

City of Portland, Maine
Remote Finance Committee Meeting
Thursday, May 26, 2022
5:00 PM, Remote via ZOOM

AGENDA

PUBLIC COMMENT INFORMATION

To submit written public comment on an agenda item, email finance@portlandmaine.gov. Submissions must be received by 12:00 pm the day before the Finance Committee meeting to guarantee their inclusion in the agenda packet. All submissions must include the commenter's name and legal address. To help ensure your comment is submitted for the correct item, please include the name of the agenda item (see below).

ZOOM MEETING INFORMATION

This meeting will take place remotely using Zoom.

This meeting will be held remotely pursuant to the Remote Meeting Policy adopted by the Portland City Council and as authorized under 1 M.R.S. 403-B because of the existence of an emergency or urgent issue that requires the committee to meet by remote methods. Allow your computer to install the free Zoom app to get the best meeting experience. If you are not able to attend live, a recording will be available in the Agenda Center following the meeting. For agenda items where public comment is scheduled, you will need to use the "raise your hand" feature. To raise your hand via the telephone, please hit *9. You will be unmuted by the host when it is time for public comment.

1. Introductions

2. FY23 City Manager Recommended Budget (PUBLIC HEARING & VOTE)

The Committee will continue review of the FY23 City Manager Recommended Budget. At the current meeting the Finance Committee will receive answers to any remaining Council questions where responses have not yet been provided previously. The Committee will also hold a public hearing on the FY23 City Manager Recommended budget. The Committee is scheduled for a vote regarding recommendation of the FY23 City Manager's Recommended budget to the full City Council for final approval at the June 6, 2022 meeting.

Written Public Comment on Item #2

3. Portland Growing Child Care Grant Update

Staff will provide an update on the Portland Growing Child Care Grant program (<https://www.portlandmaine.gov/2751/Portland-Growing-Child-Care-Grant>), total number of grants approved to date and discuss potential expansion of the program to larger providers. This is a discussion item only, no action is scheduled to be taken.

4. Adjournment

City of Portland, Maine

City Manager's Recommended Budget

FY23 Budget

July 1, 2022 – June 30, 2023

City of Portland | Executive Department

Danielle P. West, *Interim City Manager*

To: Mayor and Members of the Portland City Council

CC: City of Portland Staff

From: Danielle P. West, Interim City Manager

Date: April 25, 2022

Re: City Manager's FY23 Recommended Budget

Pursuant to Article VI, Section 5(e) and Article VII, Sections 5 and 6 of the City of Portland Charter, I am hereby submitting the City Manager's Recommended \$333.9 million FY23 Municipal Operating Budget. It's a pleasure to serve as Interim City Manager during this time of transition, and I thank you for the trust you have placed in me. I'm humbled and honored to lead our dedicated group of public servants who work tirelessly each day to provide excellent municipal services to and for the City of Portland and its residents. I'd also like to thank you for your patience and understanding following my [communication](#) in which I expressed that it was in the City's best interest to delay the budget presentation so that we could make every effort to not propose overly increasing the property tax rate or making significant cuts to core municipal services.

The last several years have tested us all in many ways, and while we have learned to operate differently and seen many, although not all, of our revenue streams come back to their pre-pandemic levels, there are new challenges that we face. One such budget challenge that has presented itself as a big obstacle this year is something to which no one is immune. The unexpected 7% rise in inflation during 2021 is affecting all of our departmental budgets in one way or another through higher costs for goods and services, fuel, and labor.

The second, and larger, budget challenge we face is quite unique to Portland, though it has regional and statewide implications. The State of Maine and the City of Portland continue to attract record numbers of asylum seeking families from the southern U.S. border, and record numbers of circumstantially and chronically homeless individuals, seeking emergency shelter services. As I have previously stated, we are proud to be a welcoming city, take our General Assistance (GA) obligation seriously, and understand the value and benefits of having new residents in Maine, but we are in a dire situation. Our staff is stretched thin and cannot adequately provide the required resources to the hundreds of new arrivals, our shelters are beyond their capacity, and it is increasingly harder to find enough hotels to provide overflow. On top of this, the cost of providing the overflow hotel rooms is unsustainable. At the time of writing this letter to you, we are providing shelter to 1,602 people each night in six communities to meet the need that stretches beyond our two City-operated shelters.

It is currently projected that the annualized cost of providing overflow hotel rooms just to those who have already presented at Portland's GA office will now exceed \$45M, more than doubling the City's HHS budget in just a single year. Of course, this figure does not account for future arrivals, and the City has been seeing nearly 100 individuals arriving per week during the last month so the cost could continue to rise significantly in the coming months. The increase in the City's HHS budget for FY23 represents nearly 80% of the City's total FY22 to FY23 budget increase.

Under the State's GA law, the State of Maine currently reimburses all municipalities for 70% of the GA costs described above, and the municipality is required to cover the remaining 30%. Thankfully,

as a result of the pandemic, the City will also receive FEMA reimbursement for its 30% share in FY22. Those FEMA funds, however, will no longer be available as of June 20, 2022.

In an effort to not have to increase the property tax rate or make significant cuts to City services, the Mayor, myself, and other members of City staff have been working diligently with our State and Federal delegations, as well as the Governor's Office, to find solutions and alternative sources of funding for increased GA reimbursement, temporary housing of asylum seekers, and resettlement coordination. Due to these circumstances, the budget I'm presenting continues to dedicate a significant amount of our money and staff resources to providing social services, emergency shelter, public health, and long-term care to our neediest populations. However, I can't stress enough that we can't continue to do this alone. We will continue to need regional and state assistance as we move forward into FY23.

As you know, we drastically reduced our budget two years ago in light of the impact COVID had on our revenue streams and the impact it had on our taxpayers. Last year, you approved a measured and moderate budget; one that would minimize a tax rate increase, but also start the process of getting us back to where we were before the pandemic hit. The City had COVID related revenue losses of nearly \$28M during FY21 and the tail end of FY20. And many key revenue categories dropped by millions of dollars in FY22. We are thankful that Portland received \$46.2 million in federal American Rescue Plan Act (ARPA) funds to help cover these lost revenues and fund one-time transformational projects. We're also thankful to the Council for balancing all of our needs and approving a phased approach to using these funds, allocating the use of \$8.75 million in FY22. The FY23 budget contemplates using \$5.5 million of ARPA funds and we anticipate using \$2.75M million in FY24 to recoup remaining losses as revenues climb back. After addressing the COVID related revenue losses in City budgets, the use of remaining ARPA funds will be decided by the Council with staff recommendations made outside of the fiscal year budgeting process.

In addition to revenue losses, our GA budget increases, and inflation, we continue to face many other cost increases including in debt service costs (an approximately \$1 million increase in our pension obligation bond debt service alone), in the tax levied by Cumberland County, in our required METRO contribution, and in contractually obligated union wage increases.

While we always ask our Department Directors to take a hard look at their budgets and achieve any cost savings, there are things they need in order to provide our core municipal services. Due to many costs outside of their control, the departmental level budget requests resulted in a tax levy increase of nearly \$30M dollars. This meant that the Finance Director and I had to make some very hard decisions in order to present you with a recommended budget that contains a property tax rate increase lower than inflation.

