside for too long. This year I asked Department Heads to present me with the requests they felt they needed to accomplish their jobs efficiently, but not necessarily to meet each and every goal they have given the budget constraints we face.

The reality of this budget is that the roughly \$3 million increase in expenditures is driven by personnel costs, due to contractual obligations and cost of living increases.

All departments had to work extremely hard to meet the budget guidance I provided, which was to come in under a 3% tax rate increase. If I had simply recommended the budget as requested by our City Departments, without making difficult budget cuts and choices, the resulting impact would have been an 11.1% City tax rate increase. As we developed the City budget, we eliminated approximately \$7.4 million of those requests and other adjustments on the path to our 2.9% tax rate increase.

The most difficult budget reality we are facing this year is within our Social Services division. While Portland is a compassionate city, and we always will be, we simply cannot afford to continue providing all of the current services and believing this to be a sustainable path. I am asking the City Council to have a fundamental discussion about what services we can provide and what we can afford.

As you know, we dedicated \$200,000 in last year's budget to fund the Community Support Fund, which provides temporary assistance for those who are seeking asylum, but are no longer covered by General Assistance. Unfortunately, this fund was exhausted much earlier than anticipated in March 2019 given the influx in people seeking emergency shelter services.

Because the FY19 Community Support Fund was exhausted so quickly, I am proposing that the Community Support Fund support individuals who are living in the city as of July 1, 2019 and only cover rental assistance in FY20. We will utilize our other existing community partners who already offer food and other basic necessities to cover those needs. Therefore, this budget recommends reducing the Community Support Fund by \$50,000 and funding it with \$150,000. It is also my recommendation that the Council look to phase out the Community Support Fund over the next two fiscal years as individuals leave the program.

Additionally, because of the fact that there are limits to our resources, I propose eliminating the second overflow space for both the Oxford Street Shelter and the Family Shelter. This would mean that we will use space at Preble Street for overflow needs at OSS and space at the Salvation Army for overflow at the Family Shelter, but no longer allow our General Assistance offices to be used as a third overflow space given the costs in staffing this facility.

As we developed this budget, we had to make some very tough choices to keep Portland affordable while at the same time trying to maintain the level of services we provide for our residents and businesses, and address a few items within our key priorities. While this budget overall includes a net increase of six positions, four of which are for Social Services, there were several positions that were eliminated as part of departmental reorganizations.

As I said last year, I firmly believe we cannot focus on one part of government to the detriment of another. I take my responsibilities to the Council and the taxpayers of the city very seriously. As we have discussed on many occasions, we are all concerned about the affordability of the city and government can be a driver of costs that make it unaffordable to live in Portland. That is why I felt it was important for us to limit the tax impact due to the drivers outlined in the budget.

In addition to the items noted above, additional Departmental highlights include:

Public Works: This budget includes a \$372,384 increase in the Solid Waste budget due to an increase in tipping fees from ecomaine, because of a change in the recycling markets and costs for shipping and processing recyclables. Because of this, the budget includes an increase in the fees for the Pay As You Throw Bags, a 15 cent increase in the 15-gallon bags and a 30 cent increase in the 30 gallon bags. This will raise about \$215,000 in revenue. Looking ahead to FY21, we will evaluate alternative ways in which we can cover our solid waste costs beyond utilizing Pay As You Throw Bags.

Economic Development: This budget includes an additional staff person to help carry out the strategic plan for the Office of Economic Opportunity, in line with the Economic Development Committee's recent vote. It also includes the removal of Creative Portland staff, and instead the City will give them a flat \$140,000 to cover their staffing needs.

Parks, Recreation & Facilities: To balance the overall impact to the tax levy, this budget includes a 5% increase in fees at our City cemeteries, assorted fee increases on concession items at our event venues and increases in rates and fees at Riverside Golf Course to cover course expenditures. As we fully implement the pesticides ordinance, the City faces increasing labor costs to keep our fields in usable condition. To address these rising costs this budget includes a fee assessed on for-profit groups who utilize our fields.

Waterfront: This budget includes an increase in the per passenger fee for cruise ship visits, which results in an additional \$200,000 in revenue.

Police: The Police Department budget includes an increase in \$68,000 to cover the costs of routine supplies. These expenses were traditionally covered by a non-competitive federal grant that we receive annually. However, we were not allowed to accept it this year because of our policy creating the Community Support Fund. The budget also includes covering the substance use disorder liaison who runs the Law Enforcement Addiction Advocacy Program (LEAAP) out of the general fund as we were not able to continue funding it via asset forfeiture monies.

Social Services: As mentioned previously, our Social Services Division has been dealing with a tremendous influx in those seeking emergency shelter services. Given this influx wasn't fully anticipated in FY19's budget, we ended up using additional per diem workers to cover our staffing needs. In the FY20 budget, we are budgeting for these per diem workers as full time positions.

Barron Center: We were able to increase our patient census after instituting a number of administrative changes at the Barron Center and therefore we are now covering our expenses and are working hard to earn revenue in the near future.

Grants Management: You will notice that overall our Public Health, Social Services and Planning & Urban Development budgets appear to be much higher than last year, but this is because grant funded positions are included in the personnel line items.

Assessors: The City is now in the midst of the citywide revaluation process. The process will continue in FY20 with technical support from Tyler Technologies. Citizens will soon begin receiving educational materials related to the revaluation process. It is expected that the revaluation results will be captured in the FY21 budget.

City Clerk: The 23.1% increase in the City Clerk's budget is due to FY20 being a presidential election year, which includes a primary election.

POSITIVE BUDGET DRIVERS

Excise taxes are still a significant source of revenue for the city, but the increases we saw over the last several years are starting to level off. We're conservatively projecting excise tax revenue to be \$11.5 million in FY20, which is roughly \$500,000 less than FY19. As mentioned earlier, increased cruise ship activity is projected to provide \$200,000 in additional revenue. Property valuation has grown by \$85 million in the current year due to significant new projects breaking ground and continues our upward trajectory in overall valuation. This \$85 million of new property valuation creates an additional approximately \$985,000 in tax revenue for municipal use. While this may seem like a significant amount, it represents only a 0.106% overall increase to our FY19 valuation of approximately \$7.9 billion, and can only fund a fraction of the cost increases and budget challenges we face in FY20, which are outside of my control.

