Legislative Committee May 4, 2021 Meeting Minutes

The May 4, 2021 remote Committee meeting was called to order by Chair Pious Ali at 8:09 AM on Zoom.

Councilor Pious Ali (Chair), Councilor April Fournier, Council Nick Mavodones, Mayor Kate Snyder, City Manager Jon Jennings, City Clerk Kathy Jones, Dena Libner (Chief of Staff), Kate Knox (Bernstein Shur), Alysia Melnick (Bernstein Shur), and Chris Feeney (Bernstein Shur) were present.

Councilor Mavodones made a motion to approve the meeting minutes from April 27, 2021, seconded by Councilor Fournier, vote 4-0.

There were no new, relevant bills slated for Committee discussion, and no discussion of testimony provided by staff.

Councilor Ali asked Kate Knox for information related to LD 1611. Kate said it was not clear to her if this bill would be relevant to Portland or not. Dena said Corporation Counsel had reviewed the bill language and also did not think the bill was relevant to the City, but that staff would continue to review the bill. Mr. Jennings said he had discussed the bill with MMA, and learned that the existing State law requires municipal approval; the last time the Portland Council reviewed this, they voted to make Portland a “dry town.” LD 1611 would allow any track within 25 miles to get a gaming license without municipal approval. MMA is not taking a position; Mr. Jennings said he did not see this as having a direct impact in Portland unless the Council permitted off-track betting or any of the other activities addressed in the bill.

Kate Knox reviewed a list of upcoming hearings and work sessions. Staff confirmed that testimony was submitted for LD 1448, and that they would try to make sure the Tax Assessor would provide verbal testimony as well. The Committee confirmed that councilors may testify as private individuals on any of the bills being heard; Mr. Jennings confirmed that staff would testify in opposition to LD 1238.

The Committee discussed LD 1342 and LD 1418, both of which were scheduled for an upcoming hearing and for which the Committee had expressed support. Mr. Jennings asked Kate for advice on whether Portland should weigh in. She said she was neutral because the local option discussion would be a more challenging argument to make because the State has more money than it normally does. She said Portland has been very out front on these issues in the past. Mr. Jennings said he was surprised at how supportive MMA's Legislative Policy Committee was on these bills. Councilor Mavodones said that if it wasn't believed that testifying wouldn't be detrimental to the bills, he would support weighing in.

Mr. Jennings asked Kate if she has heard any information about the full funding of revenue-sharing in the schools. She said she had heard similar information, but did not know for sure if this would occur. She said a draft of the supplemental budget may be available the week of May 10, 2021, and that could provide more information.

Councilor Ali suggested that items on the Committee's 2021 Work Plan be discussed at the following meeting.

Councilor Fournier made a motion to adjourn the meeting, seconded by Councilor Mavodones, vote 4-0. The meeting was adjourned at 8:40 AM.

Re: New Legislative Bills Report

Please find below the new legislative documents (LD) printed this week that we have flagged to be of possible interest to your organization. Please indicate to us which bills you would like included on your tracking report.

Thank you.

COP-GENERAL

LD 1638

(SP522)

An Act To Help Seniors and Certain Persons with Disabilities Remain in Their Homes by Providing for the Deferral of Property Taxes

Staff have not had an opportunity to review.

LD 1640

(SP524)

An Act To Enact the Campus Free Speech and Free Press Act

This does not impact City operations.

LD 1641

(SP526)

An Act To Ensure Continued Access to Film and Stage Theaters and Music Venues

This does not impact City operations.

LD 1642

(SP527)

An Act To Allow Affirmation of a Local Option Referendum by the Municipal Officers or County Commissioners

Staff support.

LD 1647

(SP532)

An Act To Authorize a General Fund Bond Issue To Provide Funds for Infrastructure Projects across the State and To Direct the Department of Environmental Protection To Establish a State Infrastructure Adaptation Fund and Predevelopment Assistance Program

Staff support.

LD 1654

(HP1225)

An Act To Stabilize State Funding for County Corrections

This does not impact City operations.

LD 1656

(HP1227)

An Act To Promote Energy-efficient Affordable Housing

This not does not impact City operations.

LD 1658

(HP1229)

An Act To Increase Campaign Finance Transparency and Accountability in Municipal Elections

City Clerk and MTCCA support.

LD 1673

(HP1244)

An Act To Create a Comprehensive Permit Process for the Construction of Affordable Housing

Staff have concerns that this bill strips away the authority of boards such as the planning board and historic preservation, and gives it to the ZBA, which has no experience in such projects. It also appears to put the entire building permit process in ZBA's hands, although they are not technical plan or life safety reviewers.