We have worked hard to reduce existing expenses and increase revenue streams to avoid having to cut any existing full-time equivalent (FTE) staff positions. However, we did have to put off adding most new positions that Department Heads requested that were not offset by associated revenues. After cutting 65 FTEs two years ago, and then restoring 20.5 last year, we had originally hoped to continue rebuilding during FY23. With the exception of Parks & Recreation, where the year over year increase of 13 positions is notable (but also balanced and more than fully offset by additional revenues within the Department), we were unable to restore most other staff positions. Despite these realities, we have worked to address some of the Council's stated priorities including setting aside \$150,000 in funds for the creation of a Diversity, Equity and Inclusion Office, additions to staff in the Sustainability Office, among other things.

In light of all this, I'm presenting you with a recommended budget that includes a **5.5% increase in the tax rate** on the City side of the overall budget with a new city-side mill rate of \$6.56 per \$1,000 of assessed property value. It should be noted that if it weren't for the use of \$5.5 million in ARPA funds, as well as the use of debt service reserves and an increase in revenue sharing in this budget,

we'd be looking at a projected tax rate increase of approximately 17% to maintain current levels of municipal services.

Additionally, thanks to our efforts with our state and regional partners as described above, we learned today that we will be receiving a portion of one-time state funding to address emergency housing of homeless individuals. As I have said, the tax rate increase included in this recommended budget is projected to be 5.5%, but this may need to be adjusted and/or additional cuts made since this one-time funding we have been allocated is significantly less than anticipated. We plan to work diligently with the Council to address this issue through the upcoming Finance Committee budget review process.

Please note that should there be any additional priorities the Council wants to address, I felt it most appropriate for those decisions to also be made by the Council during the Finance Committee budget review process.

To provide some context on changes in the City budget over the last several fiscal years, the following is a chart that outlines the City, County, and School portions of the tax levy since FY16:

FY 16 - FY23 City of Portland Tax Levy History & Breakdown							
	MUNICIPAL PORTION				SCHOOL PORTION		OVERALL
Fiscal Year	City Tax Levy	City % of Total	County Tax Levy	County % of Total	School Tax Levy	School % of Total	City of Portland Tax Levy
FY16	\$75,785,193	47.6%	\$5,240,009	3.3%	\$78,073,211	49.1%	\$159,098,413
FY17	78,445,570	47.8%	5,417,119	3.3%	80,331,376	48.9%	164,194,065
FY18	80,187,454	47.5%	5,907,743	3.5%	82,787,921	49.0%	168,883,118
FY19	83,323,749	46.9%	6,288,845	3.5%	88,003,431	49.5%	177,616,025
FY20	86,173,337	46.3%	6,640,316	3.6%	93,345,139	50.1%	186,158,792
FY21	86,743,535	46.1%	7,011,159	3.7%	94,338,744	50.2%	188,093,438
FY22	83,867,622	44.1%	7,147,309	3.8%	99,083,251	52.1%	190,098,182
FY23 Proposed	89,023,703	44.4%	7,563,215	3.8%	103,851,071	51.8%	200,437,989
The City portion of the overall tax levy has increased by \$13.2M or 17.5% since FY16 (2.03% CAGR)							
The County portion of the overall tax rate has increased by \$2.3M or 44.3% since FY16 (4.69% CAGR)							
The School portion of the overall tax rate has increased by \$25.8M or 33.0% since FY16 (3.63% CAGR)							

CAGR = Compound Annual Growth Rate

FY22 RECAP

FY22 had us operating within the new confines of the COVID-19 pandemic. There were times in which we reverted back to emergency response mode as new variants and spikes ebbed and flowed. I am so proud of the way in which our staff managed the pandemic and how they never failed to respond to the needs of our community. While our outlook now remains hopeful, I'm cognizant of the toll the pandemic and the current labor market has had on our workforce. They have had to do more with less given budget constraints, but also due to major staff vacancies in many of our front-line service departments. During this last year we've averaged roughly 200 vacancies at any given time. We've also had several vacancies in our department leadership positions, which means many people have been doing multiple jobs at any one given time.

While we are happy to be back together in-person, I'm proud of the lessons we learned over the last several years. In many ways, we've incorporated these lessons into our workflows to provide enhanced customer service. For example, the ability to make an appointment to register your car means that you no longer have to wait in long lines, and the ability to participate in public meetings remotely means you can more easily interact with elected and appointed officials, and staff. It's exciting to see this increase in community engagement as our work is improved when we hear more

feedback from our constituents.

Our Health & Human Services Department moved into its new location at 39 Forest Avenue, allowing all administrative and program staff to be housed in one location. This has greatly improved their work, but also their camaraderie as colleagues. As the social services center of the state, our commitment to providing key health and human services became even more necessary as people continued to feel the effects of the pandemic. Our emergency shelter services expanded as need increased, operating a second 24-hour shelter facility. The second facility became a contracted hotel with 149 individual rooms. This created appropriate social distancing allowing those who needed emergency shelter to safely access it during the pandemic. Additionally, individuals were provided non-congregate shelter options through emergency general assistance. The housing teams at both Oxford Street and Family Shelters did a tremendous job overcoming housing challenges due to the pandemic. Our staff worked extremely hard to find permanent housing solutions for our most vulnerable neighbors, as well as working with area landlords to keep formerly homeless individuals housed. The Oxford Street Shelter placed a total of 102 clients, 30 of whom were long-term stayers into permanent housing. The 102 housing placements represent 27,228 bed nights or 75 years. The 30 long term stayer placements represented 17,421 of those bed nights or 64%. The Family Shelter served 106 families, and housed 102 families totaling 352 individuals.

Additionally, this past year, the Public Health Division continued to respond to the COVID-19 pandemic by organizing City and community vaccination clinics and prevention efforts. To date, 634 COVID-19 vaccinations have been administered from the Public Health Division. The Division and all of its services moved from three locations to 39 Forest Avenue in November, 2021. The clinics at 39 Forest Avenue have continued to provide STD, primary care, and harm reduction services to Portland's underserved communities. Harm reduction services were also expanded to include the distribution of fentanyl test strips in March, 2022. Since distribution began, staff have distributed over 150 kits (three test strips/kit).

I'm pleased to report that we broke ground on the new Homeless Services Center at 654 Riverside Street on March 29. In 12 months from now, this modern emergency shelter facility will replace the inadequate shelter on Oxford Street with on-site access to food, health care, housing counseling, and all other related wrap-around services in order to provide a more humane experience for those who are in need of these critical and basic services. We'll soon be creating an advisory group consisting of representatives from the neighborhood association, neighborhood residents, area businesses, Portland Police, Homeless Services Center staff, Homeless Services Center clients, the District Attorney's office, Portland Trails, and the District 5 City Councilor to ensure our commitment to being a good neighbor.