Health Insurance: Unlike the last several years, the FY20 budget contains no large increase in health insurance costs. Our value-based insurance design and employee wellness program continues to help control overall costs, but because the health insurance market is volatile it is likely that these costs will end up being a budget challenge again in future years. While there was not a large increase, contributions for employees and their dependents will include a 3% increase in medical rates, and a 6.6% increase in dental rates.

TIF Funds: This year's budget includes greater use of City Council approved Bayside, Downtown/Transit and Waterfront Tax Increment Financing (TIF) District revenue to invest in public infrastructure and cover City staff costs. Use of TIF District revenue enables the City to take advantage of tax "sheltering" which allows municipalities to keep one hundred percent of new property tax revenue included in these TIF Districts. This means that the City maintains higher levels of state aid for education and municipal sharing in addition to contributing less to the City's share of the Cumberland County annual budget.

BUDGET CHALLENGES

As I mentioned above, the new property growth alone has not been able to keep up with the built in cost increases and other budget challenges for FY20, including union contracts already approved (\$3.4 million), debt services increases (\$924k related to our 2001 pension obligation bonds) and Cumberland County tax increase (\$351k).

Contractual Salary Obligations: The City Council approves contracts with all eight City bargaining units representing nearly 90% of the City workforce. These contracts include previously agreed upon salary increases of 2% plus other minor changes (4% for the two Police unions due to the nationwide shortage of officer applicants and to bring our salary ranges to competitive levels compared to surrounding municipalities). An estimated \$3.4M of the FY20 increases are related to contractually obligated salary increases across all unions.

Debt Service: This budget includes a \$3.2 million increase in debt service costs, including a \$924,000 increase related to the pension obligation bonds approved by City Council back in 2001. The payments on the pension obligation bonds will continue to rise by nearly \$1M annually until the bonds are retired in FY26. The budget also includes \$1.2M related to the upcoming renovation at Lyseth Elementary School and approximately \$400,000 of new debt service related to the City's continuing efforts to reduce combined sewer overflows and replace aging sewer infrastructure. The City pays all debt service from the general fund and receives reimbursement from the enterprise funds and the School Department for their respective projects.

METRO: The FY20 budget includes a 2.7% increase in our METRO contribution or an additional \$74,123.

County Tax: The FY20 budget includes a 5.6% or \$351,471 increase in Cumberland County tax assessment. Were it not for the increase in our County Tax assessment, the City's tax rate increase for this year's budget would be 2.6% instead of 2.9%.

BALANCING THE BUDGET

City expenditures have increased 4.9%. The growth of non-tax revenues and property valuation result in a City side tax rate increase for municipal services of 2.9%. This means the city-side mill rate is \$11.67 per \$1,000 of assessed property value. The impact on an average homeowner with a property valued at \$240,000 is \$79.

CONCLUSION

I would like to thank Finance Director Brendan T. O'Connell, Deputy Finance Director Anne Bilodeau, Budget Analyst Jennifer Lodge, Human Resources Director Gina Tapp, Communications Director Jessica Grondin, and our new Director of Innovation & Performance Management Lena Geraghty for their assistance in developing this budget recommendation and presentation, as well as the hard work and diligence of Department Heads in developing budget requests. Thank you to the members of the City Council for working with staff collaboratively over the last year. We all look forward to reviewing this proposed budget with the Finance Committee and full Council.

Sincerely,

Jon P. Jennings
City Manager

Date: February 6, 2019

To: Jon Jennings, City Manager

From: Sarah Campbell, Executive Director

Subject: Portland Public Library FY 20 Budget

The Library's request for FY 20 is larger than requests from the recent past. Typically, our request of the City has averaged about 3% per year. This year there are a number of special circumstances driving this request. The total request is for 7.3%, and the major components of that request are listed below.

Total Increase in Request	\$ 293,757	7.2%
Salary Increase	\$ 67,500	1.7%
Social Worker position	\$ 36,660	0.9%
IT Support	\$ 27,000	0.7%
Health Insurance increase	\$ 105,000	2.6%
Increase in Parking cost	\$ 12,533	0.3%
Fee Revenue loss	\$ 17,500	0.4%
Other changes	\$ 27,564	0.7%

Staff & Salary increases

Under the terms of our Collective Bargaining Agreement, we are bound to implement a 2.5% salary increase of \$67,500 or 1.7% of the overall request.

For the first time in several years, we are proposing a new position as well, a Social-Worker-In-Residence. Over the last two years, we had a grant from the National Network of Libraries of Medicine for health outreach services. This included funding for a social worker who we contracted to provide referral services for patrons in need, to help improve staff's ability to interact with patrons with mental health, substance abuse or other behavioral issues, and to raise general awareness of these issues for all of our staff. Since that grant ended in October 2018, we retained the social worker to continue with us on a temporary basis particularly to support our Security staff and in building collaboration with other providers in the area that work with our most at-risk patrons. We also were able to partner with the University of New England School of Social Work to host a social work intern this school year. With this expertise and assistance in house, we have seen evidence of both better ability to orient patrons to service options in the community and, notably, a reduction in calls to the Portland Police Department.

Recently, with the reduction in Preble Street's hours, we have experienced an increase of troubled patrons with significant substance and mental-health issues. This social worker capacity has been critically important in helping us work with these populations in a supportive, non-confrontational and effective manner.

We propose to make this social worker position a permanent member of the staff, with the goal of continuing to help us meet the needs of an increasingly troubled segment of our patron population and to strengthen our connection to the network of providers in the community who work with this population. We believe that such a position housed at the Library will provide leadership and partnership to other City providers and reduce some of the stress on other City resources. The position would be 30 hours a week and cost \$36,660, or 0.9% of the overall increase.

Our Network Manager moved on early last year and we were not able to find a new person with the skills we needed for what we were able to pay. As a result, we have developed a help-desk person in-house at about 2/3 of the cost of the previous Network Manager's salary and we have engaged an outside consultant to help us with strategic planning and the more complex IT issues we face. While our salary line represents this decrease of \$18,000, we have increased our Professional Services line by \$27,000. Together, this solution is costing about \$9,000 more than the previous arrangement, but significantly less than the market rate to replace the Network Manager.

