Committee Amendment to LD 484, An Act To Change Maine's Tax Laws

NEW TITLE:

Amend the bill by striking everything after the enacting clause and substituting the following:

Sec. 1. 36 MRSA §4641-B, sub-§E is amended to read:

E. In fiscal ~~year~~ years 2015-16 ~~and each fiscal year thereafter to 2021-22~~, the Treasurer of State shall credit the revenues derived from the tax imposed pursuant to section 4641-A, subsection 1 in accordance with this paragraph.

(1) At the beginning of the fiscal year, the Maine State Housing Authority shall certify to the Treasurer of State the amount that is necessary and sufficient to meet the authority's obligations relating to bonds issued or planned to be issued by the authority under Title 30-A, section 4864.

(2) On a monthly basis the Treasurer of State shall apply 50% of the revenues in accordance with this subparagraph. The Treasurer of State shall first pay revenues available under this subparagraph to the Maine State Housing Authority, which shall deposit the funds in the Maine Energy, Housing and Economic Recovery Fund established in Title 30-A, section 4863, until the amount paid equals the amount certified by the Maine State Housing Authority under subparagraph (1), after which the Treasurer of State shall credit any remaining revenues available under this subparagraph to the General Fund.

(3) On a monthly basis, the Treasurer of State shall credit 50% of the revenues to the Maine State Housing Authority, except that, notwithstanding paragraph F, in fiscal year 2015-16, the Treasurer of State shall first credit \$6,291,740 of the revenues available under this subparagraph to the General Fund and except that, notwithstanding paragraph F, in fiscal year 2016-17, the Treasurer of State shall first credit \$6,090,367 of the revenues available under this subparagraph to the General Fund and except that, notwithstanding paragraph F, in fiscal years 2017-18 and 2018-19, the Treasurer of State shall first credit \$2,500,000 of the revenues available under

this subparagraph to the General Fund. The Maine State Housing Authority shall deposit the funds received pursuant to this subparagraph in the Housing Opportunities for Maine Fund created in Title 30-A, section 4853

Sec. 2. 36 MRSA §4641, sub-§4-B, ¶E-1 is enacted to read:

E-1. In fiscal year 2022-23 and each fiscal year thereafter, the Treasurer of State shall credit the revenues derived from the tax imposed pursuant to section 4641-A, subsection 1 in accordance with this paragraph.

(1) At the beginning of the fiscal year, the Maine State Housing Authority shall certify to the Treasurer of State the amount that is necessary and sufficient to meet the authority's obligations relating to bonds issued or planned to be issued by the authority under Title 30-A, section 4864.

(2) On a monthly basis the Treasurer of State shall apply the revenues in accordance with this subparagraph. The Treasurer of State shall pay revenues available under this paragraph to the Maine State Housing Authority, which shall first deposit funds in the Maine Energy, Housing and Economic Recovery Fund established in Title 30-A, section 4863, until the amount deposited equals the amount certified by the Maine State Housing Authority under subparagraph (1), after which the Maine State Housing Authority shall deposit the remaining funds received in the Housing Opportunities for Maine Fund created in Title 30-A, section 4853.

Summary

This amendment replaces the bill. The amendment changes the distribution of revenue from the real estate transfer tax on property transfers by deeds to provide that beginning in fiscal year 2022-23 revenue received by the State would be distributed entirely to the Maine State Housing Authority for deposit in the Housing Opportunities for Maine Fund after the transfer of funds identified to be used by the Maine State Housing Authority for deposit in the Maine Energy, Housing and Economic Recovery Fund to meet the authority's obligations relating to bonds issued or planned to be issued by the authority for the Maine Energy, Housing and Economic Program.

290	346	An Act To Stabilize Property Taxes for Individuals 65 Years of Age or Older Who Own a Homestead for at Least 10 Years	Stewart	TAX	Bill Text	Oppose	5/12/21 9:30 AM Rm 127 SH	5/25/21 9:00 AM Rm 127 SH	Carry over approved 7/19/21	Tax	The property tax amount is not a number that can just be frozen in our internal systems. The property tax for each individual parcel is a computation derived of two parts - the assessed value of the property multiplied by the tax rate for the corresponding fiscal year. In order to keep a tax amount "stabilized" there would need to be an adjustment made to one of these parts or at the very least, an abatement done to subtract the overall difference to arrive at the same "stabilized" tax amount each year. I object to the provision that someone eligible for a "stabilized" tax could move it with them to another municipality. Imagine someone living in Machias in a 1500 sq. ft., 3 bed, 1.5 bath home assessed at \$200,000 and paying \$4,000 in taxes downsizes and moves to a condo in Portland where the taxes may be \$6,000 otherwise. Let's say instead of downsizing, the eligible individual upsizes to create a larger home for extended family. Who wouldn't want to move their grandmother to an Eastern or Western Promenade property to take advantage of her "stabilized" eligibility to pay only \$4,000 in