In our Planning & Urban Development Department, 2021 included a significant amount of both development review and long range planning activity. For approval of new housing, it was a record year, with 925 dwelling units approved (not including single and two family homes), far exceeding the also high numbers of dwelling units approved in recent years. Ninety-five of those were dedicated low income housing units, 100 were Inclusionary Zoning units, and a combined \$1,115,880 in Jill C. Duson Housing Trust contributions as a result of Inclusionary Zoning and Hotel Inclusionary approvals. Though small and medium sized projects contributed to the overall housing approved in Portland in 2021, several large initiatives contributed to the higher than average numbers, including at 52 Hanover Street (171 dwelling units), 200 Federal Street (263 dwelling units), and the former Mercy Hospital site (170 dwelling units). Other notable projects shepherded through the planning process in 2021 include USM campus expansion plans; the new Homeless Services Center; the multi-phase former Mercy Hospital site; and zoning amendments that extended the B-3 zone to encompass portions of Winter and State Streets, as well as rezoning of the Douglass and Lambert Street properties, to facilitate greater housing development and use flexibility.

Planning & Urban Development has also made significant progress on its long-range planning and policy initiatives. Some highlights include, in the transportation realm, beginning work on a citywide Bikeshare program in preparation for a 2022 launch, new and better bike lane outreach and planning, and neighborhood byway implementation through our Better Bikeways Initiative. Public space initiatives include work on Congress Square redesign and Portland Harbor Common, as well as trail and pathway projects. Planning's Public art achievements in 2021 include finalization of the installation of the Deering Street Roundabout, integrating a public art initiative into the final design for Congress Square, and coordination of the Bramhall Square art selection committee, among others. The RFP for the Historic Preservation Impact Study was issued and a consultant team selected. Finally, ReCode Portland Phase II is underway, and focused on substantive policy changes to further the code's alignment with Portland's Plan 2030's goals around equity and sustainability, with particular attention to zoning standards, environmental standards, housing policies, and complete neighborhoods. The City has contracted with consulting firm Camiros to assist with this work, and staff continues to be intricately involved in the project, including in public outreach, an explanatory video, public forums, analysis, and survey creation.

Our small business community, which is the backbone of Portland's economy and contributes so much to its authenticity and character, has faced and continues to face challenges from the pandemic. In response, the Housing and Economic Development Department (HEDD) provided over 360 Portland businesses and nonprofits with free PPE, funded through the Maine Cares Act. Through COVID Community Development Block Grant (CDBG) funding, the Department provided Winter Business Sustainability Grants of up to \$9,000 each to 11 restaurants, and Microenterprise Grants of up to \$5,000 to 75 small businesses. In addition, the Portland Development Corporation (PDC) set aside City loan funds for pandemic-impacted small businesses through its Rapid Response Micro Loans, providing 15 loans of up to \$10,000, with \$5,000 forgivable if the business retained or hired back at least 50% of its pre-COVID employees/jobs. During the worst of the pandemic, the PDC deferred loan payments for 24 businesses with City loans for up to three-to-five months. More recently, the Business Assistance Program for Job Creation has granted \$10,000 and \$20,000 grants to 18 small businesses for the creation of full-time jobs for low/moderate income individuals. As a result, the funding has already caused the creation of 19 full-time jobs with 12 more jobs to come. The new ARPA funded Microenterprise Program has generated 32 applications within two weeks of launch. Grants of up to \$7,500 will be awarded between April and June.

HEDD also administers the Brownfields Program, assisting with the assessment and cleanup of environmentally contaminated properties for redevelopment. The City's Brownfields Assessment Fund has received \$450,000 from the Environmental Protection Agency (EPA) to fund Phase I and Phase II Environmental Site Assessments. To date, 15 properties have been assessed, including Northern Wye/County Way, 337 Cumberland Avenue, 21 Randall Street, 165 Lambert Street, 12A Portland Fish Pier, MDOT Park & Ride Lot on Marginal Way, 204 Rand Road, 91 and 43 Douglas Street, 58 Fore Street and others. Using cleanup funds granted to the City from EPA, Portland's Brownfields Revolving Loan Fund has awarded over \$2.4 million in loans and grants to 10 projects with three more pending. Some of these projects include Children's Odyssey (at the former Reed School), various projects on Thompson's Point including the Children's Museum and Theater of Maine, three Portland Housing Authority projects (Boyd Street, and Front Street Phases I and II) and the Chestnut Street Lofts. Staff just submitted a grant application to EPA for an additional \$3 million to recapitalize the City Brownfields Revolving Loan Fund.

Our Permitting and Inspections Department has not seen a slow down due to the pandemic, in fact their workload increased, most notably due to an increase in outdoor dining as well as the passage of three Citizens Initiative Referendum questions during the November 2020 election. More specifically, the implementation of the Green New Deal, Rent Control ordinance, and the new rules and regulations related to marijuana retail establishments have significantly increased staff work.

This increase in work, required staff training, and staff shortages due to a tight labor market, have made it a very challenging year for the department.

In FY21, staff processed 2,239 building permits, 1,239 electrical permits and 392 plumbing permits. This amounts to more than we had for totals in FY18, FY19, and FY20. During the current fiscal year, we are continuing on that same trend for permit numbers. This division has also seen the adoption of a new Mechanical Code, new Electrical Code and the new Energy Code. The City's four Building Inspectors performed 5,449 inspections in FY21. So far in FY22, they have executed 3,937 inspections. Zoning has also had an increase in permit reviews due to the sheer number of permit applications. In FY21, they reviewed 950 permits and so far in FY22 they have reviewed 511 permits. The Business Licensing division implemented the Temporary Outdoor Dining Program, which lasted for two years. This helped our small businesses survive when inside dining was prohibited, social distancing, and occupancy limits were in place. In FY21, staff issued 1,507 business licenses and performed 705 Health Inspections. So far in FY22, 851 business license applications have been received. The city currently has 26 licensed marijuana retail stores and 16 stores are in the application process. The City also licenses marijuana manufacturing, cultivation, testing and small scale caregivers.

In our Housing Safety Office, the division was required to collect data on more than 20,000 units, to create and staff a Rent Board, to investigate illegal rent increases and to educate the public on the newly voter-approved ordinance. This work is in addition to the safety inspections we conduct of rental units in Portland. The City's four inspectors are both Certified Code Enforcement and Certified Fire Inspectors. They handle Long-Term, Short-Term, Complaints, and now Rent Inspections. In FY21, the Inspectors performed 2,350 inspections. The office issued 4,270 Long-Term licenses and 648 Short-Term licenses in FY21. So far in FY22, they have executed 2,056 inspections and issued 2,207 Long-Term and 556 Short-Term Registrations.

The Portland International Jetport continued its record for customer service in 2021, winning Best Airport in North America in the 2-5 million passenger category for the fifth consecutive year. The Jetport also saw significant improvement in passenger volumes despite the pandemic's ongoing negative impacts on air travel nationwide. The Jetport was down 21.6% in passenger boardings in 2021 compared to pre-pandemic 2019 levels, outperforming the nation which remained down 27.3%. This was thanks to Maine's strong leisure tourism throughout the summer season in 2021. Although passenger recovery was strong in 2021, pandemic related reductions remain and are keeping operating revenues below 2019 levels. Operating revenues are projected to be 10% below FY19 in FY22 and are budgeted at 5.6% below FY19 in FY23. Thankfully, federal relief funding for airports remains available to the Jetport and positions it well for a sustained recovery, over the next two fiscal years. In line with last summer's success, the Jetport is seeing strong capacity growth for this summer with airline partners adding all-time record seat capacity out of Portland for June, July, and August 2022. This is a good indicator of the strength of Portland and Maine's tourism economy and the market's resiliency in overcoming the pandemic.