Benefits cost increases

The largest cost item in our request is health insurance - a 21% increase over the FY 19 budget. Costs for FY 19 are projected to exceed budget by \$40,000. That overrun, combined with a projected additional 12% increase for FY 20, results in this significant piece of our overall request.

The increase in parking cost comes from two components. The increase in the monthly rate from \$120 to \$130 per month was not included in last year's budget. In addition, the federal tax law changes passed last year include a 21% tax on the parking benefit. These changes result in \$12,533 or 0.3% of our request.

Revenues are projected lower

Under operating revenue, Libraries across the nation are experiencing a decline in fee collection. Our fees have been trending downward for the past few years and we expect that to continue through FY 20. This reduction in Operating revenue results in a \$17,500 or 0.4% of our request.

Under Development revenue, we are also uncertain about the effects of the tax law around deductions on non-profit fundraising and we want to be prepared for such changes to our Annual Fund. As a result, we have projected a smaller increase to our Annual Fund for FY 20.

Miscellaneous changes

Of the \$27,564 listed as "other changes", \$11,660 results from a 2.5% increase in Collections expenditures. This cost area is central to our mission as a library and in fact is not keeping up with inflation. Another \$10,945 comes from increased building maintenance costs, which are a continuing issue as the main library building passes the 40-year mark since construction. It also should be noted that there was no increase in our Contractual line last year, which went from \$1,452,000 down to \$1,448,000.

We recognize that this is a challenging request during a difficult budget season and hope that you will agree that much of this request is driven by external forces we cannot control and that our role in the downtown is changing and placing new and increased demands on our limited resources.

FY2019 COUNTY OF CUMBERLAND-**Using 2019 Final Valuation**

The tax distribution schedule describes the amount of tax required from each municipality based on their equalized valuation to provide the revenue necessary for county operations. Previous year information is provided for comparison purposes. The tax calculation table at the bottom of the schedule shows the factors of expenditures revenues, and surplus used to calculate the amount of county property tax assessed on the real and personal property in each municipality.

The State of Maine Valuation for 2019 shows overall County increase of **Valuation Growth**

[SUBMITTED VIA E-MAIL]

Jon Jennings
City Manager
City of Portland
389 Congress Street
Portland, ME 04101

Re: Preliminary 2019 Budget and Formula

Dear Mr. Jennings,

On October 25, 2018, the Greater Portland Transit District (Metro) Board of Directors unanimously approved the Fiscal Year 2019 Preliminary Budget and Formula. In accordance with 30-A-MRS §3516 and 30-A-MRS §3516 (Attachment B), Metro is submitting its Fiscal Year 2019 Preliminary Budget and Formula. Accordingly, the City of Portland is required to notify Metro of a refusal to accept the method (i.e., formula) by which local contributions are distributed within thirty (30) calendar days of this submission.

For **BUS SERVICE** in Portland, the Metro Board of Directors approved a 2019 local contribution of **\$2,787,772**. This is a **2.8% increase compared to 2018**. Portland residents will continue to benefit from an **expansion of METRO transit service in mid-2018**. The Transit West Project doubled frequency of service on the Brighton Avenue corridor with the introduction of the Husky Line, brought new service to the Riverton areas of northwest Portland with the new Route 3 cross-town bus route, and introduced an unlimited access transit pass program for University of Southern Maine students, staff and faculty. Notably, the Route 3 transit improvement that connect the city of Westbrook to South Portland will relieve overcrowding on Route 4 (Brighton) and Route 5 (Outer Congress).

The table below outlines service levels in terms of revenue miles.

Table 1: Service Levels in Revenue Miles

Bus Route	Mode	Municipalities	Portland	Westbrook	Falmouth	S. Portland	Gorham	Breez	Total
Route 1	Local	Portland	95,554	-	-	-	-	-	95,554

For **ADA PARATRANSIT SERVICE** in Portland, the 2019 local contribution is projected to not exceed **\$78,480** which was the budget amount for 2018. ADA Paratransit costs are determined based on projected ridership and the cost-per-trip charged by Metro's provider, Regional Transportation Program (RTP). ADA paratransit boardings increased substantially in 2017 due to changes in how the state's non-emergency medical transportation broker (Logisticare) assigns trips for passengers who are eligible for ADA Paratransit Service. Ridership in Portland has leveled off in 2018 and is expected to total 14,000-14,500 boardings. Similar use is expected in 2019. In 2018, METRO staff renegotiated its contract with RTP substantially lowering the cost per boarding.

For your convenience, I have incorporated the major elements of the approved preliminary budget in the body of this letter. In addition, I have attached a document outlining the statutory budget procedures prepared by Metro's legal counsel. Provided below is a discussion of Metro's 2018 accomplishments, 2019 objectives, and additional information on the 2019 budget.

METRO OVERVIEW

Metro operates ten (10) bus routes serving the communities of Brunswick, Falmouth, Freeport, Gorham, Portland, South Portland, Westbrook, and Yarmouth. Metro works with the Portland Area Comprehensive Transportation System (PACTS), the Greater Portland Council of Governments (GPCOG), multiple partner transit agencies, and member communities to implement a coordinated regional transit system.

The following key performance metrics are provided for information:

- Projected 2018 Ridership: 1,940,000 (up 5% from 1,850,000 in 2017)
- Projected 2018 Fare Recovery Ratio: 23% (down from 24% in 2017)
- Projected 2018 LOCAL System Productivity: 2.0 boardings per mile (matching 2017).

Figure 1: Metro 20 Year Ridership Trends

2018 TOP ACCOMPLISHMENTS

- **Ridership Growth** – 2018 ridership is expected to be 5% higher than 2017 due to mid-year service expansions.
- **Transit West Project** – In August 2018, Metro implemented as scheduled two new bus routes (the Husky Line and Route 3) along with supporting bus stop improvements, restructured three (3) existing routes to be more direct and efficient, and introduced the USM Transit Pass Program.
- **New and Replacement Bus Fleet** – Based on a 2016 competitive procurement, Metro took delivery of eight 40-foot expansion buses in 2018 along with three 40-foot replacement buses. The new buses are larger and include modern amenities such as: three position bike

racks, in-seat USB ports, improved seating, modern styling, and brighter interiors. An additional 13 buses of the same model will be delivered over the course of 2019 and 2020 which will replace buses that will have surpassed their 12-year useful life.

