Minutes
Portland Development Corporation
Remote Zoom Meeting
Held on September 17, 2020

A remote meeting, via Zoom, of the Portland Development Corporation (PDC) Board of Directors was held at 4:00 p.m. on Thursday, September 17, 2020. Present from the Board was its President Julie Viola, and Directors Tim Agnew, Councilor Tae Chong, James Dowd, Tom Dunne, Blaine Grimes, Jeff Hicklin, Jon Jennings, and Steve Lovejoy. Directors Laura Reading and Briana Volk could not be in attendance. Present from the City staff were Business Programs Manager Nelle Hanig, Economic Development Director Greg Mitchell, and Senior Executive Assistant Lori Paulette. Also present was loan underwriter David Markovchick.

Item #1: President's comments.

President Viola waived the comments.

Item #2: Review and vote on draft meeting Minutes from Board meeting held on August 20, 2020.

On motion made by Mr. Dowd, seconded by Councilor Chong, the Board voted 6-0-3 (Grimes, Hicklin, Jennings abstained) to accept the Minutes as presented.

Item #3: Review and vote on proposed amendments to COVID-19 Loan and Grant Programs.

Ms. Hanig noted with the environment always changing, together with other assistance programs being offered, staff is recommending a few program modifications. To

date, the PDC COVID-19 programs have assisted 42 businesses and 2 non-profits through the loan and grant funds for a total of just over \$160,000.

Ms. Hanig noted that just before last PDC Board meeting on August 20th, the State of Maine announced that it was offering \$5,000 grants to microenterprises using CARES Act Funds. These grants would be available to businesses with 5 or fewer employees in which the owner is low/moderate income per US HUD requirements, but the grants would not be available to the City of Portland as it has its own COVID CDBG funds. Cumberland County will be offering \$5,000 grants to microenterprises in Cumberland County, with the exception of microenterprises in Portland.

Staff is recommending that the PDC Microenterprise Grant Program be increased from \$2,500 to \$5,000 to be in alignment with the above, and noting those that have already applied for and received \$2,500 through this program can re-apply for an additional \$2,500.

In addition, staff learned that Cumberland County, through GPGOG, would soon be offering up to \$10,000 grants for retention or rehiring (similar to COVID BAP Rehire) of up to 4 jobs (\$2,500 per job). Again, this excludes the City of Portland. Therefore, staff is recommending increasing the BAP Rehire Grant program from \$5,000 to \$10,000, which might make the program more useful, particularly for restaurants and retail.

Staff is also recommending that, for all three COVID-19 loan and grant programs, removal of having received no more than \$10,000 in Federal or State COVID-19 Funding in order to be eligible for the PDC programs. This would bring the PDC's programs into consistency with State and County programs. That eligibility item would be replaced with language that precludes double-dipping, that is City funds cannot be used to duplicate

benefits received from COVID-19 Federal, State, or County Grants; PDC grants can only be used to pay for items not already paid for by other government grants.

Lastly, staff is recommending to reduce funding in the Rapid Response Microloan by \$200,000 to be returned to the PDC's unrestricted loan funds. This would leave \$133,500 for the loan program.

President Viola agreed, noting the need to grow and change as the Pandemic does.

On motion made by Councilor Chong, seconded by Mr. Dunne, the Board voted unanimously to approve staff's amendments to the three COVID-19 Loan and Grant Programs and reducing the Rapid Response Microloan by \$200,000.

Item #4. Treasurer's Report – August 2020

President Viola noted consensus to accept the Treasurer's report and to review the Confidential Delinquency Report at the end of the meeting in executive session when the Board will also take up Item #7.

Item #5: Annual Meeting of Board

a) Election of Officers

President Viola noted that she contacted the current Treasurer/Blaine Grimes and current Secretary/James Dowd and both indicated their willingness to serve another year in this position, and her willingness to do so as well.

On motion made by Mr. Dunne, seconded by Mr. Jennings, the Board voted unanimously to keep the slate of officers as is for another year.

b) Review of Draft Annual Report for FYE2020, with final to be presented at the October 15, 2020 Board meeting.