We also remain committed to our sustainability goals outlined in our Climate Action Plan. Our Sustainability team recently announced that its free composting program will expand in early June, nearly doubling the number of drop-off locations citywide. This program began as a pilot in April 2021, with locations in the West End (Clark Street Garden), Libbytown (Libbytown Community Garden), Riverside Recycling, and Bayside (Boyd Street Community Garden). In its first year, the program successfully removed approximately seven tons of food waste from the general waste stream every month. Public feedback on this new program has been overwhelmingly positive, as measured in a recent survey conducted by the Sustainability Office. As part of the program expansion, new sites will be located at the Payson Park Garden, Riverton Community Garden, and Brentwood Farms Community Garden, in Deering. Additionally, we recently released an RFP seeking proposals from companies interested in providing competitively-priced composting services to Portland residents in exchange for promotional support.

The Sustainability team continues to work on its Electrify Everything! program, which is an effort to reduce Portland's collective carbon footprint and minimize energy costs by providing residents with exclusive discounts on solar panels and home heating appliances. Installations procured through this program will begin in FY23. We also recently announced that we selected EVGo as our partner to deploy electric vehicle charging infrastructure on City-owned property. In FY23, this partnership will bring the installation of up to 44 Level-2 chargers and four DC fast chargers (serving eight parking spots).

Furthering our commitment to our environment, our Parks, Recreation & Facilities department budget allows us to plant 200 trees each year, as well as maintain our inventory of 20,000 trees, and we've implemented several urban meadow areas in which we don't mow them as often to encourage pollinators. On top of that we've honed in on utilizing native plantings and fruit orchards. Our Public Works and Planning & Urban Development departments continue their work on increasing our bicycle transportation infrastructure with safety improvements, additional paved lanes, and new pathways in the works.

FY23 BUDGET GOALS & REALITIES

Given the fact that we're not over the full effects of the pandemic yet, and are again faced with several major cost increases that I described above, I asked every Department Head to prepare their budgets conservatively. Ultimately, I had to ask many to revise their proposals, set aside certain requests, make reductions, or suggest fee increases to help balance the budget. I'm proud of the work they did to prioritize our needs given our current situation. In spite of these efforts, for the reasons stated above, it was almost impossible for Departments to come in without any increases over last year. While the two major budget challenges we face are very serious, it is also important for me to balance the needs of our workforce. As a result, this budget does include funding for some retention strategies given the extremely tight labor market and the significant number of vacancies we have had. The pandemic has certainly exacerbated the challenges that local governments face with recruitment and retention, and that is why I'm including a cost of living adjustment (COLA) for non-union personnel, the agreed upon COLA's and other increases for union personnel per City Council approved collective bargaining agreements, and capping City health insurance premium increases at 2%.

Portland prides itself on having the most diverse revenue base in Northern New England with 58% of our FY22 general fund revenue coming from non-property tax sources (charges for services, licenses and permits, intergovernmental revenue and more). As was stated before, balancing the budget with a 5.5% increase this year is only due to the use of those diverse revenue funds, ARPA funds, and debt service reserves, as well as an increase in state revenue sharing funds. Otherwise, we'd be facing a much higher tax rate increase or a reduction in the level of municipal services we would be able to provide.

DEPARTMENT HIGHLIGHTS

Health & Human Services

Public Health: Our Public Health Department budget has increased by over half a million dollars, a 22.1% increase from FY23. We continue to aggressively pursue alternative funding opportunities, including grants, for areas of public health need in Portland.

Barron Center: The Barron Center has had challenges maintaining a higher census count due to the ongoing pandemic and staffing shortages at nursing homes and hospitals nationwide. Despite these challenges, the City is increasing investment at the Barron Center to an all-time high. Part of this investment includes the use of \$4.1M from the State of Maine to be used only by the Barron Center

on or before December 30, 2022. More than \$2.7M has already been distributed, and the remaining \$1.3M will be used in the coming months to provide additional monies to staff.

Public Works: The Public Works Department has had an extremely challenging time with managing the number of vacancies they have due to the labor market and the low salary ranges we offer for various positions. This budget includes a 12.3% increase as the City struggles to keep pace with the market for skilled labor positions, rising fuel prices, and other inflationary pressures.

Because of the nearly \$400,000 increase in providing solid waste and recycling services, the City will be implementing a 50 cent increase in the Pay-As-You-Throw bag fees, which will bring in an estimated \$275,000 in revenue to help offset these increases.

Housing & Economic Development: The Housing & Economic Development Department includes one new FTE to assist with implementation of all of the new programs the City is administering with our \$46.2 American Rescue Plan Act Funding and assist with existing work. The budget also includes continued additional investment in Creative Portland and the Office of Economic Opportunity.

Parks, Recreation & Facilities: This budget includes a \$1.5M or 16.4% revenue increase due to the rebounding of recreation programming and public assembly events. The budget also includes increasing the number of Before-and-After-School program participants given high demand. The increase seen in this budget, including the corresponding increase in benefits, is fully covered by the \$1.75M increase in additional revenue generated.

Planning & Urban Development: This budget includes a \$27,000 decrease in FY23 as \$130,000 in FY22 one time expenses related to the recode and historic district study were not needed for FY23.

Police: This budget includes a 4.7% increase in funding to maintain existing service levels.

Fire: The Fire Department budget includes a nearly \$1M increase in funding. Although overtime was at all-time highs in FY22, the City will be focusing on more careful management of overtime levels in FY23. The Department is also adding two FTEs related to required additional service levels at the Portland International Jetport due to the increasing size of arriving/departing aircraft.

Parking: This budget includes a 3.6% increase and will maintain existing service levels. Parking revenues are expected to rise by \$1.8M in FY23 and have bounced back faster than anticipated. The budget includes a 50 cent increase in parking meter rates in the old port/commercial street area which is expected to generate \$316,000 in additional revenue.

Permitting & Inspections: This budget includes a 13.1% increase and addresses a City Council priority by adding a new Code Enforcement Officer to assist with the increase in workload within the office.

City Council: The Council's budget includes no significant increase. An anticipated fee for a new City Manager search firm is offset by a reduction in anticipated Charter Commission expenses in FY23.

City Clerk: This budget includes a 7.9% increase and a slight hours increase for our election assistants to ensure adequate cross training and coverage during elections.

Corporation Counsel: A reorganization of positions has led to an increase in Corporation Counsel's budget. This is necessary in order to address the high volume of work that this department has been faced with over the past several years. This will also allow them to be able to identify areas of improvement around enforcement, policies and practices, and reduce costs city-wide over time.

Executive Office: The budget includes a \$146,934 increase from FY22. Investments include increasing our half-time Sustainability Associate to a full-time position and funding for a Resilience Corps fellow through GPCOG, who will assist the Sustainability Director and Associate on fulfilling the objectives in our Climate Action Plan. The budget also includes additional sustainability/energy management funding through Engie's Total Energy & Sustainability Service.