- **Fleet Wide Wi-Fi** – Along with the new bus fleet, Wi-Fi was installed on ALL Metro buses to improve the passenger experience.
- **Metro Brand Update** – With the incoming expansion and replacement buses during 2018-2020, 2018 was the right year to update Metro's brand, logo, and vehicle paint scheme. The updated brand and paint scheme reflect Metro's work toward modernizing public transit in Maine and establishing a stronger identity in the region.
- **Bus Shelters** – In addition to the bus stop improvements supporting the new bus routes, eight bus shelters were installed.
- **Rebooted Website** – Metro introduced a new web site with the goals of improving easy access to transit information and aligning with the agency's new look.

2019 TOP OBJECTIVES

- **Automated Fare Payment** – complete procurement phase for deployment of automated fare payment, which will allow better fare payment options for customers (e.g., payments by mobile app and smart cards) and roll-out of more special programs for universities, schools, and major employers. Implementation is planned for mid-to-late 2019.
- **Fare Pricing Changes** – alongside improvements in fare payment options, Metro plans to modify, and most likely increase, pricing of the single one-way cash fare along with the various pass products. However, new fare payment technology and "fare capping" will allow a major improvement in the cost equity of fare payment. Fare capping is a method whereby passengers using smart cards or smart phone apps will receive price discounts based on trips taken. This stands in contrast to the current system which provides discounts based on up-front costs.
- **Portland Peninsula Transit Restructure** – In 2019, Metro will commence a community planning process to re-imagine and restructure how public transit on the peninsula can be improved. This process must be strongly integrated with city goals and activities to improve mobility and reduce parking demand and traffic congestion. Metro anticipates working in partnership with the City of Portland, stakeholders and the public and advancing a slate of service changes and improvements that can be implemented in mid-2020. These service improvements will be focused on improving mobility options for getting onto and around the peninsula and be implemented in connection with the introduction of battery electric buses.

- **Falmouth Transit Service** – Metro anticipates working with the town of Falmouth in 2019 on options to improve transit service within the town.
- **Metro BREEZ Permanence** – during the course of early 2019, Metro will be working with the communities of Brunswick, Freeport and Yarmouth to move the project from its pilot phase to permanence. This also entails bringing these communities onto the Metro Board of Directors as full members who also share in covering their fair portion of the agency's fixed and overhead costs.
- **PACTS Regional Transit Development Plan Phase 2** – Work with PACTS/GPCOG and regional transportation partners to complete Phase 2 of the Regional Transit Development Plan. Phase 2 will have a longer-term focus aimed at recommending the strongest possible transit system and investment priorities for the region.
- **Replacement Facility Preliminary Study** – Metro plans to complete a preliminary study of the options, locations, cost, funding strategies and overall feasibility of constructing a replacement facility within 5-7 years. This study would be based on a reasonable long-range forecast of service expansion needs and projected fleet size.

2019 OPERATING AND CAPITAL BUDGET

The current draft of the 2019 operating budget totals \$11,402,767. This budget represents a 13% increase over the 2018 total budget of \$10,102,931. The major reason for the increase includes the annualization of costs related to the Transit West expansion but for which Metro also receives offsetting revenue from a variety of sources including federal funding and fare revenue. The remainder of the cost increase is related debt service related to the expansion and replacement fleet; programmatic improvements including software maintenance fees for a replacement financial management system, additional positions and customer amenities; and cost and price increases related to labor, fuel, and commodities. Amounts related to these items are provided below.

The body of this memo reports on the proposed 2019 expenditures, anticipated revenues, proposed new cost allocation method for determining local contributions, and the proposed 2019-2023 Capital Improvement Program.

Table 2: Summary of Proposed 2019 Operating Budget

Table 4: Notes on Draft 2019 Line Item Operating Budget

Note #	Line Item	Explanation
1	Regular Wages	Increase related to annualization of 11 bus operator positions added in 2018 to support the Transit West expansion. Also, 2.5 new positions are proposed in 2019 and include a Fleet Care Worker, an additional Bus Operator and a Technology Manager scheduled to be hired mid-year. Finally, labor costs are increasing due to 2.75% COLA increase based on the Collective Bargaining Agreement (CBA) as well as programmed step increases which are also mandated by the CBA.
2	Overtime Wages	Overtime wages is increasing in the operations category due to higher service levels and numbers of employees. As a percentage of Regular Wages, Overtime Wages is expected to be consistent at about 7-8%. The current year (2018) is seeing very high overtime wages due to health related employee absences and position vacancies. Staff is preparing additional information for the Board on how the overtime budget is developed and optimized.
3	FICA	This increase is driven by wages.
4	Health Insurance	Additional employees as well as Medical insurance costs estimated to increase by 5%. Past increases were 8% in 2018 and 13% in 2017.
5	HRA Payments	Cost is determined in relation to actual history of payments and numbers of employees.
6	Dental Insurance	Dental insurance costs are estimated to increase by 5% along with additional employees.
7	Disability Insurance	This amount is based on on wages (updated 2018 and 2019 wage base).
8	Unemployment	Increase related to Modification Rate increase and increase in overall wages.
9	Pension	Despite the increase in staff, the retirement program is now voluntary, so the participation rate assumption is slightly lower.
10	Uniforms	An increase in the allowance for uniforms was included as part of the current CBA.
11	Contract Reimb	An increase in the allowance for uniforms was included as part of the current CBA.
12	Temporary Help	This cost is related to sourcing temporary assistance to cover a planned leave in the Finance Dept.
13	Technology Services	Cost increase is related to the software hosting/maintenance fees for the Financial Management System (Finance, Payroll, HR) as well as the annual maintenance fee for the new web site.
14	Advertising	Net reduction related to reduced advertising need in relation to the 2018 expansion year (-\$15,000). There are programmed increases for recruiting (\$5,000) and BREEZ outreach (\$7,500).
15	Other Contracted Services	Net reduction related to removal of one-time expenses (-\$35,000) related to the 2018 Transit West launch. Programmed increases include a Security Program (\$38,000), marketing design and creative services (\$22,000) and design/production of new regional map (\$15,000).
16	Custodial Services	With building/grounds staff taking on additional duties related to bus stop/and shelter maintenance, there is a need to outsource custodial services at the main office and passenger facility at Elm/Congress.
17	CNG Fuel	Cost increase related to expansion service and anticipated higher natural gas pricing.
18	Diesel Fuel	Cost increase related to expansion service and anticipated higher diesel pricing as of September 2019.
19	Tires and Tubes	Cost increase related to fleet expansion from 36 to 44.
20	Supplies Cust Rel & Promo	Increase related to higher quantity needs for transit schedules and informational brochures.
21	Parts	Although fleet size is increasing, new buses incorporated in 2018 and planned to be phased in in 2019 will contain growth in this line item.
22	Phone/Cell/Internet	Added cost related to extending Wi-Fi to entire fleet and annual maintenance fees related to extending the AVL system to additional buses.
23	Auto/Liability Insurance	Increase related to fleet size increasing as well as higher cost to ensure newer buses compared to older ones.
24	Conferences and Travel	Conferences and training opportunities programmed for all departments.
25	ADA Paratransit Services	Reduction related to new agreement with RTP which reduced rate per boarding.
26	Interest Expense	Short and long term interest increasing due to greater utilization of short-term debt due to cash flow and long-term interest on bonded debt for buses.
27	Debt Service Principal	Increase related to bonded debt to cover local match on 8 expansion buses and 3 replacement buses.
28	Capital Program	Refer to proposed Capital Improvement Program - Attachment A
29	Additional Budget Reductions	An additional \$43,000 in budget reduction measures is needed to ensure municipal contributions are sustainable in 2019. Staff are continuing to identify and advance additional measures.