While it allows a school Board to adopt a policy to allow homework, it is overly broad to say that homework is not allowed at all unless that specific action is taken. School districts should retain the ability to empower administrators and teachers to assign homework. We support the aspect of the bill that calls for a study of homework, but would like to see it extended throughout all grades and focus in particular on ways in which homework can be used to support what students are learning but not be used as a punishment or negatively impact a student's performance.

Legislative/Nominating Committee 2022 WORK PLAN -DRAFT

Committee Goals

My hope for this committee this year is to have close collaboration with the state delegation to help align our actions locally and at the state, have good conversations around how we can best support each other, and ensure our meetings are productive and efficient for all of us.

- Review Committee goals in context of Council goals (I have listed my priorities based on discussion with council members and our council goal setting workshop)
 - Housing
 - Homelessness
 - Public Safety
 - Racial Equity
 - ARPA Funding
 - Pandemic Response
 - Refugee/Asylee Support
- Review interview questions and process for nominating activities
 - Kathy has reviewed all board and committee interview questions and will begin outreach to chairs on reducing questions to 3 the nominating committee will ask during interviews.
 - Kathy has outlined nomination and interview timelines to help with crafting our annual workplan and help us prepare well ahead of time in setting aside time for interviews and ensuring good public notice and outreach.
- Revise City of Portland website to reflect process and timing regarding all Boards and Committees
 - Would like to explore this further with Kathy and Jessica Grondin on what's coming up for the city website
- Develop strategy to engage and collaborate with Portland delegation to Augusta
 - Conversations have begun with how we best collaborate. Considering more frequent meetings at the beginning of the session and exploring an in-person outside coffee/breakfast event to work on relationship building
- Finetune work plan / communications / organizational process re: nominating work
 - Would like a procedure documented for how the nominations process works,

roles and responsibilities, timelines and best practices to prepare for the transition of this work when Kathy retires.

- Establishing support and focus of City Clerk, City Manager, and Corporation Counsel
 - Clarifying roles and responsibilities for who is involved with which activity this committee works on
- Connect with policy stakeholders (Portland delegation, school board)
 - Would like to amend this to more focus on creating or refining procedure which the legislative portion of the committee review a policy position, craft testimony, testify, submit testimony and work with the city staff to ensure we are not contradicting each other on behalf of the city. How do we ensure that the city is speaking with one unified voice?

Committee Activity by Quarter (this looks ok, we can review in committee)

Q1 (January through March)

- Review State legislation and plan any priorities for testimony
 - Plan council/delegation coffee/breakfast, need outside location with heaters and masking required
- Review/interview applicants to boards/commissions (Jan call for noms/Feb interviews)
 - Consider how to diversify the committees and boards, what type of outreach to community groups is possible to explain what these positions do?
- Review nominating work scheduling and process (begin work on procedure documentation)
- Ensuring legislative priorities align with Council goals (bi-weekly or 2x/month meetings during this quarter)
- Is there a potential to meet or invite congressional delegation to join and talk about their work, hear our priorities and just build relationships?

Q2 (April through June)

- Special Election for school board & school budget elections in June
- Any open board/commission seats and nominating work (are there any openings that we need to interview for mid-year or can we plan for winter and fall interviews and appointments?)
- Committee meets with City Clerk to plan nomination work process
 - Kathy will be retiring (and we will miss her!!!), what do we need to know, document, clarify, or complete before she is done?

Q3 (July through September)

- Committee meets with City Clerk to plan nomination outreach process

Q4 (October through December)

- New clerk or Interim Clerk onboarding

Q4 (Oct-December)

- Staff develop State priorities memo for Committee review (November)
- Committee requests councilors' input on State/Federal priorities (November)
 - Should we have a specific invite to the council to attend a special meeting to review staff priorities and add any council priorities
- Staff develop Federal priorities memo for Committee review
 - We have not had much engagement with our congressional delegation. Can we explore this, but look at Q1 or Q2 engagement