POSITIVE BUDGET DRIVERS

Excise Tax: Excise taxes are still a significant source of revenue for the city's transportation needs. Despite rising interest rates and car prices we are projecting excise taxes to remain flat at \$10.5M for FY23.

Parking: As noted previously Parking Department revenues are increasing significantly and have already exceeded pre-pandemic levels with nearly \$10M expected to be received in FY23. This represents more than a \$1.8M increase from FY22.

Property Valuation: Property valuation is estimated to grow by \$100 million in the current year due to newly permitted and on-going construction projects and continues our upward trajectory in overall valuation. This \$85M of new property valuation creates an additional approximately \$656,000 in new tax revenue for municipal use. While this may seem like a significant amount, it represents only approximately a 0.7% overall increase to our FY22 valuation of approximately \$14.6 billion, and can only fund a fraction of the cost increases and budget challenges we face in FY23.

Credit Rating Upgrade: Earlier this month Standard & Poor's Global Ratings (S&P) raised its credit rating on all of Portland's general obligation debt up to 'AAA' from 'AA+'. This elevates the City of Portland rating to the highest available measure of creditworthiness from S&P. The highly coveted 'AAA' rating significantly reduces debt service costs on bonds issued with the rating in place and creates additional demand for City of Portland municipal bonds. The rating increase is due to continued growth in the local economy, very strong financial management and financial policies, and very well managed debt metrics. The upgrade marks the second rating increase from the S&P in the last five years. The reduction in debt service costs due to the upgrade will be significant within the City budget. An AAA rating typically reduces total interest costs on a debt issue by an estimated 10 to 15 basis points when compared to similar costs on an AA+ rated bond (savings of \$10,000 to \$15,000 per million of debt issued). The City's \$51.93M municipal bond sale last week realized an estimated savings of \$520,000 to \$780,000 due to the upgrade.

State Revenue Sharing: State revenue sharing revenue continues to increase and the State is expected to fully fund the City of Portland in FY23 at statutorily required levels. This is expected to result in an increase in excess of \$2M in funding from FY22 to FY23.

ARPA Funding: ARPA continues to be a positive budget driver for the City which will help us sustain municipal services in FY23. Five and a half million dollars in ARPA revenues are being infused into the FY23 budget under the revenue replacement category.

ADDITIONAL BUDGET CHALLENGES

In addition to the items I mentioned above regarding inflation and rising GA costs, the items outlined below are additional budget challenges we need to consider in this budget process.

Health Insurance: After a couple of years without any health insurance premium increases for employees, we are faced with having to pass on an increase to staff this year. Given I mentioned above that I'm concerned about retention of staff, I am proposing to only pass along a 2% increase in FY23.

Debt Service: Our debt service is up roughly \$4.2M overall. This includes an approximately \$1.1 million increase in debt service related to our 2001 pension obligation bonds and similarly sized increases are looming in FY24, FY25 and FY26. During last year's budget review the Finance Director presented a plan to offset these increases using savings from renegotiation of pension obligation bond ancillary costs and provide \$10M+ in property tax relief

METRO: The FY23 budget includes a 3.9% increase in our METRO contribution or an additional \$117,642, an approximately 1 cent increase to the City portion of the tax rate.

Portland Public Library: The Portland Public Library has requested a 7.7% increase in FY23 funding or \$306,575, an approximately 2 cent increase to the City portion of the tax rate.

County Tax: The FY23 budget includes a 5.8% or \$415,906 increase in Cumberland County tax assessment pushing it to more than \$7.5 million. This represents just under a 3 cent increase to the tax rate.

BALANCING THE BUDGET

At this time, the growth of non-tax revenues and property valuation results in a City side tax rate increase for municipal services of 5.5%. This means the city-side mill rate is \$6.56 per \$1,000 of assessed property value. The impact on an average homeowner with a property valued at \$350,000 would be \$119.

CONCLUSION

I would like to thank the Finance Department staff, Human Resources Director Anne Torregrossa, and Communications Director Jessica Grondin for their assistance in developing this budget recommendation and presentation, as well as the hard work and diligence of Department Heads and their staff in developing budget requests.

I'd also like to thank all City employees for the work they've done in helping us accomplish the many things we've achieved over the last several years, as well as the regular municipal services they provide each and every day. And I'd like to express my sincere gratitude for the way in which staff has continued to perform top-notch public service during the pandemic. It has been a long and ever-changing year in which we've faced many obstacles, and I'm proud of how we all worked together to keep our community strong.

Finally, I'd like to thank the City Council for advising us on your priorities and working collaboratively with staff over the last year. We look forward to reviewing this proposed budget with the Finance Committee and the full Council.

Sincerely,

Danielle P. West
Interim City Manager

DEFINITIONS OF FY23 ORG CATEGORY SUMMARY EXPENDITURE REPORT COLUMNS

FY22 REVISED APPRO = Actual amount of the FY22 approved appropriation as approved by the City Council.

FY22 TOTAL PROJECTION = Projected total amount of expenditure in the current budget year as submitted by Departments in January 2022.

FY23 MGR RECOMM – The amount of FY23 budget request recommended by the City Manager to the City Council in April 2022 after performing detailed budget reviews with each Department.

INCR / (DECR) FY23 / FY22 – A comparison of the FY22 Revised Appro Column with the FY23 Mgr Recomm column showing the budget year to budget year increase that would result (in dollars) if the FY23 City Manager's Recommended budget was approved.

APPRO % CHG FY23 / FY22 - A comparison of the FY22 Revised Appro Column with the FY23 Mgr Recomm column showing the budget year to budget year percentage increase that would result if the FY23 City Manager's Recommended budget was approved.

**MEMORANDUM**

DISTRIBUTE TO: Members of the Finance Committee, Interim City Manager

FROM: Brendan T. O'Connell - Finance Director

DATE: May 26, 2022

SUBJECT: **FY23 Budget Frequently Asked Questions and Answers**

During the past several months and budget cycles the Finance Department, as well as the Assessors Office have fielded many questions from residents of the City in regards to the budget and valuation. Many of these questions have come up repeatedly via phone, email and in person and we expect they may come up again in FY23. This memo is intended to summarize responses to many of the frequently asked questions ("FAQ").

Additionally, this memo will be updated as the FY23 budget process continues to move forward with answers to questions asked during Finance Committee meetings which are not answered elsewhere in other backup materials.

Question 1: I noticed the FY23 budget includes \$100M of new estimated valuation. How does this growth benefit City revenues?

Property valuation has grown by \$100 million in the current fiscal year due to significant new projects breaking ground and continues our upward trajectory in overall valuation. This \$100 million of new property value created an additional approximately \$605k in tax revenue for municipal use. While this may seem like a significant amount, it represented only a 0.068% overall increase to our FY21 valuation of approximately \$14.6 billion, and can only fund a fraction of the cost increases and budget challenges we faced in FY23, many of which are outside of City control. These included the increases in Cumberland County tax (which has risen at an average rate of over 4.6% over the last 8 budget years), our METRO assessment, increases in pension obligation bond debt service (approximately \$1M and increasing by around \$1M+ annually through 2026), contractually obligated union compensation increases, new COVID19 related expenses and revenue losses, and other significant cost increases related to the massive inflation seen in 2021 and into 2022. The increase in valuation only funded a fraction of the cost increases that are outside of City control and it is also worth noting our valuation increase was significantly lower than the rate of inflation.