Table 5: Draft 2019 Line Item Revenue Budget

Revenue Category	2018 Budget	% of Total	2019 Budget	% of Total	# Change	% Change	Note #
Fare Revenue	\$ 2,280,878	22.6%	\$ 2,634,201	23.1%	\$ 353,323	15.5%	1

Revenues

1. **Fare Revenue** – Fare revenue is budgeted to total \$2,634,201. The 2018 fare revenue budget is \$2,280,878 while actual fare revenue is expected to total \$2,175,000-\$2,200,000. The increase in 2019 is related to the anticipated ridership increase stemming from the Transit West expansion as well as a fare increase in the second half of the fiscal year. Budgeted Fare Recovery (ratio of fare revenue to operating expenses) is anticipated to be 25% in 2019. Actual fare recovery in 2018 is projected to be 22-23%. Fare recovery in 2020 should exceed 25% given this will be the first full year of the fare increase, but also depends on 2020 cost factors.
2. **Miscellaneous Revenue** – includes revenue from advertising, lease revenue, and fuel/maintenance services provided to other agencies. This revenue is allocated by revenue hour to the LOCAL system only. While under the pilot phase, the BREEZ system does not draw from these revenue sources.
 - a. *Advertising Revenue* – is expected to increase from \$232,300 to \$270,000 due to increasing base advertising sales in 2018 and anticipated revenue from advertising on new bus shelters including on Congress Street in Portland.
 - b. *Lease Revenue* – is expected to increase from \$38,424 to \$40,732 based on lease terms with RTP.
 - c. *Outside Repair/CNG Sales* – is expected to decrease from \$58,000 to \$52,000 based on history.

- d. *Miscellaneous Income* – is expected to increase from \$32,000 to \$58,100 due to higher interest income, sale of surplus buses and revenue from USM through advertising.
- 3. **State Funding** – includes annual funding from the state of Maine. This funding source is static at \$170,426 and is not expected to increase for several more years. This revenue is allocated by revenue hour to the LOCAL system only. While under the pilot phase, the BREEZ system does not draw from this revenue source.
- 4. **Federal Funding (Operations)** – set at **\$2,013,698** this includes Federal Transit Administration (FTA) Section 5307 funding for Operations activities. This revenue is allocated by revenue hour to the LOCAL system only. While under the pilot phase, the BREEZ system does not draw from this funding source.
 - a. Based on current PACTS programming, Metro is scheduled to receive **\$1,958,990** in federal funding to support operations. This is an increase of \$135,388 (7.4%).
 - i. Of this amount, \$98,916 reflects the first year of permanent federal operating support for the Metro BREEZ. As the start-up CMAQ funding is drawn down, this amount will assist with the transition of the BREEZ from its pilot phase to permanence.
 - ii. The remaining \$36,472 reflects the annual 2% increase programmed in the PACTS' Six Year Operating and Capital Program (SYCOP) to support cost increases of ongoing operations.
 - b. Metro staff will be submitting a request to PACTS to increase the inflation factor to 5-7% in 2019. At 5%, this could add an additional **\$54,708**. The annual escalation rate currently programmed in the SYCOP is 2%. From 2016-2019, the cost of labor and external price increases have averaged 3.8% annually. In addition, Metro will request that the SYCOP assume 3% annual increases prospectively to adequately cover the price increases related to labor costs, health insurance, and fuel.
- 5. **Federal Funding (Preventive Maintenance)** – includes FTA Section 5307 funding for Preventive Maintenance activities. This revenue is allocated by revenue hour to the LOCAL system only. While under the pilot phase, the BREEZ system does not draw from this funding source. Based on current PACTS programming, Metro is scheduled to receive \$720,937 in federal funding to support Preventive Maintenance activities. This funding

can cover the cost of fleet and facilities maintenance including labor, parts, and external repair contracted services. This is an increase of \$14,136 (2.0%).