Mr. Mitchell noted that this is a Draft Annual Report, as the financials from the Finance Department have not yet been provided. He noted that page 2 of the Report lists loan and grant activity numbers from FYE2015 through FYE2020. Staff will bring the Final Annual Report at the next Board meeting for its recommendation to forward it to the City Council as a communication.

Mr. Dunne asked if this is consistent with prior years' reports, and Ms. Hanig indicated that it is. This year's report, however, includes the COVID-19 Loan and Grant Programs, and noted that the FYE2021 Annual Report will have many more approved COVID-19 Loan and Grant applications.

President Viola, noting no further questions/comments, thanked staff and looked forward to seeing the full Report at the next Board meeting.

c) Setting Date for Annual Meeting of Corporator as November 2, 2020.

On motion made by Ms. Grimes, seconded by Mr. Jennings, the Board voted unanimously to set the date for the Annual Meeting of Corporator as November 2, 2020.

d) Any other business that may come before the Board.

Councilor Chong noted that as the tourist season ends he questioned supporting businesses during the colder months, with Mr. Jennings indicating he would be recommending extending the outdoor dining from November 1 to November 15th. He understands the impacts of the cooler weather coming and also has a call next week with restaurants owners to further discuss.

Councilor Chong suggested extending it longer, for instance December 24th, and asked the City Manager to consider this.

Ms. Hanig noted that through the CAREs grant, she worked with various vendors to get a supply of face masks, hand sanitizers, and hands-free dispensers for sanitizers and gel for those dispensers. The supplies have been delivered to Ocean Gateway, with enough for approximately 500 businesses given free of charge. The give-away will take place during the last week of September. Also, at Ocean Gateway, Transformat will have social screens that restaurants/businesses could request for indoor separation purposes. The CAREs budget has a budget for approximately 35 screens to giveaway; one to each business requesting them.

Councilor Chong noted that artists have difficulty applying for various grants and loans, suggesting banks have a loan officer for those in the arts.

Ms. Hanig said that she can assist in preparation of PDC applications, and also noted the upcoming Arts Summit where she will have a couple of minutes to speak and will bring this up.

Item #4(e): Confidential Delinquency Report - Note: Pursuant to 1 M.R.S.A. 405(6)(F) and 5 M.R.S.A. 13119—A, the Board may go into executive session to discuss/monitor any of the loans listed on the Report.

Item #7: Executive Session: Pursuant to 1 M.R.S.A. 405(6)(F) and 5 M.R.S.A. 13119-A, the Board will go into executive session to discuss proprietary information and receive direction on a possible financial partnership to support a multi-family affordable housing project.

On motion made by Councilor Chong, seconded by Ms. Grimes, the Board voted unanimously at approximately 4:41 p.m. to go into executive session to review Items #4(e) and #7 listed above.

At approximately 5:15 p.m., on motion made by Councilor Chong, seconded by Mr. Dunne, the Board voted unanimously to come out of executive session.

On motion then made by Mr. Dunne, seconded by Councilor Chong, the Board voted unanimously to adjourn.

Respectfully, Lori Paulette

DATE: November 13, 2020
SUBJECT: FYE2020 PDC Annual Report

Attached is the final FYE2020 Annual Report to be presented at the November 19, 2020, Board meeting. You previously reviewed a draft at the September 17th Board meeting, albeit with no attached financials due to their being delayed due to COVID-19 pandemic issues.

Portland Development Corporation
Board of Directors
Fiscal Year End 2020 Annual Report

The Economic Development Department provides the primary staff support to the Portland Development Corporation (PDC) with legal assistance from Corporation Counsel. The Economic Development Department is responsible for marketing and administration of the PDC's Commercial Loan and Grant Programs.

The PDC Board of Directors met eleven times over the course of the fiscal year, not including its Annual Awards Reception held on December 11, 2019 – detailed further below.