Question 2: What is the breakdown of the tax levy between City and School operations? Is it 50/50? How has the tax levy and mill rate broken down in the last several budget years?

The overall City of Portland approved tax rate for FY22 is \$12.99 and the breakdown is not 50/50. The mill rate and tax levy is further broken down in the tax rate history table below. Assuming FY23 proposals are approved, the City portion would be \$6.05 (44.5% of total mill rate), County \$0.51 (3.7% of total) and Schools \$7.05 (51.8% of total). Because of the City's revaluation in FY22, which dropped mill rates in proportion to the overall increase in valuation, progression of total taxes over time is difficult to follow. The second table on tax levy history provides easier to follow/understand data on trends in overall tax levy over time.

FY16 - FY23 City of Portland Tax Rate History & Breakdown							
	MUNICIPAL PORTION				SCHOOL PORTION		OVERALL
Fiscal Year	City Tax Rate	City % of Total	County Tax Rate	County % of Total	School Tax Rate	School % of Total	City of Portland Tax Rate
FY16	\$9.83	47.6%	\$0.68	3.3%	\$10.12	49.1%	\$20.63
FY17	\$10.08	47.7%	\$0.70	3.3%	\$10.33	48.9%	\$21.11
FY18	\$10.28	47.5%	\$0.76	3.5%	\$10.61	49.0%	\$21.65
FY19	\$10.55	46.9%	\$0.79	3.5%	\$11.14	49.6%	\$22.48
FY20	\$10.79	46.3%	\$0.83	3.6%	\$11.69	50.2%	\$23.31
FY21	\$10.75	46.1%	\$0.87	3.7%	\$11.69	50.2%	\$23.31
FY22	\$5.73	44.1%	\$0.49	3.8%	\$6.77	52.1%	\$12.99
FY23 Proposed	\$6.05	44.5%	\$0.51	3.7%	\$7.05	51.8%	\$13.61

The City's tax levy (assuming FY23 levies are approved as currently proposed) has increased by \$13.2M since FY16 (a compound annual growth rate of approximately 2% per year, less than inflation over that same time period). In contrast the School tax levy has increased by \$25.8M (a CAGR of 3.63% since FY16) FY16 & the County tax levy has increased by \$2.3M (CAGR of 4.69% since FY16).

FY16 - FY23 City of Portland Tax Levy History & Breakdown							
	MUNICIPAL PORTION				SCHOOL PORTION		OVERALL
Fiscal Year	City Tax Levy	City % of Total	County Tax Levy	County % of Total	School Tax Levy	School % of Total	City of Portland Tax Levy
FY16	\$75,785,193	47.6%	\$5,240,009	3.3%	\$78,073,211	49.1%	\$159,098,413
FY17	78,445,570	47.8%	5,417,119	3.3%	80,331,376	48.9%	164,194,065
FY18	80,187,454	47.5%	5,907,743	3.5%	82,787,921	49.0%	168,883,118
FY19	83,323,749	46.9%	6,288,845	3.5%	88,003,431	49.5%	177,616,025
FY20	86,173,337	46.3%	6,640,316	3.6%	93,345,139	50.1%	186,158,792
FY21	86,743,535	46.1%	7,011,159	3.7%	94,338,744	50.2%	188,093,438
FY22	83,867,622	44.1%	7,147,309	3.8%	99,083,251	52.1%	190,098,182
FY23 Proposed	89,023,703	44.4%	7,563,215	3.8%	103,851,071	51.8%	200,437,989
The City portion of the overall tax levy has increased by \$13.2M or 17.5% since FY16 (2.03% CAGR)							
The County portion of the overall tax rate has increased by \$2.3M or 44.3% since FY16 (4.69% CAGR)							
The School portion of the overall tax rate has increased by \$25.8M or 33.0% since FY16 (3.63% CAGR)							
CAGR = Compound Annual Growth Rate							

Question 3: Does the FY23 City Manager's Recommended Budget include sufficient funding for our estimated General Assistance ("GA") operations in FY23? Was there any shortfall in revenue created by the State's decision to amend the proposal to increase GA reimbursement to 90% (in lieu of this increase the final legislation retained the existing 70% reimbursement rate and allocated a flat \$10M in additional funds to municipalities based on FY21 GA spending).

One of the most difficult estimates that must be made during development of the annual operating budget is the level of GA funding necessary to comply with State GA requirements. As noted in previous Finance Committee meetings, and City Council communications, the annualized cost of hotel rooms for those who are already in hotels is \$45M. That figure has been used as the basis for estimated FY23 GA emergency housing/hotels expense, with recognition that additional arrivals of asylum seekers will push this figure higher but the City's efforts to find alternatives to hotels will hopefully offset these increases. The \$45M plus an estimated cost of all other expenditure categories (rent, food, basic necessities - amounting to approximately \$6.1M) was used to determine the estimated total FY23 GA spending of approximately \$51.1M.

The other major moving piece of our GA budget (and the driving factor for delayed presentation of the FY23 City Manager's Recommended Budget) is the revenue reimbursement component of the budget. The FY23 CM recommended budget assumed that the approval of the bill proposed by Representative Michael Brennan to increase GA reimbursement to 90%. Instead, there were last minute amendments to the bill that will result in Portland receiving significantly less than what was anticipated. **The final version of the bill passed by the legislature leaves the City approximately \$2M short of the reimbursement anticipated under the bill proposed by Representative Brennan.** A breakdown of the estimated shortfall in the FY23 City of Portland budget is below.

A. Reimbursement based on Representative Brennan's Proposed Bill (i.e. Increase to 90%):

NOTE - This is the amount of revenue reimbursement currently included in the FY23 proposed budget

First \$4,000,000 at 70% Reimbursement:	\$ 2,800,000
Next \$47,145,950 at 90% Reimbursement:	<u>\$42,431,355</u>
Total Anticipated Reimbursement (prior to amendment):	\$45,231,355
Remaining City of Portland Share (FY23)	\$ 5,914,595

B. Actual revenue expended to be received based on amended version of bill (maintains 70% reimbursement rate, allocates one time additional \$10M Statewide - Portland share = \$7.4M):

70% Reimbursement on full \$51,145,950:	\$35,802,165
Additional \$7.4 of one time funding:	<u>\$ 7,400,000</u>
Total Anticipated Reimbursement (after amendment):	\$43,202,165
Remaining City of Portland Share (FY23)	\$ 7,943,785

DIFFERENCE (A) - (B) - Estimated FY23 Budget Shortfall: \$ 2,029,190

WARNING: Projected City of Portland local share for FY24 increases significantly due to expiration of the one time \$7.4M of funding. The current total FY24 estimated local share = \$15,343,785.

OPTIONS TO ADDRESS FY23 BUDGET SHORTFALL CREATED BY AMENDMENT

Option 1 - Find alternatives to the use of hotels for sheltering, which will significantly reduce the GA budget. It is important to remember that the State's supplemental budget does include \$22M of funding for such alternatives once they are identified.