- a. Metro staff will be submitting a request to PACTS to increase this to at least 5% in 2019 to correct under-funding the previous three years. The annual escalation rate programmed in the PACTS Six Year Operating and Capital Program (SYCOP) is 2%. From 2016-2019, the cost of labor and external price increases have averaged 3.8% annually. In addition, Metro will request that the SYCOP assume 3% annual increases prospectively.
 - b. Metro is proposing to utilize \$100,000 from a Preventive Maintenance reserve grant in 2019 as a bridge to offset the impact of a half-year fare increase in 2019. The other half of the fare increase will be realized in 2020 and ensure this use of one-time funding is backed by a recurring funding solution.
6. **Federal Funding (JARC)** – Since the mid-2000s through 2017, Metro allocated a \$40,500 credit to Falmouth with corresponding proportional debits to Portland and Westbrook. In 2018, the Board approved a reduction to \$30,917 as part of a 3-year phase out of the program. Based on Finance Committee direction on August 6, 2018, the amount is reduced by 50% to \$15,917. Along with this change, staff recommend an additional change:
- a. Secure an additional \$15,917 in FTA Section 5307 funding for 2019 only and allocate to Falmouth's portion of the Route 7 as a direct source of funding rather than a credit which impacts Portland and Westbrook. This tactic is subject to PACTS approval in early 2019. *Using supplemental funding and this approach, Portland and Westbrook are no longer subsidizing Falmouth's portion of the Route 7.*
7. **Federal Funding (ADA)** – includes FTA Section 5307 funding that supports the required ADA Complementary Paratransit services for Metro's bus service area. The amount of federal funding is expected to decrease from \$418,560 in 2018 to \$360,000 in 2019 due to a new agreement with Metro's service provider, RTP. In the new agreement, the cost per trip was reduced. However, Metro's 2019 funding programmed at PACTS is only \$272,000. Metro staff will be requesting an increase through the regular PACTS process in early 2019.

8. **Federal Funding (CMAQ BREEZ)** – includes Federal Highway Administration (FHWA) Congestion Mitigation and Air Quality (CMAQ) funding to support three years of operations activities for the BREEZ. This revenue is allocated by revenue hour to the BREEZ Route only, but evenly split among the communities served. Revenue hours are evenly split because this is limited stop, express bus service with significant segments operated on highway.
 - a. Budgeted Funding - 2019 funding is budgeted to be \$329,800 up slightly from 328,821 in 2018. This final allocation of the CMAQ start-up grant will fund the BREEZ through the end of the pilot period in 2019.
9. **Federal Funding (CMAQ Transit West)** – includes Federal Highway Administration (FHWA) Congestion Mitigation and Air Quality (CMAQ) funding to support 3 years of operations activities for the Transit West Routes. This revenue is allocated by revenue hour to the Transit West Routes only (Husky Line and Route 3).
 - a. Budgeted Funding - 2019 funding is budgeted to be \$623,822 up from 296,667 in 2018. This is the first year of full funding and second year overall.
10. **Municipal (Non-Members)** – the budgeted amount of \$158,200 represents that anticipated local funding from the towns of Brunswick, Freeport, and Yarmouth (each at \$41,067) for the continuation of service through December 31, 2019 and a transition to bearing the appropriate share of maintenance and overhead costs. This amount also includes the town of Gorham's \$35,000 contribution to the Husky Line.
11. **Municipal (Members-ADA)** – the budgeted amount of \$90,000 represents anticipated local funding needed to support ADA Complementary Paratransit services for Metro's bus service area. The amount of funding is expected to decrease from \$104,640 in 2018 to \$90,000 in 2019 due to a new agreement with Metro's service provider, RTP. In the new agreement, the cost per trip was reduced. Please note that a portion of Gorham's contribution to the Husky Line includes a small dollar amount for any ADA paratransit trips in Gorham.
12. **Municipal (Members)** – Historically, Metro has allocated the net cost of service to municipalities based on Revenue Miles. For a small transit system with uniform service levels and characteristics, this was a simple and generally equitable method.

However, because Fixed and Variable costs are not separated, the principal weakness of the method is that mileage changes in one municipality can have large impacts on costs in other municipalities. Additionally, as Metro grows and has introduced higher speed/limited stop services, the Revenue Miles metric is less accurate at equitably representing the service supplied to a community, and by extension, the costs to provide it. Finally, while Revenue Miles is a fair measure of service supply, the metric is detached from any productive incentives at the municipal level to take steps toward improving the conditions in which transit operates.

Accordingly, staff recommended and the Metro Board approved allocating costs based on the following methods:

- a) **Revenue Hours** – In order to standardize the cost to operate service across routes with varying speeds and because personnel expense is Metro’s largest cost category, staff recommend using Revenue Hours as the primary cost allocation factor. Revenue Hours levels the playing field as it relates to allocating costs across routes. In general, using Revenue Hours as the primary cost allocation method will mean that faster routes have lower costs and slower routes have higher costs.
 - Importantly, this method creates a productive incentive for municipalities to work with Metro on strategies to shorten running times (e.g., transit signal priority systems, intersection treatments that allow buses to leap-frog long traffic cues, in-line stops, and dedicated lanes or lane segments).
- b) **Costs per Hour** – use separate costs per hour (CPH) for the LOCAL system and the BREEZ system. This is related to the structural differences in the cost to operate the BREEZ, including lower fleet maintenance, insurance and fuel costs; segmented local funding for capital projects; and the BREEZ’s status as a pilot project which temporarily exempts it from Metro’s overhead costs. The CPH for both the LOCAL and BREEZ systems are generated by dividing the total cost to operate each system by each system’s revenue hours.
- c) **Fare Revenue** – allocate fare revenue by route and jurisdiction based on ridership and average fare. This is a standard method for allocating fare revenue in multi-jurisdictional transit agencies. The benefits of this method are that communities delivering higher ridership receive the appropriate fare revenue. Moreover, the method avoids questions over whether and to what extent higher ridership communities are subsidizing lower ridership communities.

- Similar to Revenue Miles, allocating fare revenue to municipalities according to ridership creates a productive incentive to build ridership as well as critically examine and take corrective action on under-performing routes.
- d) **Non-Member Communities** – continue the policy of allocating the cost of service in a non-member community’s jurisdiction based on the member communities’ allocation percentages. This practice is undertaken when Metro determines that the value of providing service in a non-member community’s jurisdiction outweighs the absence of local funding coming from that community. The main example and precedent for this policy is Metro’s operation of the Route 5 to the Maine Mall. In 2019, this policy extends to the Route 3 segment in South Portland and the Husky Line segment in Gorham less the amount contributed by Gorham under the pilot program.

Based on the anticipated expenditures and revenue and proposed improvements in cost/revenue allocation, Table 5 presents the anticipated assessments for 2019.