In response to the COVID-19 Pandemic, the PDC created three programs to assist businesses, which guidelines were approved by the City Council in May and June 2020. The programs included the COVID-19 Rapid Response Micro Loan Program, the COVID-19 Microenterprise Grant Program, and the COVID-19 BAP Rehire Grant Program. These programs are detailed later in this Report.

It is noted that the PDC invested just under \$780,000 in FY2020 in 24 businesses, which leveraged over \$1.4 Million in private sector funds associated with creating 22 jobs and retaining 125 jobs. FY2020 loan activity included a public to private investment ratio of 1:3, that is for every dollar of public investment, three dollars was invested by the private sector.

PDC Fiscal Year 2020 Loan and Grant Detailed Activity

FY2020 Loans Closed

FY2020 was a year in which the PDC loan portfolio grew with five loans closed for a total of \$434,000. These PDC's loans assisted in retaining 125 jobs and creating 2 new jobs. In addition, these loans leveraged over \$1.42 Million in private commercial investment. Types of businesses provided loan assistance included manufacturing, accounting, and food.

During the past ten years, FY10 through FY2020, the PDC has extended 74 loans for a total of just over \$5.79 Million, while leveraging just over \$80 Million in private investment and creating/retaining over 730 jobs.

PDC Loan Portfolio

As of the end of FY2020, the PDC loan portfolio exceeds \$2.9 Million, with 34 loans under management. This loan portfolio of \$2.9 Million leverages \$31.5 Million in private investment in Portland, for a leverage of \$11 of private funds invested to each dollar of public funds invested. These loans helped to retain 186 jobs and create 120 jobs, and include a diverse mix of PDC investments in businesses noted above, as well as a paddle boat company on Portland's waterfront, day care centers, bakeries, energy, fitness, retail, recreation, education, and service businesses. It is also noted that of the 34 loans under management, 7 are to the immigrant community.

As a result of a successful grant application, beginning in 2012, funds from the U.S. Treasury's State Small Business Credit Initiative (SSBCI) became available to the City as a lending source. To date, the PDC has utilized \$922,500 in SSBCI funds for loans to six Portland businesses. Since the SSBCI Program expired in early 2017, all of the loan funds, once paid off by the borrowers, become the City's, expanding the PDC loan pool by what will likely be over \$1 million.

PDC Lending History

Since its inception in 1991, the PDC has made 177 loans to diverse businesses including manufacturing (e.g., breweries and biosciences), hospitality, restaurants, retail, and service, among others. The following table provides an overall view of the activities:

Total Amount of Funds Lent:	\$11,570,535
Leveraged Amount of Private Financing:	\$125,957,459
Jobs Retained:	1,475
Jobs Created:	818
16 Loans Defaulted*	\$708,480

*Default amount of \$708,480 is 6.12% of total amount of funds lent.

COVID-19 Loan and Grant Programs

In response to the COVID-19 Pandemic, the PDC Board met five times between April and June to create loan/grant programs in support of Portland businesses. As a result, as of FYE2020, the Board has approved a COVID-19 Rapid Response Micro Loan, and four COVID-19 Microenterprise Grants at \$2,500 each. It is anticipated that many more will be approved at the start of FY2021.

Brownfields Grant Award from the United States Department of Environmental Protection (EPA)

The City of Portland applied for a Brownfields Grant from the EPA during FY2016. At the beginning of FY17, the City was awarded a grant of \$800,000 to support loan and grant investments in environmental site cleanup. The City was awarded an additional \$500,000 in cleanup funds and \$200,000 in assessment funds during FY18. The City Council accepted and appropriated these funds to recapitalize the Brownfields Revolving Loan and Grant Program and a Brownfield Assessment Program. The funds will be used as loans to for-profit developers, and, in some cases, as grants to non-profits for clean-up of Brownfields sites throughout the City. The assessment funds will cover the cost of Phase I and Phase II Environmental Site Assessments in Portland.