Option 2 - Make \$ 2,029,190 of additional changes to the FY23 City Manager's Recommended Budget and/or raise the proposed tax rate increase to address the shortfall created by the amendment. These changes could include additional use of American Rescue Plan Act one time dollars or temporarily continued FEMA dollars to supplement existing budgeted funds.

Option 3 - Reassess the City's systemic and comprehensive approach to homelessness. This will require further discussions with staff and additional separate meetings with the full City Council.

Option 4 - Some combination of the above three (3) options.

RECOMMENDATION / CONCLUSION - After guidance from Finance Committee City staff will move forward with Option #2 and seek appropriation by the City Council of \$2,029,190 of American Rescue Plan Act dollars to fill the gap. Any additional FEMA reimbursement (which may be extended into FY23 on a month to month basis) or other reduction in GA spending may reduce the amount of ARPA funding required. No further changes to the FY23 budget are required at this point as the full amount of revenue is already included.

Question 4: The State of Maine equalized valuation for Portland is over \$12B but the local assessed value is well over \$14B. What is the difference between these values and how do they impact my taxes?

Answer from our Assessor: The State Equalized Valuation (SEV) is used as the basis to apportion the county tax, state-municipal revenue sharing, road assistance (highway block grants), general assistance grants and, the largest piece, state aid for education. It is also used by some utilities, such as the Portland Water District in its assessment of wastewater fees to municipalities.

State aid is vital to our municipal finances. The formula used to calculate the various municipal shares of state aid employ a variety of variables, including valuation of taxable property. For the state aid to be distributed equitably, the variables used in the formulas must be consistent; that is, the valuation figures must reflect the same percentage of market value for every municipality. Municipalities are required to assess at no less than 70% of true and just market value for property tax purposes, but within that constraint there is great variability. Through the process known as State Equalized Valuation, Maine Revenue Services develops annually an equalized value of every organized municipality and the unorganized territory. The finished product reflects the 100% taxable value for the municipality but does not represent the actual valuation used within the municipality which can vary widely between different municipalities.

- The City has not appealed or challenged the State Equalized Valuation. We agree with their analysis and their final value and would have a difficult time proving they are incorrect.
- The current State Equalized Valuation is based on actual property sales on an approximately 1-2 year lag. Sales prices have risen continuously over the last several years so we know our SEV will continue to rise.
- The reason the City uses the \$14B+ in its estimated projections is because this is the actual valuation that local taxes are levied against. The State's Equalized Value is not used to levy local property taxes, it is an indicator of what the actual 100% valuation should be. There is a wide difference between the two and this is one reason why we are undertaking a revaluation.
- While the State "certifies" their equalized value, this is only an aggregate total based on a sales ratio study of market data from the preceding 18-24 months. The State does not apportion or allocate individual uniform values to the 24,000+ parcels that make up the City of Portland.

Further information on SEV can be found:

[Maine Revenue Services Property Tax Bulletin No. 1 - Maine State Valuation Rule 201 - Rules of Procedures Used to Develop State Valuation](#)

Question 5: How does the City of Portland's mill rate compare to those of surrounding towns?

The mill rate is not the only factor in calculation of a tax bill and the tax burden of a City overall. A City's local property tax assessment (and each individual property's local assessed value) is the other critical component to consider when comparing property taxes between communities. The "2022 Mill Rate Adjusted to 100% Assessment Ratio" column in the attached table serves the best comparison of

Portland's mill rate vs other surrounding communities as it factors in all of the important components which make up a tax bill.

Greater Portland Area Tax Rate, Assessment Value and SEV Comparision

	2022	2022	2022	2022 Mill Rate	2022	2022
	Mill	Total Taxable	State Equalized	Adjusted to 100%	Total Tax	Assessment

2021 Mill Rate = Actual Mill rates for FY 2021

2021 Total Taxable Assessment = Actual local taxable assessment for FY21

2021 State Equalized Valuation (SEV) represents the State's calculation of local property values based on actual sale prices from 12-18 months prior

Local Taxable Assessment as a % of SEV = indicator of whether local assessment is undervalued as a percentage of actual SEV

2021 Mill Rate Adjusted to 100% Assessment Ratio = 2021 Mill Rate * Local Taxable Assessment as a % of SEV

2021 Total Tax Commitment = Actual local tax commitments for FY21

Question 6: Can staff provide details on how fundraising works in relation to the City's operating budget? Are there limitations on what items can be supplemented by fundraising?

The City's spending of operating budget funds is authorized by an overall appropriation resolve passed during the City budget process. For programs supported either fully or partially via donations, the City budgets for the full amount of program expenditures within the appropriation resolve and also includes an estimate of the offsetting revenues in the resolve. City staff would be required to come back to City Council with an additional appropriation order if additional expenditures were required above and beyond what was already approved in the appropriation resolve. For example, if the City's overall operating budget was \$1M, and the City needed to launch a new \$50,000 program (supported by donations) midway through FY22 pushing total spending to \$1.05M the City Manager would bring a new appropriation order to Council asking the Council to appropriate the additional \$50,000 in donations, raising the overall appropriation to \$1,050,000.

None of the programs currently being suggested for fundraising (in HHS, Parks & Recreation) have any restrictions that staff is currently aware of, but we would do further research before launching any specific new campaigns for any specific program or item.

Question 7: Can staff provide a summary breakdown of the City of Portland American Rescue Plan Act Funding (ARPA) including amount already appropriated and amount remaining?

The City of Portland is set to receive \$46,290,625 of funds in the American Rescue Plan Act of 2021. These funds will be paid in two installments. The first half payment has already been received (May 2021) and the second half payment is expected in the coming weeks. Attached is a breakdown of city ARPA funding:

\$46,290,625 - Total Expected ARPA Funding

- (8,750,000) - Appropriated by City Council in May 2021 - revenue replacement in FY22 budget**
- (14,395,215) - Appropriated by City Council in November 2021 - various community priorities**
- (1,650,000) - Vaccination incentive and employee retention payments**
- (5,550,000) - Revenue replacement to sustain municipal services - FY23 CM Rec budget**
- (2,029,190) - Use of ARPA funding to fill revenue gap / address housing issues in FY23 budget**
- (2,750,000) - Revenue replacement to sustain municipal services - FY24 amount per plan**
- \$11,216,220 - Current unallocated funding expected to be available for Tranche 2 public process**

Question 8: What is the current FY23 property tax levy and estimated FY23 mill rate based on the City Council approved School budget and FY23 City Manager Recommended Budget?