Table 6: Member Community Assessments

<i>Member Communities</i>	<i>2018 Allocations</i>	<i>Rev. Member Allocations</i>	<i>\$ Change</i>	<i>% Change</i>	<i>Service Increase %</i>
Falmouth	\$ 163,873	\$ 179,941	\$ 16,068	8.9%	0%
Portland	\$ 2,709,916	\$ 2,787,772	\$ 77,856	2.8%	10%
Westbrook	\$ 616,175	\$ 774,449	\$ 158,274	20.4%	64%
Total	\$ 3,489,964	\$ 3,742,162	\$ 252,198	6.7%	22%

Notes on major factors impacting each community:

Portland

- The factors affecting Portland’s anticipated assessment are the Transit West improvements, program/cost increases, planned fare increase, and Westbrook’s proportional service increase, which means Portland’s relative share of fixed and overhead costs reduces.
- The proposed changes to cost and revenue allocation generally offset each other in 2019, but set the stage for relatively stronger cost containment in the future than would be possible under the status quo.
 - Portland has the highest ridership performance and the greatest potential for future ridership development. All things being equal, activities that help create ridership in Portland will mean Portland receives 100% of the associated fares compared to only about 70% under the existing method.

- Metro and Portland can and should work together to improve route speeds through efforts to prioritize and further streamline transit, which can also positively impact future assessments.
- The proposal to fund the final year of the Falmouth JARC program with new funding means Portland will no longer bear any share of maintaining this program.

Falmouth

- The major contributing factors to Falmouth's anticipated assessment are the overall program and cost increases, planned fare increase, and the planned reduction of the JARC grant program.
- The proposed change to cost allocation generally favors Falmouth due to the faster speeds of routes in the town. The proposed change to fare revenue allocation negatively impacts Falmouth due to its current lower relative ridership. However, Metro and the town of Falmouth can work together to positively impact this.

Westbrook

- The major contributing factors to Westbrook's anticipated assessment are the Transit West improvements, program/cost increases, planned fare increase, and Westbrook's proportional service increase, which means it absorbs more of Metro's fixed and overhead costs. The \$774k assessment amount is within expectations previously provided to Westbrook City Administration and City Council in 2017.
- The proposed changes to cost and revenue allocation generally offset each other in 2019 but set the stage for relatively stronger cost containment in the future than would be possible under the status quo. Especially due to the Husky Line and Route 3, route speeds are generally faster, whereas ridership and fare revenue are below the system average. However, ridership and revenue are expected to increase as the new routes mature. The addition of a stop at the Rock Row development is expected to increase ridership on the Husky Line in Westbrook.
- Looking ahead, Metro and Westbrook should continue to work together to improve route speeds through efforts to prioritize and further streamline transit.

- The proposal to fund the final year of the Falmouth JARC program with new funding means Westbrook will no longer bear any share of maintaining this program.

On behalf of the Metro Board of Directors, please accept our thanks for supporting public transportation. We look forward to continuing our efforts and record of results in advancing transit in the region. If you have any questions, please do not hesitate to contact me.

Respectfully,

Greg Jordan

Greg Jordan
General Manager/CEO

**Peaks Island Council
FY 2020 Budget Request
As Approved for Submission
February 27, 2019**

Motion: The Peaks Island Council requests the Portland City Council to allocate the following funds to the **Peaks Island Council FY2020** Parking and Transportation Fund in the amount of \$40,000 in accordance with the following items:

Item A: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines to purchase bicycle tickets for a **summer bike ticket program** on Peaks Island. The total is not to exceed \$500.00 .

Jon Jennings, Portland City Manager

Date

Item B: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines to purchase tickets for needs-based Peaks Island residents. To receive **Needs-Based tickets**, recipients must fit defined criteria developed by the Peaks Island Council. The total is not to exceed \$3,800.

Jon Jennings, Portland City Manager

Date

Item C: The Peaks Island Council requests the City Manager or his designee to transfer to the Portland School Department \$5,000.00 to cover the cost of extending Portland School Department issued 10-month Casco Bay Lines **passes for Peaks Island public middle and high schools students** to 12-month passes.

Jon Jennings, Portland City Manager

Date

Item D: The Peaks Island Council requests the City Manager or his designee to expend monies from the Parking and Transportation Fund payable to Casco Bay Lines for Island resident **college students**: for up to 3 monthly stickers per student @ \$82.45/sticker, not to exceed \$247.00 . For the purposes of PIC transportation support, a college student shall be defined as a full-time island resident carrying a full-time course load (12 credits) at a Portland-area institution of higher education.

Jon Jennings, Portland City Manager

Date

Item E: The Peaks Island Council requests the City Manager or his designee to issue vouchers in the amount of \$84 per voucher per student to the parents of **children attending private schools** off-island. Criteria for determination of residency will be directed through the Island/Neighborhood Administrator's Office. Total cost allocated is \$330.00 .

Jon Jennings, Portland City Manager

Date

Item F: Police Cadet

The Peaks Island Council requests that the Portland City Manager allow the allocation of \$2,067 to reimburse the Portland Police Department for a portion of the cost of establishing a Police Cadet on Peaks Island for the period from ***July 1, 2019 – Sept 17, 2019, and for the period from May 25, 2020-June 30, 2020.*** The Cadet will focus on the Island Avenue/Welch Street area. The Cadet will assist with congestion issues in and around the Peaks Island ferry landing.

Jon Jennings, Portland City Manager

Date

Item G: ITS: a.k.a., Island "Taxi" The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$20,000.00 to the **Island Transportation System** for continued support of the only transportation service available to residents.

Jon Jennings, Portland City Manager

Date

Item H: The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$4,750.00 to **Peaks Island Tax & Energy Assistance (PITEA)** for the express purposes of assisting eligible island residents with heating costs. Applications for eligibility approved by Peaks Island Clergy, and monies are paid by PITEA directly to the fuel company.

Jon Jennings, Portland City Manager

Date

Item I: The Peaks Island Council requests the City Manager or his designee to provide an allocation of \$750 to the **Peaks Island Environmental Team (PEAT)** for the purposes of printing visitor-education materials.

Jon Jennings, Portland City Manager

Date

Item J: The Peaks Island Council requests the City Manager, or his designee to provide an allocation of \$2056.00 to the Peaks Island Council for **Administrative Expenses**.