Brownfield actions of FY18, FY19, and FY2020:

1. In FY18, a loan of up to \$350,000 was approved and provided to Forefront Partners I LP for engineering and clean-up/remediation connected to four projects on Thompson's Point. Those projects include the Suburban Propane redevelopment site, the East Loop Road (to the future Children's Museum and Theatre building), a Pavilion, and a Hotel.
2. Again, in FY18, a \$170,000 grant was approved for Children's Museum & Theater of Maine (CMTM), a non-profit organization which purchased a 1.12 acre property (Lot 7) on Thompson's Point. In this \$14 Million project, CMTM will construct a 3-story 29,000 sq. ft. building on that property with outdoor play areas. This grant will assist in remediation/cleanup of the site.
3. In FY19, a \$125,000 grant was approved for the Portland Housing Authority (PHA) to assist with remediation/cleanup costs for contaminated property at 58 Boyd Street. Once remediated, PHA will develop a six-story, 55-unit mixed income residential building with multi-family affordable apartments (65% low income). Project buildout costs are estimated at over \$13 Million.
4. In FY19, the PDC recommended to the City Council, and the City Council approved, that Phase I and Phase II Environmental Assessments from the Assessment Fund received from USEPA in 2018 (Fund 281) can now be approved administratively, rather than brought to the PDC Board for approval.

If assessments are to use Brownfields Closeout funds (Fund 278), staff will bring these requests to the Board for approval, as it has done in the past.

5. In FY2020, a \$125,000 grant was approved for the PHA to assist with cleanup costs for demolishing 50 units of public housing on Front Street (in the East Deering neighborhood) that are the end of their useful life. In their place, 105 units of affordable mixed-income apartments (for those earning less than 60% of Area Median Income) will be constructed with a significant amount of open space for use by residents. Total project costs for both Phase 1 and Phase 2 is estimated at \$20.5 Million.

Portland Economic Development Plan Implementation Program (PEDPIP) Grant Fund

History:

The PEDPIP Grant Fund was created during FY12 to provide grant funds to invest in economic development projects and programs that carry out Portland's Economic Development Vision and Plan ("Plan"), and its companion Work Plan which is updated every two years. Grants must be matched by an equal or greater dollar amount from funding sources other than the PDC.

The PEDPIP grants have funded planning studies and other "soft" costs associated with economic development projects and programs that advance the initiatives spelled out in the Plan and current Work Plan. PEDPIP does not invest in "hard" costs for public infrastructure or private development projects. Its focus is on expenditures for economic development projects and programs.

The PEDPIP program was initially capitalized by PDC loan funds in the amount of \$250,000 in FY12. The maximum grant amount was originally \$75,000. By the end of 2014, the full \$250,000 had been awarded in PEDPIP grants. During FY2015, the PDC Board recommended to the City Council, and the Council approved, re-capitalizing PEDPIP by establishing a yearly cap at the beginning of each fiscal year using 10% of Unrestricted PDC loan funds that were available/uncommitted, beginning with FY16. They also amended the maximum grant amount to \$15,000.

Since its inception through FY19, the PDC Board approved grants in the total amount of \$465,245 as follows:

Program Discontinued in FY2020

The PDC Board recommended to the City Council discontinuation of this Program because, having been in existence for over 7 years, it produced what it had

intended – to help facilitate the implementation of the primary objectives of the August 2011 Vision and Plan to stimulate private sector investment and growth. The Council voted to discontinue the program at its September 16, 2019, meeting.

Business Assistance Program for Job Creation

The Business Assistance Program for Job Creation offers grants to new and expanding Portland businesses for projects that result in the creation of permanent net new jobs for low/moderate income individuals. A private match is required in an amount that is at least equal to the grant requested. The maximum grant amount per recipient is \$20,000. For every \$10,000 of grant funds, one full-time permanent job must be created.

This program was originally capitalized with \$100,000 from the Community Development Block Grant (CDBG) and launched in May 2012. It was re-capitalized by the CDBG program in FY14 and FY16 with an additional \$100,000 each of those years, an additional \$108,543 for FY18, \$145,000 for FY19, and \$200,000 for FY2020.