TAX RATE COMPUTATION--FY2023							
City Manager's Recommendation							
	General Fund	County Tax	City General Fund	Enterprise Funds	TOTAL CITY	School Dept	GRAND TOTAL
Total Expenditures	\$261,212,535	\$7,563,215	\$268,775,750	\$65,143,196	\$333,918,946	\$133,070,967	\$466,989,913
Less: Revenues	(172,188,832)	0	(172,188,832)	(69,036,351)	(241,225,183)	(27,039,506)	(268,264,689)
Surplus	0	0	0	3,893,155	3,893,155	(2,180,390)	1,712,765
Tax Levy	\$89,023,703	\$7,563,215	\$96,586,918	\$0	\$96,586,918	\$103,851,071	\$200,437,989
					48.2%	51.8%	100.0%
Valuation	14,729,000,000						
Tax Rate:	-						
FY23	\$6.05	\$0.51	\$6.56	\$0.00	\$6.56	\$7.05	\$13.61
FY22	\$5.73	\$0.49	\$6.22	\$0.00	\$6.22	\$6.77	\$12.99
\$ Increase	\$0.32	\$0.02	\$0.34	\$0.00	\$0.34	\$0.28	\$0.62
% of Total Increase	5.2%	0.3%	5.5%	0.0%	5.5%	4.1%	4.8%

Note: The table above assumes that no additional property tax dollars will be required to fund the “gap” from FAQ 3. If this gap is required to be filled via additional property tax levy the combined mill rate increase rises to \$0.76 (5.9%).

Question 9: The FY23 budget calls for \$3.25 in use of Assigned Fund Balance / Debt Service Reserve. Can you provide more detail on why this is appropriate and how it helps smoothen property tax rates from FY23-FY27? Over the last several years the City has achieved significant cost savings due to an aggressive strategy of refinancing previously issued debt at lower interest rates, renegotiating debt service related contracts, and making key vendor changes. These savings, currently held within the City's debt service fund reserves, are an integral part of staff strategy to smoothen property tax rates over the final five years of repayment of the City's \$111.8M pension obligation bond. The structure of the pension obligation bonds, issued back in July 2001, was very unfavorable in later years of the debt. No significant principal repayment on the debt began until 2014 and debt service payments increase by >\$1M per year annually from FY23 through FY26. The final \$22.3M debt service payment is due on 6/1/26 and in fiscal years thereafter (beginning in FY27) the City will have significantly more operating budget flexibility.

Over the next four fiscal years (FY23 to FY26) the City plans on recommending that City Council utilize \$11,682,418 of the debt service reserve to smoothen property tax rates in each fiscal and offset the impacts of the increases in pension obligation bonds debt service. If not for use of this reserve the property tax levy would be \$11,682,418 higher over the upcoming four fiscal years. Typically fund balance is only recommended for use vs ONE TIME expenditures. In this instance use of fund balance remains appropriate as the debt service expenses related to pension obligation bonds are not an ongoing operating expense - they will be going away for good in FY27 (final payment is due in FY26 and in the FY27 operating budget there will be \$22.3M of capacity previously occupied by pension obligation debt service). Furthermore there are sufficient debt service reserves to cover the full amount of the increases in pension obligation bond debt service in each of the next four consecutive budget years. This use of the debt service reserve is this recommended approach from the Finance Department staff. Using pre-revaluation figures will result in a mill rate that is at least 72 cents lower than what the mill rate would have been if no debt service reserve was used.

The council allocated some of the CDBG and ESG Cares Act funding for a day shelter. We issued an RFP but no one responded. The feedback was it was not enough money to truly run a day shelter. The money has not been reallocated yet although Housing & Economic Development has been talking with Social Services about a new use of the fund

Question 11: How many full time employee vacancies are in each department?

Data gathered as of 5/12/22

City Clerk: 0.6

MEMORANDUM

City Council Agenda Item

DISTRIBUTE TO: Interim City Manager, Mayor, Sheba Brown, Nancy English, Jen Thompson, City Council

FROM: Councilor Andrew Zarro

DATE: June 6, 2022

SUBJECT: Background Information for Councilor Zarro Amendment to Order 257-21/22

SPONSOR: Sponsored by Councilor Zarro

I. ONE SENTENCE SUMMARY

This amendment to the budget resolve would add \$70,192 to the Fiscal Year 2023 Budget for the Executive Department to add an additional Sustainability Associate Position

II. BRIEF DESCRIPTION

The City's sustainability efforts are continuously expanding and more staff is needed to meet our lofty climate action goals. Although the FY23 budget as proposed by Interim City Manager Danielle West does add an 0.5FTE (Sustainability Associate, bringing the position to full time hours) this amendment would add another full time Sustainability Associate bringing the total to 2.0FTE to work alongside Sustainability Director Troy Moon. This budget amendment proposes an increase in parking revenue to fund the position.

III. BACKGROUND

Councilor Zarro is the Chair of the City of Portland Sustainability and Transportation Committee and has been an advocate for additional sustainability spending during his time with the council. In future budget cycles (2024 and later) the City will be generating significant additional dollars from renewable energy credits which will be used for sustainability efforts. However in the

interim the need for important sustainability work still exists and there is currently no dedicated funding source.

My proposal to add 1 additional full time Sustainability Associate (\$70,192 including salary and expected fringe benefits and a laptop) includes funding via additional parking revenues, not via raising local property taxes. My suggestion, although I will leave it up to staff to make the final determination on how to move forward, is to simply expand the area where the parking meter rate increase to \$2.50 per hour is in effect for FY23. I would propose expanding this increase to the Arts District. However, I remain open to suggestions from staff for ways to generate an equivalent amount of parking revenue. During a recent conversation with Director O'Connell he noted the current recommendation would be to increase monthly parking garage rates at the Elm and Spring Street garage by \$10/month to remain in line with surrounding options.

IV. INTENDED RESULT AND/OR COUNCIL GOAL ADDRESSED

This directly addresses the [City Council goal](#) to *“Showcase and advance the climate change and sustainability efforts underway in the city by offering educational opportunities, neighborhood-based adoptable projects, and increasing overall understanding and recognition of the citywide solutions for vulnerable populations.”*

V. FINANCIAL IMPACT

\$70,192 added to the municipal budget with no impact to the mill rate due to the offsetting increase in parking revenue

VI. STAFF ANALYSIS AND BACKGROUND THAT WILL NOT APPEAR IN THE AGENDA DESCRIPTION

VII. RECOMMENDATION

Dear Councilors,

I understand that your Committee will be voting on the City's budget imminently and that Councilor Zarro has put forth an amendment that would add a full-time employee to the Sustainability Office. I am writing to voice my enthusiastic support for Councilor Zarro's amendment.

Increasing staff in the Sustainability Office is a critical action if Portland is to accomplish the difficult, but essential goals set for in the One Climate Future Plan. Each week there are reports from scientists across the country and around the world highlighting the growing impact of climate change and ringing the alarm bells that the climate crisis is accelerating. Maine has a front row seat to these changes. We are experiencing this crisis across the State in a host of ways, including excessive heat, prolonged periods of high heat, rising tides, warming waters and more. Portland leads the State on so many issues. Building up staff in the Sustainability Office will not only help our City address the elements of the One Climate Future Plan, but also demonstrate our commitment to trying to tackle the climate crisis.

I would ask that you adopt and pass Councilor Zarro's amendment and fund an additional full time staff member to the Sustainability Office.

Respectfully,

Stacy Evans (Deering Center)

We are the green team for Casco Bay High School. As a young group of environmentalists, we are very concerned about our future. We believe adding another member to the Sustainability Office would make us feel supported as a green team and make Portland a more sustainable city. As current and future voters, we believe climate

change is the most pressing issue of our generation and we would appreciate more representation in the city council. Thank you, Casco Bay HS Green Team