LD 1659

(HP1230)

An Act To Create the Maine Clean Energy and Sustainability Accelerator

Staff support and would like to testify in favor.

LD 1682

An Act To Require Consideration of Climate and Equity Impacts by the Public Utilities Commission

Staff support and would like to testify in favor.

LD 1666

An Act To Direct the Public Utilities Commission to Implement a Statewide, Multi-use Online Energy Data Platform

Staff support and would like to testify in favor.

COP-SCHOOL

LD 1672

(HP1243)

<u>290</u>	346	An Act To Stabilize Property Taxes for Individuals 65 Years of Age or Older Who Own a Homestead for at Least 10 Years	Stewart	TAX	<u>Bill Text</u>	Oppose	5/12/21 9:30 AM Rm 127 SH			Tax	The property tax amount is not a number that can just be frozen in our internal systems. The property tax for each individual parcel is a computation derived of two parts - the assessed value of the property multiplied by the tax rate for the corresponding fiscal year. In order to keep a tax amount "stabilized" there would need to be an adjustment made to one of these parts or at the very least, an abatement done to subtract the overall difference to arrive at the same "stabilized" tax amount each year. I object to the provision that someone eligible for a "stabilized" tax could move it with them to another municipality. Imagine someone living in Machias in a 1500 sq. ft., 3 bed, 1.5 bath home assessed at \$200,000 and paying \$4,000 in taxes downsizes and moves to a condo in Portland where the taxes may be \$6,000 otherwise. Let's say instead of downsizing, the eligible individual upsizes to create a larger home for extended family. Who wouldn't want to move their grandmother to an Eastern or Western Promenade property to take advantage of her "stabilized" eligibility to pay only \$4,000 in taxes on a property that would otherwise be taxed at \$8,000, \$10,000 or \$12,000 with the State picking up the difference?

From: Troy Moon, Sustainability Director

Date: May 10, 2021

Regarding: City of Portland, Maine testimony to the State of Maine 129th Legislature's JOINT STANDING COMMITTEE ON ENVIRONMENT AND NATURAL RESOURCES in support of LD 1541, *"An Act To Support and Improve Municipal Recycling Programs and Save Taxpayer Money."*

Senator Brenner, Representative Tucker, and members of the Committee:

Thank you for the opportunity to testify on behalf of the City of Portland in support of LD 1541 *"An Act To Support and Improve Municipal Recycling Programs and Save Taxpayer Money."*

Like most municipalities in Maine, the City of Portland spends a significant amount of money each year to collect, process, recycle, and dispose of consumer goods residents no longer need or want. In our case, City employees provide a weekly collection of trash and recyclables at the curb. Operating our fleet of collection vehicles and paying our employees costs approximately \$2.5 million annually. Our disposal cost for trash at ecomaine is about \$700,000 per year. Historically, our tipping fee for recyclables was \$0.

In 2019, the ongoing crisis in recycling markets forced ecomaine to begin charging its owner communities a recycling tipping fee. Contract and associate members began paying the recycling tipping fee in 2018. Portland has seen an additional cost of about \$200,000 per year. Some communities have seen tipping fees for recyclables exceed \$100 per ton, which has challenged their budgets and forced them to pare down or eliminate their recycling programs.

The City of Portland has a long commitment to recycling and sees it as an essential part of our waste management strategy. We started our curbside collection and pay as you throw (PAYT) program in 1999. Since that time, we have reduced the amount of trash delivered to the ecomaine's waste to energy facility by more than 60% -- from over 23,000 tons to under 10,000 tons per year. We have increased our recycling tonnage from less than 1,000 tons per year to

nearly 6,000 tons per year. Although we are proud of this effort, we will need to do much more. Our climate action plan calls for us to be a zero waste community by 2050.

We believe companies that sell consumer goods should help Portland and other Maine communities achieve their waste management goals by participating in the end of life costs of their products. Right now, they have no incentive to make their products recyclable, make them durable, or to limit the amount of packaging used to contain and ship them. These private companies rely on property tax payers in cities and towns across Maine to pick up the cost, whatever it may be, to collect, recycle, or dispose of their products. LD 1541 would provide consumer goods companies with a financial incentive to reduce packaging and to make their products more readily recyclable or reusable.

This would help Maine some very important ways:

1. Make progress toward Maine's goal to recycle 50% of its waste

Maine's recycling rate has remained stagnant for many years and we have failed to reach our stated goal to recycle 50% of the waste produced in the state. Less packaging and more readily recyclable consumer goods will help move the needle.