Grants awarded since the Program's inception (FY12 through FY2020) total over \$750,000 to 52 recipients, including 11 to the immigrant community, resulting in the creation of 74 jobs. The program has provided assistance to a diverse group of start-up and existing businesses including restaurants, bakeries, food production, clothing and textile manufacturers, pharmacy, computer services, music venue, bicycle sales/service, hair salons, auto repair, and home health care services.

PDC Annual Awards Program

At the 24th Annual Awards Reception on December 11, 2019, the PDC gave awards for PDC Client of the Year, Small Business of the Year, Business of the Year, Economic Achievement Award, and, new this year, a Legacy Award – as follows:

- The ***PDC Client of the Year*** award was given to ***Drifters Wife***

Maine & Loire borrowed funds from the PDC's commercial loan program in 2014 to start a Wine Shop at 63 Washington Avenue, selling only natural wines (organically or biodynamically farmed). A few years later, owners Peter and Orenda Hale incorporated into the Wine Shop a small wine bar called Drifters Wife which also served food. When a larger space on the block opened up at 59 Washington at the beginning of 2018, they moved into it with the Wine Shop on one side and an expanded Drifters Wife restaurant on the other. This August, Drifters Wife was named to Bon Appetit's Hot 10 2018 list of America's best new restaurants. The award was announced shortly after Portland was named 2018 Restaurant

- The ***Small Business of the Year*** award was given to ***Bayside Bowl***

Bayside Bowl has brought new life to Bayside consistent with the *Bayside Vision*. It opened in the Summer of 2010 and immediately became the anchor for everyone wanting great food, bowling, and live music. With its expansion in 2017, it now offers 20 USBC sanctioned lanes, a taco truck, four unique bar spaces, event spaces, and a one-of-a-kind rooftop deck.

Bayside Bowl is also the home of the PBA Elias Cup. Forty of the world's greatest bowlers come to Portland every year to compete live on Fox Sports for this made for TV team championship. It also hosts over 600 bowlers in bowling leagues all year round. The business is owned by Justin Alfond and Charlie Mitchell, and we appreciate their creating this venue in Bayside.

- The ***Business of the Year*** award was given to ***Certify***

Named one of the best places to work in Maine, 4 years in a row, Certify is disrupting the world of spend management with a simple and innovative cloud-based solution that's scalable for companies of every size and industry. Certify offers all of the energy and opportunity of a startup, plus the strength and stability of a revenue-positive industry leader. With sister companies spanning from Los Angeles to Toronto, the Certify family has grown far beyond initial expectations.

Due to its rapid growth, position as an industry leader, and the footprint that it has made on the Portland employment market, Certify well deserves to be named Business of the Year.

- The ***Economic Development Achievement*** award was given to ***Kevin Bunker and Developers Collaborative***

goals. The Developers Collaborative team has years of experience developing and structuring financing for complex projects with a community benefit. DC also works on real estate solutions for some of Maine's most iconic businesses, including The Jackson Laboratory and L.L. Bean.

DC, based in Portland, has redeveloped many historic properties into beneficial uses throughout Maine. Examples in Portland include the Nathan Clifford School redeveloped into apartments, and the Motherhouse (Sisters of Mercy property in the Deering Center neighborhood) redeveloped into a mix of affordable and market rate rental senior housing. In 2017, DC responded to the City's RFP for the sale and reuse of the former Reed School building and property and was awarded the project. A portion of the property has been redeveloped into a new facility for Children's Odyssey, a pre-school for children with learning challenges. The rest of the property will be redeveloped into eight residential units. The company is now focused on further redevelopment of the former Sisters of Mercy campus. Notable elements of this include the former Maine Girls' Academy, formerly Catherine McAuley High School, and renovating 66 State Street into an affordable housing project, with a lodging house with 38 rooming units and 30-units of rental housing.

TO: President Julie Viola and PDC Board Members
FROM: Nelle Hanig, Business Programs Manager
CC: Greg Mitchell, Economic Development Director
DATE: November 13, 2020
RE: **Amendment to COVID-19 Loan and Grant Programs**

The redlined versions of the three program guidelines are attached.