Jon Jennings, Portland City Manager

Date

Item K: The Peaks Island Council requests the City Manager, or his designee provide an allocation of \$500.00 in support of the **Peaks Island Website** to Friends of the Peaks Island Library, a 501c3 organization, serving as fiscal agent for the website effort.

Jon Jennings, Portland City Manager

Date

Hi,

I live at 56 West St in district 2, and I work across the street from monument square. I'm writing regarding the allocation of city funds for the Downtown Ambassador Program, especially as these funds are being seen as a way to alleviate the presence of unhoused individuals in monument square. These public funds should be going to existing organizations and programs to address the root causes of homelessness and support individuals who are unhoused. Using public funds for an Ambassador Program prioritizes tourism and a superficial public image over the people who actually make up the heart of our city. There are comments that the Ambassador Program will support unhoused folks by connecting them to resources but (1) there's already teams and organizations that do that work and (2) it does no good to connect them if those organizations are so underfunded that they don't have the capacity to serve more folks referred to them. If business and tourism are so profitable and important to Portland, and if an Ambassador Program is designed to serve those interests, then it should be funded by those businesses - not the city.

Thank you!

Regarding the use of City Funds for Downtown Ambassadors Program

To all on the City of Portland Finance Committee,

My name is Taylor Cray, and I live at 39 East Kidder Street in District 4. I am writing today regarding the proposed allocation of City funds for a Downtown Ambassador Program, to be organized by Portland Downtown. With the current circulation of a recent article in the Portland Press Herald regarding the concerns of business owners in Monument Square, it makes sense that the City would seek a solution that provides assistance to all folks involved. I am concerned that this solution does not truly achieve that aim. While I believe the Downtown Ambassador Program is well-intentioned, it seems to fall short in its ability to work alongside existing organizations that assist and collaborate with unhoused folks in our community.

As is mentioned in the Press Herald article, many organizations that are distributing food to unhoused individuals in Portland already have existing relationships with the individuals who frequent Monument Square. Many of these organizations are overburdened and understaffed, and may not have the capacity to carry out the work that the Ambassador Program is proposing. However, I feel these funds would be put to better use assisting existing outreach efforts, and that these organizations should be brought into the conversation (if they have not already been) before the creation of a new program is considered. If the City does decide to fund a new program of this nature, I would encourage Portland Downtown to ensure as much collaboration as possible with existing outreach organizations, as these are generally the individuals who have built and maintained relationships with unhoused folks in our community.

While I am personally against the use of City funds for this program, I would suggest that if this program does move forward, any individuals hired as Downtown Ambassadors should be trained in harm reduction and de-escalation efforts. If the goal of this program is to create a safer Portland for all individuals, the work of this group must be grounded in an effort to encourage relationship-building and discourage further criminalization of unsheltered homelessness. As unsheltered homelessness becomes more visible in the City of Portland, we all must do our part to ensure that efforts to assist community members experiencing homelessness do not further stigmatize and shun those individuals.

Thank you for your consideration of this commentary.

Sincerely,

--

Taylor L. Cray

Public Comment, Downtown Ambassador Program

Good afternoon,

I live at 159 Grant St in district 2. I am writing regarding the proposed allocation of funds to expand the Downtown Ambassador Program, especially as this program has been proposed as a response to alleviating the presence of unhoused individuals in Monument Square and other public spaces.

Given the complexity of the causes of homelessness in Portland as well as funding deficits that existing homelessness/crisis-resource organizations are actively facing, this ambassador program does not feel well thought-out and also feels blatantly out-of-touch.

Our city already has many long-running organizations and resources that help support unhoused individuals, including Preble's street outreach team, that are underfunded and understaffed. Federal cuts have also paused the funding of new shelters and rehabilitation centers. Directing unhoused individuals to these resources without funding the resources themselves will just put more stress on those organizations and compromise their treatment and care. Instead, the \$750k that would be spent to expand the ambassador program could instead be used to bolster and expand the programs and resources that already exist.

Access to affordable housing and high quality mental health care, which are two direct predictors of homelessness, has been decreasing year after year. Funding new policies and programs in Portland that continue to only focus on public appearance and quick ways to bring in money, such as the Downtown Ambassador program, do nothing to address the root issues that cause homelessness and will just worsen those issues in the long-run as we continue to ignore the people who have lived here for years for the sake of profit.

Thank you,
Jeannette Berman

Tonight's Finance Committee meeting: \$750,000 to Downtown Portland?

Dear Finance committee members,

As a Portland homeowner and outreach volunteer for a local nonprofit that serves and supports the unhoused citizens of Portland, I was appalled by the [recent news story](#) regarding the request to allocate of \$750,000 of taxpayer money to downtown Portland to "fix" the downtown homelessness crisis.

While I understand and support a cleaner, safer city, there is nothing mentioned in this story that would help our unhoused neighbors... In fact, it sounds as if this project will make things worse for those who are the most vulnerable.

Instead of giving \$750,000 to a nonprofit organization that has no relationship with the unhoused population of Portland under the guise of solving the homeless crisis, please put this money towards projects that will help the unhoused such as opening a day shelter on the peninsula which would give unhoused who are congregating outside a place to go. These folks have nowhere to go. All of the flowers and the garbage pickup in the world is not going to change that. They need to have neaby shelter and better access to caseworkers.

I know the city tried to fund the day shelter earlier this year through the opioid settlement funds, but realistically the amount of funding offered was too low to attract an organization with the capacity to manage such a project and the RFP submission deadline was too short. \$750,000 added to the remaining opioid settlement funds, could go a long way to attracting qualified applicants to take on the project.

Alternatively, or additionally, supporting the existing nonprofit outreach organizations that spend every day connecting homeless residents with the limited services that exist would be a much more productive investment as they already have relationships established with the target population.

Finally, I'm not sure that we need a nonprofit organization to plant flowers and clean up garbage. Perhaps a better option would just be to increase the budget of the Public Works and Parks and Recreation departments?

I want people to feel safe in Portland, but I don't want to do it at the expense of the well-being of people who are experiencing homelessness. This proposal appears to have nothing to do with helping the homeless and everything to do with trying to make them disappear. I do not want my tax dollars to be spent this way.

Thank you,

Susanna Richer