2. Provide financial relief for Maine municipalities

As things stand, Maine's property taxpayers subsidize the largest and most successful companies in the world by paying to dispose of or recycle unwanted consumer goods. Waste disposal is a large portion of every municipal budget. Financial contributions from industry to assist with this cost would free up money for other vital services and allow greater expenditures on waste reduction efforts.

Extended producer responsibility (EPR) laws are not new. Most industrialized countries in the world have adopted them because they are successful. According to the Product Stewardship Institute, European countries with EPR have recovery rates for paper packaging that exceed 70%. Maine has been a leader in the United States by enacting EPR or Product Stewardship laws for a variety of products including electronics, cell phones, and paint. Maine should continue this leadership by adopting an EPR law for packaging. For this reason, we urge passage of LD 1541.

Testimony of Troy Moon, Sustainability Director, City of Portland before the Environment & Natural Resources Committee in Support of LD 57, "An Act to Reduce the Landfilling of Municipal Solid Waste"

May 10, 2021

Senator Brenner, Representative Tucker, and distinguished members of the Joint Committee on the Environment and Natural Resources, thank you for the opportunity to testify on this legislation. My name is Troy Moon, and I am the Sustainability Director in the City of Portland.

On behalf of the City of Portland, I am pleased to support LD 57, "An Act to Reduce the Landfilling of Municipal Solid Waste" because it aligns with the City of Portland's goal to become a zero waste community by 2050 and because it aligns with the State's official policy to follow the waste management hierarchy, which calls for waste reduction, re-use, and recycling before disposal. Our experience in Portland has shown that this approach works. We began our curbside recycling and "pay as you throw" programs in 1999 and our residents have embraced them. During the past 20 years Portland has reduced our municipal waste disposal by over 60%, from 23,000 tons per year to about 9,500 tons per year. Our recycling rate has risen from less than 1,000 tons per year to over 5,000 tons per year. On Earth Day this year we began a residential food composting program to divert organic waste. These efforts to reduce waste and to recycle have saved our taxpayers millions of dollars, reduced greenhouse gas emissions, and conserved natural resources.

We have made a lot of progress but we still have a long way to go to reach our waste reduction goals. LD 57 can help us get there. By placing a fee on landfilled waste, this bill sends a financial signal that landfilling is an undesirable outcome. It also creates a funding stream for the Maine DEP to better support waste reduction. All of Maine's cities and towns, including Portland, will benefit from a better resourced, statewide waste reduction program that can offer technical support, educational resources, and perhaps funding for our programs. Waste reduction and recycling decreases energy consumption, limits the use of raw materials, and promotes a circular economy based on reuse. LD 57 advances these efforts and aligns Maine's waste handling fees with the waste management hierarchy.

Thank you for the opportunity to provide this testimony.

LD 1238
Testimony in Opposition**

Senator Carney, Representative Harnett, and distinguished members of the Joint Standing Committee on Judiciary, my name is Aaron Geyer, Director, Social Services Division of the Health & Human Services Department for the City of Portland submitting testimony in great opposition to LD 1238.

The City of Portland operates the largest single adult and the largest family shelters in the state of Maine. We do not discriminate on the basis of sex or gender, this legislation would seemingly circumvent anti-discrimination protections afforded to Mainers in the Maine Human Rights Act. This bill seems to align with attempts to weaken the Department of Housing and Urban Development (HUD) Equal Access Rule that ensures access to federally funded shelter regardless of sexual orientation or gender identity. In an April 22, 2021 press release, HUD described a proposed rule change as one that would “have allowed shelter programs and operators to subject transgender individuals to inappropriate and intrusive inquiries, deny them accommodations, and subject them to greater harassment.”

HUD Secretary Marcia L. Fudge said “Access to safe, stable housing-and shelter-is a basic necessity,” and that “unfortunately, transgender and gender non-conforming people report more instances of housing instability and homelessness than cis-gender people. Today, we are taking a critical step in affirming HUD’s commitment that no person be denied access to housing or other critical services because of their gender identity.” LD 1238: An Act to Protect Women’s Single-sex Shelters puts all women seeking shelter at risk of intrusive inquiries and specifically compounds the vulnerability trans women face. As a shelter provider we can’t place more barriers between women and safety. I ask that you please take the same critical step for Maine’s most vulnerable women; LD 1238 ought not to pass.

Thank you for your consideration.
